

Approved Mitigation Banks in North Carolina

List compiled by NC Division of Water Resources to include banks with mitigation credits currently approved and available for sale. The Geographic Service Area (GSA) for a mitigation bank is generally the 8- digit cataloging unit (CU) unless otherwise specified. The GSA for a mitigation bank in the Falls and Jordan Watersheds are generally the Subwatershed. This list does not include mitigation provided by the North Carolina Division of Mitigation Services In-Lieu Fee Program (NCDMS).
