

NEW APPROACH, NEW RESULTS.

IPS | Supported Employment Program

NC DEPARTMENT OF HEALTH AND HUMAN SERVICES

Discover your career path

-  1 Identify your skills and career goals
-  2 Find a job with help from an employment specialist
-  3 Get the tools and support you need to keep your job and advance in employment

Recover your independence

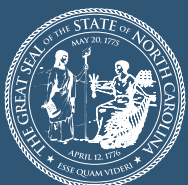

The IPS Supported Employment Program helps people with severe mental illness find competitive, community employment and provides ongoing, individualized support to help you succeed on the job.

Services include:

- Personalized counseling to understand how work may affect your benefits
- Ongoing treatment to help you manage medications, symptoms and other behavioral health needs
- Employment specialist and peer support to help you succeed on the job and advance professionally

If you have a mental illness that prevents you from working, talk to your VR counselor about IPS Supported Employment to help you find and keep the job of your choice.

IPS Supported Employment Program is an active collaboration between the Division of Vocational Rehabilitation Services, your local LME/MCO and the IPS Team.
