SUBJECT: 2011 End-of-Year DHHS Blanket Bond Reconciliation

The Adult Services Section of the Division of Aging and Adult Services (DAAS) is responsible for management of the Department of Health and Human Services (DHHS) Blanket Bond for Disinterested Public Agent Guardians. As part of this responsibility, we are preparing for the 2011 annual accounting with the insurance carrier. This accounting requires that accurate information be submitted to the insurance carrier regarding the names of all wards represented by public agent guardians and the amount of each ward’s bond. It is important that our records be kept up-to-date to maintain valid coverage for each ward registered in the DHHS Blanket Bond system. In addition, the amount of the premium paid by DHHS for the total bond is based on the aggregate amount of bond for each ward. You are responsible for notifying DAAS of any changes in the status of each ward throughout the year.

Instructions for Obtaining “Wards by Agency Report”

With the assistance of your security officer, you can obtain your “Wards by Agency Report” directly from the DHHS Client Services Data Warehouse (CSDW).

Services staff should meet with the agency security officer to establish a collaborative plan for accessing the report. All social services and local management entity security officers already have access to the CSDW, which is found at http://www.csdw.dhhs.state.nc.us/. Please note that this website address takes you to “Client Services Data Warehouse Query Tool Using Business Objects XI R2.”

The “Wards by Agency Report” may be obtained by doing the following:

1. Click on “+” beside “Public Folders” on the left side of the screen.
2. Click on “+” beside “DHHS Main Document” on the left side of the screen.

3. Click on “+” beside “DAAS” on the left side of the screen.

4. Click on the folder beside “Guardianship” on the left side of the screen.

5. Click on “Active – Wards By Agency Report.”

6. You must respond to the following prompts:
   - “Agency Type Equal to:” – Highlight this prompt, then go to the lower right “Agency Type Equal to” text box. One by one, delete each unwanted agency type by highlighting it and clicking on the “Remove Selected Value(s)” button. This is the bottom double-arrow button to the left of the text box. When you have removed all unwanted agency types, only your agency type will appear in the highlighted “Agency Type Equal to:” prompt.
   - “Report Month Equal to:” – Highlight this prompt. Click on the “Refresh Values” button. Scroll down to the most recent date in the text box (should be 201112) and highlight it. Click on the “Add From List of Values” button. This is the top double-arrow button to the right of the text box. The report month you selected will then appear in the “Report Month Equal to:” prompt.

7. When you have the appropriate entries in the prompts, click on “Run Query” and your “Wards by Agency Report” will appear.

8. Print out a copy of the report.

Security officers who need additional assistance with the new CSDW system can contact csdwsupport@ncmail.net, or call (919) 855-3200 and choose Option 2.

**Making Changes and Updates to Your List of Wards**

When you obtain your printed copy of the “Wards by Agency Report”, please review the entries for accuracy, with particular attention paid to the following:

- Wards for whom you are no longer responsible and whose names should be deleted from your list.
- Wards for whom you are responsible but whose names are not on the list.
- Date of the guardianship appointment.
- Estate and bond coverage amounts listed for each ward.
- Date of birth for each ward.
- Name and title of the public agent guardian.
Please note that North Carolina General Statute 35A-1239 requires bond coverage for all disinterested public agents appointed to serve as guardians, whether they are appointed to serve as guardians of the person, estate or general guardians.

Please submit all changes and/or updates to your agency’s bond list on a DAAS-7016 (rev. 1/04) form. If there are no changes in the ward’s information, do not submit the form. A copy of the interactive form may be accessed at http://info.dhhs.state.nc.us/olm/forms/daa/DAAS-7016.pdf.

In addition to the wards being covered by DHHS Blanket Bond, we are also requesting that you complete the DAAS-7016 for wards who are covered by a private bond. Wards who are covered by a private bond are not included in the report submitted to the insurance carrier, but accurate data is essential when responding to the legislators. It is important that we maintain an accurate account of all active wards with public agent guardians. Please write “Private Bond” on Line 14 when completing the DAAS-7016.

All DAAS-7016 forms containing new information should be forwarded by mail or fax to:
