Re: Report on the "Coastal Storm Damage Mitigation Fund"

To Whom It May Concern:

As per §143-215.73M, annually the Department of Environmental Quality is required to provide a report on the projects funded from the "Coastal Storm Damage Mitigation Fund". To date, NC Division of Water Resources (DWR) has advertised for applications, received applications, and is in the process of reviewing the projects. Once the projects have been vetted and approved by the review team, we will proceed to award funds, create contracts and disperse funds.

This report was prepared by Kevin Hart with the Division of Water Resources in the Department of Environment Quality. If you have questions about this report, please contact me by email at Kevin.Hart@ncdenr.gov or by phone at 919-707-3607.

Sincerely,
