Coronavirus (COVID-19) Information
EVERY PERSON ENTERING THE FACILITY MUST READ

<table>
<thead>
<tr>
<th>To keep the staff, children, and the community safe, please do not enter the building if:</th>
<th>Be aware, you are at higher risk if you are:</th>
</tr>
</thead>
<tbody>
<tr>
<td>✓ You have tested positive for COVID-19</td>
<td>✓ Age 65 years or older</td>
</tr>
<tr>
<td>✓ You or anyone in your household have been tested for COVID-19</td>
<td>✓ Pregnant (It is not yet known if pregnant women are high risk but pregnant women should protect themselves from all infectious diseases)</td>
</tr>
</tbody>
</table>
| ✓ You or anyone in your household think they could have COVID-19 | ...

...or if you or anyone in your household (including children) have one of these symptoms or have been in close contact with anyone with one of these symptoms:

- ✓ Cough
- ✓ Shortness of breath or difficulty breathing
- ✓ Fever
- ✓ Chills
- ✓ New loss of taste or smell
- ✓ Vomiting or diarrhea (children only)

If you have any of these symptoms, contact a health professional.

...or have any of these health conditions:

- ✓ Chronic illness such as lung disease or moderate to severe asthma
- ✓ Heart disease
- ✓ Immunocompromised, including those undergoing cancer treatment
- ✓ Severe obesity
- ✓ Diabetes
- ✓ Renal failure
- ✓ Liver disease

Staff concerned about being at risk should discuss with their supervisor.

For COVID-19 information in North Carolina, call 2-1-1 or 888-892-1162.
