Dear Chairman:

Please find enclosed the Department of Health and Human Services ("Department") report pursuant to Section 12F.2.(c) of Session Law 2015-241. The information provided identifies Single Stream Fund expenditures by LME-MCO with a State average and benchmark for spending expectations for April 2017. The benchmark for the expected single stream funding expenditure for this portion of the fiscal year is 83% of the total annual allocation. The statewide average is 83.9% which is above the overall expectation for spending for services.

The graph for the report has been modified to demonstrate the individual LME-MCOs performance by month compared to static targeted expenditures expectations. The visual supports the historic explanation of spending trends across the fiscal year.

Should you have any questions, please contact Jason Vogler, Interim Director for the Division of Mental Health, Developmental Disabilities and Substance Abuse Services, at (919) 733-7011.

Sincerely,

Mandy Cohen, MD, MPH
Secretary
