North Carolina Division of Water Infrastructure

Project Applicant: Junaluska Sanitary District
Date: May 18, 2017
Project Number: CS370920-01
Estimated Project Cost: \$3,921,422
Estimated Funding Amount: \$2,570,022

Project Description: The proposed sewer improvements project will provide sewer service to existing businesses and the Riverbend School in Haywood County and includes the following work: construction of three new duplex pump stations (40,000 gpd at Riverbend Elementary School, 25,000 gpd at Pilot Travel Center, and 15,000 gpd at Sams Mart), 5,200 LF of 2-inch force main, 11,400 LF of 4-inch force main, and 1,900 LF of 6-inch force main with related appurtenances.

The above named applicant will receive funding assistance from the State Revolving Fund program to construct the wastewater facilities described above. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<http://portal.ncdenr.org/web/wi/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Seth Robertson, P.E., Chief
State Revolving Fund Section
Division of Water Infrastructure
