Dear County Director of Social Services

Reference: CSE Manual Change Notice

Effective May 15, the policy and procedures for reinstatement of passport privileges have been revised. Changes include the requirement that all arrearages be paid for reinstatement; transferring the authority to update the passport denial indicator in ACTS from local case managers to the Tax Intercept Unit, deletion of requirement for payment on the arrearages in certain emergency situations, establishment of the management review process for the NCP to contest the amount of arrears owed at certification and the amount currently owed and required to be paid to obtain a passport. Effective May 15, the CSE Manual will have the revised changes: Chapter P-Enforcement.

New forms needed for this process are available on the CSE Internal web page. The documents are now available through the CSE Internal Web Site at: http://cse.dhhs.state.nc.us/. After accessing the site, select the "Forms and Documents Page". Next select the folder, "Enforcement Forms and Documents". Next select the "Passport Denial/Reinstatement" folder.

Policy concerning payment arrangements for paternity testing has been clarified. It is strongly recommended that CSE agencies use State funds to pay the cost for paternity tests. See changes in Chapters I of the Child Support Manual.

If you have any questions, please contact Policy and Training Unit @ (919) 255-3800.

Sincerely,

Judy McArn
Assistant Chief of Program Operations
