NORTH CAROLINA WATER TREATMENT FACILITY OPERATORS CERTIFICATION BOARD**

September 26, 2018

A special teleconference meeting of the North Carolina Water Treatment Facility Operators Certification Board was called to order at 10:06 AM on September 26, 2018 by Wendell Pickett, Chairman.

The following members and guests were present:

Members Present via phone:

Steve Scruggs	Wendell Pickett	Jon Pons

Members and Guests in the Archdale Building:

Stephen Denning	Linda Raynor	Steve Reid

Wendell Pickett read the Statement of Ethics and asked if anyone had any conflicts of interest with the agenda item. There were no conflicts brought up by any member of the board.

Wendell Pickett stated that the purpose of the meeting was to revisit the request from Mr. Orville Wint due to the rule changes that went into effect on September 1st, 2018. At the September 18th, 2018 meeting, Mr. Wint was required to reobtain his B-Distribution certification before being allowed to sit for the Cross-Connection exam. Under the new rules, the board would no longer need to take any action on a request to obtain further certification because another certification was expired for longer than two years. Mr. Pickett asked for a motion to amend the original motion and strike the requirement for Mr. Wint to obtain his B-Distribution certification before applying to take his Cross-Connection exam. Steve Scruggs made the motion that the original motion be amended and that the board strike the requirement for Mr. Wint to obtain his B-Distribution certification before applying to take his Cross-Connection exam. Sam Call seconded the motion. The motion passed.

Wendell Pickett asked for any comments from the attending public. There were no comments.

Wendell Pickett asked for a motion to adjourn. Steve Scruggs made a motion to adjourn the meeting. Jon Pons seconded the motion. The motion passed and the meeting adjourned.

Respectfully submitted,

Stephen Denning
