Project Applicant: Johnston County
Date: February 9, 2016
Project Number: CS370560-15
Estimated Project Cost: \$881,540
Estimated Funding Amount: \$852,000

Project Description: The proposed project will improve efficiency of sewer service in the Cleveland area of the County by consolidating flow from several pump stations. Specifically, the proposed project includes installation of approximately 850 linear feet of 8-inch, 2,570 linear feet of 12-inch, and 3,010 linear feet of 16-inch new gravity sewer; redirection of 380 linear feet of 4-inch force main of the Southgate Pump Station from existing Glen Road MH to existing MH#A; abandonment of existing Glen Road and Food Lion pump stations, and rehabilitation/replacement of associated manholes, services, and point repairs.

The above named applicant will receive funding assistance from the State Revolving Fund program to construct the wastewater facilities described above. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<http://portal.ncdenr.org/web/wi/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Seth Robertson, P.E., Chief
