RE: Proposed Revision to state 401 Water Quality General Certification No. 4144

The purpose of this Public Notice is outlined below. This notice is available electronically at <https://deq.nc.gov/about/divisions/water-resources/water-resources-permits/wastewater-branch/401-wetlands-buffer-permits/401-public-notice>.

I. Proposed Revision to state 401 Water Quality General Certification No. 4144

PUBLIC NOTICE is hereby given that the N.C. Division of Water Resources (DWR) is revising 401 Water Quality General Certification No. 4144 to include coverage for the U.S. Army Corps of Engineers Wilmington District's new Regional General Permit 201801536 for marsh sills. No other changes to the General Certification are proposed. DWR must take final action on the Regional General Permit by December 14, 2018.

The draft certification is available online at:

<https://edocs.deq.nc.gov/WaterResources/0/doc/768006/Page1.aspx>. The draft may also be reviewed at the DWR Central Office, 512 N. Salisbury St., Raleigh, NC, 27604. To schedule an appointment, call 919-707-3630.
