

Registration Form for Computer Manufacturers

NC General Statute 130A-309.134 places statutory requirements on computer equipment manufacturers as follows:

1. Manufacturers of computer equipment must provide a free and reasonably convenient recycling program to take responsibility for computer equipment discarded by consumers.
2. A computer equipment manufacturer shall not sell or offer to sell computer equipment in the State of North Carolina unless a visible, permanent label clearly identifying the manufacturer of that equipment is affixed to the equipment.
3. Manufacturers of computer equipment must register annually by June 30 and pay an annual registration fee.
4. Within 90 days of registration, computer equipment manufacturers must pay an initial registration fee and submit a plan for its recycling program.
5. No later than October 1, 2011 and every year thereafter, each computer equipment manufacturer must submit a report stating the total weight of all computer equipment collected for recycling or reuse in the previous fiscal year (July 1 - June 30). The report must also include a summary of actions taken to comply with the requirements of whatever recycling plan a manufacturer chooses to implement.

- CHECK HERE You are not required to pay a fee if you are a manufacturer selling globally 1,000 or fewer items of computer equipment per year. You are not required to submit a fee, but still must register annually.
- CHECK HERE You are not required to pay a fee if you are a manufacturer selling computer equipment to non-consumers only (non-profits who employ greater than 10 people and businesses).

Manufacturer Information

Recycling Plan Level Selection

Within 90 days of registration, all computer equipment manufacturers must submit a Computer Equipment Recycling Plan to provide a free and reasonably convenient recycling for consumers. Computer equipment manufacturers may submit joint plans, but must still register and pay registration fees separately. Computer equipment manufacturers must submit one of three kinds of plan. Please select the Recycling Plan Level to be submitted.

- Level I Recycling Plan (Year 1 Fee \$15,000/Annual Renewal Fee \$15,000)
- Level II Recycling Plan (Year 1 Fee \$10,000/Annual Renewal Fee \$7,500)
- Level III Recycling Plan (Year 1 Fee \$10,000/Annual Renewal Fee \$2,500)

Detailed Information on the requirements for each Recycling Plan Level can be found on the DEQ website at:
