Dear County Director of Social Services

Attention: Work First Administrators, Managers and Supervisors

Supervisors: Work First Participation Rates Webinar

The Division will conduct a Work First Webinar on July 12, 2018 from 1pm-3pm entitled “Understanding Work First Participation Rates and Strategies for Success.” This training will define the difference between the All-Family and the Two-Parent Participation Rates. Trainers will explain how the Work First Participation Rates are calculated, discuss participant hour requirements in federal countable activities, and explain case management strategies to increase participation rates. Trainers will also share several examples that will help counties understand how the participation rates can be impacted by federal requirements. Registration for the webinar can be completed by accessing the link below:
