The NC Office of Rural Health Stakeholder Meetings

NC J-1 Visa Waiver and Provider Loan Repayment & Incentive Programs

The NC Office of Rural Health (ORH) is hosting several stakeholder meetings across NC to gather Stakeholder input regarding our [J-1 Visa Waiver program](#) and [NC's Loan Repayment and Incentive Programs](#). We need your help in shaping ORH programs to recruit and retain medical providers for rural and underserved areas in NC.

ORH's Loan Repayment programs include the [NC Loan Repayment \(NCLRP\)](#) and the [State Loan Repayment \(SLRP\)](#) programs. ORH incentive program includes the [High Needs Service Bonus \(HNSB\)](#). ORH administers each of these programs. At the meetings, ORH will review key priorities and requirements for each program.

The purpose of the stakeholder meetings is to gather information and feedback regarding the current processes and possible program modifications to ensure maximum benefits to rural NC communities. Attendance is welcome to any or multiple meetings regardless of location.
