Dear County Director of Social Services

Reference: OLM Updates

Chapter S - The OLM has been updated with information on recent changes that affect enrollment of military members/NCPs' children in DEERS to receive health care coverage. It is no longer a requirement for there to be a legal determination of paternity prior to enrollment of children for health care coverage.

Chapter T - Inquiring into Cases and Accounts: Changes in information available to CSE customers via the new Interactive Voice Response (IVR) system and to workers via ACTS Inquiry Functions II (13.01) include the deletion of information on past appointments and hearings. Financial information now identifies all payment methods as follows: check (CK), direct deposit (DD) and debit card (DC).

Chapter Y - Security/System Management: A new search option is added to the ACTS Inquiry worker that allows a search for an individual using only a name.

Chapter R - Two new child support Federal international reciprocal agreements. These agreements establish reciprocity with Finland and the United Kingdom (which includes England and Wales, Northern Ireland, and Scotland).

If you have any questions, please contact the Policy and Training Team (919) 255-3800.

Sincerely,

Judy McArn
Assistant Chief of Program Operations
