1.0 INTRODUCTION

In June 2018, the North Carolina Department of Health and Human Services’ (DHHS), Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMH/DD/SAS) was awarded a five-year (2018-2023) federal Food and Drug Administration (FDA) Tobacco Retail Inspection Contract to assist with compliance check inspections of retail establishments in North Carolina. Initially awarded in 2011, the DMH/DD/SAS has successfully managed FDA contracts for nearly a decade.

The North Carolina Department of Health and Human Services (DHHS), on behalf of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMH/DD/SAS), is soliciting applications from organizations (public, private non-profit, or private for-profit) to manage the statewide FDA inspection processes for the remainder of the existing contract which is 07/01/2021-06/30/2022 and 07/01/2022-06/14/2023.

1.1 PURPOSE

The Contractor will assist with monitoring FDA contract deliverables, and to hire staff that will conduct a total of 4,000 (3000 UB, 1000 A&L) federal tobacco inspections per the FDA protocols and procedures.

1.2 BACKGROUND

In accordance with the federal Family Smoking Prevention and Tobacco Control Act (P.L. 111-31), the NC FDA Tobacco Inspection Program enforces applicable provisions to restrict access to tobacco products for individuals under the age of 21 and assesses compliance with advertising and labeling requirements. While recent federal legislation increased the minimum age requirement to purchase tobacco products, North Carolina state law (N.C.G.S. §14-313) prohibits the sale of tobacco products to individuals under the age of 18. This distinction is important, as the federal mandate supersedes existing state law. Until the federal and state age requirements align, the NC DHHS-DMH/DD/SAS will ensure that FDA contract deliverables adhere to the federal mandate.

The objective of the NC FDA Tobacco Inspection Program is to gather data that allows the FDA to enforce the provisions of the Family Smoking Prevention and Tobacco Control Act, signed into law on June 22, 2009, by restricting youth access to tobacco products as well as assessing compliance with advertising and labeling requirements. NC DHHS has created a program plan that meets the requirements of the law while making it possible for DHHS to conduct FDA inspections across the state of North Carolina. The program is a multi-prong approach that engages local and state law enforcement agencies, inspectors, and underage purchasers to meet the objectives of the program.

2.0 ELIGIBILITY

For application consideration, applicants must possess the following qualifications:

1. Applicant must have a demonstrated presence and operations in North Carolina for a minimum of 1 year prior to proposal submission.

2. Applicants must have affiliation with a non-profit organization (e.g., an organization with 501c3 or NC non-profit status) and be able to receive federal funds.

3. Be a public, private non-profit, or private for-profit organization.

4. Successful management and/or oversight of a single state, federal contract with a preference on compliance and enforcement activities within the past 5 years, or a program similar in method.

5. Experience working with federal, state, and local government agencies.

6. Demonstrate the capacity to onboard full-time, part-time staff as well as be able to support extensive employee travel reimbursement and provide petty cash as needed.

7. Refusal of Funds from Tobacco entities. The applicant and/or its affiliate(s) agree that it shall not accept any grant or anything else of value from any tobacco or electronic vapor product manufacturer, distributor or related entity.

In no event shall such approval and action obligate the State to anyone other than the Contractor and the Contractor shall remain responsible for fulfillment of all contract obligations.

Beneficiaries: Except as herein specifically provided otherwise, this contract shall inure to the benefit of and be binding upon the parties hereto and their respective successors. It is expressly understood and agreed that the enforcement of the terms and conditions of this contract, and all rights of action relating to such enforcement, shall be strictly reserved to the Division and the named Contractor. Nothing contained in this document shall give or allow any claim or right of action whatsoever by any other third person. It is the express intention of the Division and Contractor that any such person or entity, other than the Division or the Contractor, receiving services or benefits under this contract shall be deemed an incidental beneficiary only.

Indemnity and Insurance

Indemnification: The Contractor agrees to indemnify and hold harmless the Division, the State of North Carolina, and any of their officers, agents and employees, from any claims of third parties arising out of any act or omission of the Contractor in connection with the performance of this contract.

Insurance: (a) During the term of the contract, the Contractor shall provide, at its sole cost and expense, commercial insurance of such types and with such terms and limits as may be reasonably associated with the contract. At a minimum, the Contractor shall provide and maintain the following coverage and limits:

(6) **Worker's Compensation Insurance**: The Contractor shall provide and maintain worker's compensation insurance, as required by the laws of the states in which its employees work, covering all of the Contractor's employees who are engaged in any work under the contract.

(7) **Employer's Liability Insurance**: The Contractor shall provide employer's liability insurance, with minimum limits of $500,000.00, covering all of the Contractor's employees who are engaged in any work under the contract.

(8) **Commercial General Liability Insurance**: The Contractor shall provide commercial general liability insurance on a comprehensive broad form on an occurrence basis with a minimum combined single limit of $1,000,000.00 for each occurrence.

(9) **Automobile Liability Insurance**: The Contractor shall provide automobile liability insurance with a combined single limit of $500,000.00 for bodily injury and property damage; a limit of $500,000.00 for uninsured/under insured motorist coverage; and a limit of $2,000.00 for medical payment coverage. The Contractor is not required to provide and maintain automobile liability insurance on any vehicle – owned, hired, or non-owned -- unless the vehicle is used in the performance of this contract.

(b) The insurance coverage minimums specified in subparagraph (a) are exclusive of defense costs.

(c) The Contractor understands and agrees that the insurance coverage minimums specified in subparagraph (a) are not limits, or caps, on the Contractor's liability or obligations under this contract.

(d) The Contractor may obtain a waiver of any one or more of the requirements in subparagraph (a) by...
demonstrating that it has insurance that provides protection that is equal to or greater than the coverage and limits specified in subparagraph (a). The Division shall be the sole judge of whether such a waiver should be granted.

(e) The Contractor may obtain a waiver of any one or more of the requirements in paragraph (a) by demonstrating that it is self-insured and that its self-insurance provides protection that is equal to or greater than the coverage and limits specified in subparagraph (a). The Division shall be the sole judge of whether such a waiver should be granted.

(f) Providing and maintaining the types and amounts of insurance or self-insurance specified in this paragraph is a material obligation of the Contractor and is of the essence of this contract.

(g) The Contractor shall only obtain insurance from companies that are authorized to provide such coverage and that are authorized by the Commissioner of Insurance to do business in the State of North Carolina. All such insurance shall meet all laws of the State of North Carolina.

(h) The Contractor shall comply at all times with all lawful terms and conditions of its insurance policies and all lawful requirements of its insurer.

(i) The Contractor shall require its subcontractors to comply with the requirements of this paragraph.

(j) The Contractor shall demonstrate its compliance with the requirements of this paragraph by submitting certificates of insurance, if requested, to the Division before the Contractor begins work under this contract.

In case of default by the Contractor, without limiting any other remedies for breach available to it, the Division may procure the contract services from other sources and hold the Contractor responsible for any excess cost occasioned thereby. The filing of a petition for bankruptcy by the Contractor shall be an act of default under this contract.

Waiver of Default: Waiver by the Division of any default or breach in compliance with the terms of this contract by the Contractor shall not be deemed a waiver of any subsequent default or breach and shall not be construed to be modification of the terms of this contract unless stated to be such in writing, signed by an authorized representative of the Department and the Contractor and attached to the contract.

Conflict of Interest Policy Example

The Board of Directors/Trustees or other governing persons, officers, employees or agents are to avoid any conflict of interest, even the appearance of a conflict of interest. The Organization's Board of Directors/Trustees or other governing body, officers, staff and agents are obligated to always act in the best interest of the organization. This obligation requires that any Board member or other governing person, officer, employee or agent, in the performance of Organization duties, seek only the furtherance of the Organization mission. At all times, Board members or other governing persons, officers, employees or agents, are prohibited from using their job title, the Organization's name or property, for private profit or benefit.

A. The Board members or other governing persons, officers, employees, or agents of the Organization should neither solicit nor accept gratuities, favors, or anything of monetary value from current or potential contractors/vendors, persons receiving benefits from the Organization or persons who may benefit from the actions of any Board member or other governing person, officer, employee or agent. This is not intended to preclude bona-fide Organization fund raising-activities.

B. A Board or other governing body member may, with the approval of Board or other governing body, receive honoraria for lectures and other such activities while not acting in any official capacity for the Organization. Officers may, with the approval of the Board or other governing body, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. If a Board or other governing body member, officer, employee or agent is acting in any official capacity, honoraria received in connection with activities relating to the Organization are to be paid to the Organization.

C. No Board member or other governing person, officer, employee, or agent of the Organization shall participate in the selection, award, or administration of a purchase or contract with a vendor where, to his knowledge, any of the following has a financial interest in that purchase or contract:
   1. The Board member or other governing person, officer, employee, or agent;
   2. Any member of their family by whole or half blood, step or personal relationship or relative-in-law;
   3. An organization in which any of the above is an officer, director, or employee;
   4. A person or organization with whom any of the above individuals is negotiating or has any arrangement concerning prospective employment or contracts.

D. Duty to Disclosure -- Any conflict of interest, potential conflict of interest, or the appearance of a conflict of interest is to be reported to the Board or other governing body or one’s supervisor immediately.

E. Board Action -- When a conflict of interest is relevant to a matter requiring action by the Board of Directors/Trustees or other governing body, the Board member or other governing person, officer, employee, or agent (person(s)) must disclose the existence of the conflict of interest and be given the opportunity to disclose all material facts to the Board and members of committees with governing board delegated powers considering the possible conflict of interest. After disclosure of all material facts, and after any discussion with the person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists. In addition, the person(s) shall not participate in the final deliberation or decision regarding the matter under consideration and shall leave the meeting during the discussion of and vote of the Board of Directors/Trustees or other governing body.

F. Violations of the Conflicts of Interest Policy -- If the Board of Directors/Trustees or other governing body has reasonable cause to believe a member, officer, employee or agent has failed to disclose actual or possible conflicts of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose. If, after hearing the person's response and after making further investigation as warranted by the circumstances, the Board of Directors/Trustees or other governing body determines the member, officer, employee or agent has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.
G. Record of Conflict -- The minutes of the governing board and all committees with board delegated powers shall contain:

1. The names of the persons who disclosed or otherwise were found to have an actual or possible conflict of interest, the nature of the conflict of interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.

CONFLICT OF INTEREST ACKNOWLEDGEMENT AND POLICY - INDIVIDUAL

A conflict of interest is a situation in which the individual and/or independent contractor has competing professional or personal interests (usually in a financial or economic nature). Such competing interests can make it difficult to fulfill his or her duties and responsibilities impartially. A conflict of interest exists even if no unethical or improper act results from it. A conflict of interest can create an appearance of impropriety that can undermine confidence in the person, profession, or court system.

As an independent contractor for the Department of Health and Human Services (DHHS) the contractor warrants and affirms the following:

His/her business is independent and that he/she markets his/her professional services to others, except to the extent necessary to avoid a conflict of interest.

The position is not used for financial gain beyond that received directly for this service nor will the work performed on this project create an appearance of a conflict of interest for me or a member of my family or others with whom I have business or other ties.

When a conflict of interest is identified, the contractor will disclose it in writing to the contract administrator listed on the contract.
