DURHAM COUNTY

[DC320025](#) Scott and Roberts Dry Cleaning, Inc., 810 W Main ST, Durham
An upgradient former dry cleaner, Durham Dry Cleaners, appears to be impacting this site. Initial soil and groundwater sampling near the former Scott and Roberts facility site location were completed in June 2016. It does not appear that ongoing assessment of the property indicates a source of dry cleaning solvent release originating from this property. DSCA is awaiting the final report of this assessment to determine if DC320025 is eligible for the DSCA program. As such, no invoice is included at this time because if the site is determined ineligible the petitioner will be reimbursed for all costs spent assessing contamination associated with this site.
