

Walter B Jones Center

WBJ Center is a tobacco free facility. Staff, visitors, and patients are not allowed to use or possess any type of tobacco product, including E-cigarettes while in the facility or on the grounds of WBJ Center

What to Bring Checklist

All Patients being admitted to WBJ Center need to bring the following items:

- A list of all Prescription medication
- A list of all over the counter medication
- Medicaid / Medicare Care – if applicable
- TRICARE Card – if applicable
- Private / Commercial Insurance Card – if applicable
- Seven (7) sets of clothing appropriate to the weather (no more than this please)
- Comfortable walking shoes *without shoelaces* (recommend slip on/Velcro straps)
- Jacket/coat/raincoat/sweater/sweatshirt appropriate to the weather (no strings allowed)
- Phone card
- Personal hygiene items
 - Comb and/or brush

Patients may have personal funds. Since there are no snack /vending machines in patient areas, the need for personal funds during treatment is very limited. The Center has a cashier that can secure personal funds until discharge; the patient will have access to his/her account. **The Center does not cash checks or money orders. The Center does not provide transportation to any site to cash checks or money orders.**
