Dear Patricia A. Jones:

There will be a new way to get Medicaid health care

Starting November 1, 2019, most people will get the same Medicaid services in a new way – through health insurance plans.

A health plan is a group of doctors, hospitals and other providers. They work together to give you the health care you need. Everything will come from the same plan. This includes physical health, mental health, and medicine. Some health plans provide added services like programs to help you quit smoking.

Some things will stay the same

Medicaid eligibility rules are not changing.

The people below will stay in NC Medicaid Direct

Beginning November 1, 2019, you will get your same Medicaid services through NC Medicaid Direct. It will provide the same services currently covered for developmental disability, mental illness, traumatic brain injury and substance use disorder.

You can choose a different health program

NC Medicaid Direct is not the only choice. Medicaid services will be provided from private health insurance plans. These private plans may not cover the same services for developmental disability, mental illness, traumatic brain injury or substance use disorder.

If you decide to choose a plan, there are 3 steps to enroll

① Choose a primary care provider (PCP)

- Your PCP could be your family doctor, clinic or other health care provider. Your PCP will help you with your health care needs. You can also choose a new PCP.
- Health plans work with different PCPs. To keep your doctor, clinic or other provider as your PCP, find out which plans they work with. Then choose one of those plans.
- You can ask your provider which plans they work with. Or you can call us at 1-833-870-5500 (TTY: 1-833-870-5588).
- You can also find a list of doctors and other specialists for each plan at ncmedicaidplans.gov.

② Choose a health plan in NC Medicaid Managed Care

- If you want to keep your provider as your PCP, choose a health plan your primary care provider works with.
- Read the Health Plan Comparison Chart that came with this letter. It tells you about the plans and added services they offer.
- Compare the plans and choose the best one for you.

③ Enroll in one of these ways

- Go to ncmedicaidplans.gov
- Use the NC Medicaid Managed Care mobile app. To get the free app, search for NC Medicaid Managed Care on Google Play or the App Store.
- Call us at 1-833-870-5500 (TTY: 1-833-870-5588)
- Mail the enrollment form in the envelope that came with this letter. Or fax it to 1-833-898-9655.
