Effective for 2015 cost report year, the Medicaid schedules for the Medicaid Cost Report and Medicaid PPS Reconciliation have been combined. The instructions identify if specific schedules apply only to Cost Settled Providers or PPS Providers.

Per the North Carolina State Plan, Attachment 4.19-B, Section 2 for RHC providers:

Providers who elected to be reimbursed in accordance to the cost-based methodology in effect on December 31, 2000, and who did not change their election prior to January 1, 2005 shall remain with that choice of cost-based reimbursement methodology. (Cost Settled Provider)

Effective for 2018 cost report year, North Carolina Health Choice reconciliation schedules have been added to the Medicaid cost report (DHB-5A & 9A).
November 1, 2018

Dear RHC Provider:

In accordance with the Medicaid Participation Agreement Paragraphs 6 and 7, RHC providers are required to file an annual year ending cost report with the Division of Health Benefits. Providers can access the cost reporting forms and instructions on-line at https://medicaid.ncdhhs.gov/providers/cost-reports-and-assessments/rural-health-clinicsfederally-qualified-health-centers-cost and select the appropriate cost report.

Your cost report is due by the end of the fifth month of the year ending service period. The following information must be submitted along with your original Medicaid RHC cost report:

- A full copy of your facility’s signed and certified Medicare cost report (CMS 222-17).
- A copy of your facility’s “crosswalk” working trial balance with sufficient detail to support the Medicare report.
- Supporting documentation and working papers including, but are not limited to, calculation of costs for the Medicare report.
- Supporting documentation and working papers including, but are not limited to, calculation of costs for the Medicaid report.
- Defined chart of accounts.
- Log of bad debts, if applicable.
- Log of pneumococcal and influenza vaccines administered to Medicaid beneficiaries above eighteen years old included on DHB-7. This log must include each beneficiary’s Medicaid ID number and birthdate.
- Financial Statements, audited or unaudited, at time of submission.
- List of all State and Federal grant revenues including the title of the grant and amount of revenues for the reporting period.

Please submit the above-referenced cost report and information to:

Warning: If you downloaded the Excel spreadsheet and are keying data into a worksheet, please remember you need only key data into the lightly shaded cells. Each worksheet contains formulas that process data only from the shaded cells and will not work correctly if you make entries in unshaded fields.

Note: Please follow the recommended sequence for completing your cost report schedules to assure the data flows correctly for all schedules.

1. Check appropriate box identifying the provider’s Medicaid Reimbursement Status.
   a. Providers must select PPS unless they are a provider who elected to be reimbursed in accordance to the cost-based methodology in effect on December 31, 2000, and who did not change their election prior to January 1, 2005; they shall remain with that choice of cost-based reimbursement methodology. (Cost Settled Provider)

2. Enter name, address, county and telephone number.

3. Enter cost reporting period. This period must coincide with the Medicare Cost Report.

4. Enter all NPI numbers (and Medicaid provider numbers) assigned to facility. If additional space is needed, attach a separate sheet with the additional NPI and Medicaid provider numbers. If no Medicaid Provider Number was assigned after 7/1/2013, enter only the NPI.

5. Check appropriate box identifying type of control.

6. Enter the individual we should contact to answer questions about the cost report schedules, including the person’s email address.

7. Enter the address we should mail all Medicaid settlements if different from the address of the facility in Item 1.

Certification Statement

Enter the full name of the facility and reporting period covered by the report.

Statement must be signed by officer or administrator of the facility after all schedules have been completed. The statement filed must have an original signature.
The purpose of this schedule is to compute Medicaid Core Cost based on the Medicare Cost Report and Medicaid visits from the provider records.

Columns 1 and 2 must be completed if the rate for Medicare Covered Visits is different between 2017 (Column 1) and 2018 (Column 2). Column 3 is total of Columns 1 and 2. Column 1 should be completed based on visits furnished during 2017. Column 2 should be completed based on visits furnished during 2018. If rate is the same for both periods, you may complete Column 2 covering the entire cost reporting period.

The rate is the Medicare settlement rate.

Line 1
Enter from the Medicare Cost Report, Worksheet C, Part I, Line 9, corresponding columns.

Line 2
Enter Medicaid covered visits for all Core Services (including Mental Health Services) from provider’s records.

Line 3
Compute total cost of all Core Services. Multiply Line 1 times Line 2.
COST OF OTHER AMBULATORY SERVICES - PAGE 3 / DHB-2 (Cost Settled and PPS)

The purpose of this schedule is to identify the cost of Ambulatory Services based on the Medicare Cost Report and compute overhead cost applicable to allowable Medicaid Ambulatory Services.

Line 1
Enter Cost of Other RHC Services excluding overhead from Medicare Cost Report, Worksheet A, Column 7, Line 86 less any cost for Health Check Coordinator. This amount must agree with the total of Lines 1a – 1h.

Identify the cost of the Ambulatory Services furnished by the facility. Each facility determines which Ambulatory Services it will furnish.

Line 1a
Worksheet A, Column 7, Line 75 of the Medicare Cost Report.

Line 1b
Worksheet A, Column 7, Line 76 of the Medicare Cost Report.

Line 1c
Worksheet A, Column 7 of the Medicare Cost Report. Cost of Health Check (formerly EPSDT) Services (*Compensation and fringe benefits of Physician, Nurse Practitioner, or Physician’s Assistant and Other) identified by the facility which would be included on Worksheet A, Column 7, Lines 77-81.

Line 1d
Worksheet A, Column 7 of the Medicare Cost Report. Cost of on-site Radiology Services identified by the facility which would be included on Worksheet A, Column 7, Lines 77-81.

Line 1e
Worksheet A, Column 7 of the Medicare Cost Report. Cost of Norplant Services (*Compensation and fringe benefits of Physicians) identified by the facility which would be included on Worksheet A, Column 7, Lines 77-81.

Line 1f

Line 1g
No entry required on this line. Enter total cost of Health Check Coordinator on schedule DHB- 4, Line 1g, Column 4.

Line 1h
Worksheet A, Column 7 of the Medicare Cost Report. Cost of Other Medicaid covered services identified by the facility which would be included on Worksheet A, Column 7, Lines 77-81.

*This is not an all-inclusive identification of costs which may be applicable to this service.
Line 2
Enter cost of all services excluding overhead from Medicare Cost Report, Worksheet B, Line 14.

Line 3
Enter percentage of Other RHC Services. Divide Line 1 by Line 2.

Line 4

Line 5
Compute Overhead applicable to Other RHC Services. Multiply Line 3 times Line 4. Transfer amount to Schedule DHB-3, Column 2, Line 3.
ALLOCATION OF OVERHEAD COST - PAGE 4 / DHB-3 (Cost Settled and PPS)

The purpose of this schedule is to allocate overhead costs to each ambulatory cost center and compute the average cost per encounter or unit of service.

Column 2  
Lines 1a – 1h  
Transfer costs from Schedule DHB-2 / Page 3 to the corresponding cost center.

Line 2  
Total of Lines 1a - 1h.

Line 3  
Enter overhead cost from Schedule DHB-2 / Page 3, Line 5.

Line 4  
Divide Line 3 by Line 2. Round this amount to the fifth decimal place (0.00000).

Column 3  
Line 1a  
Multiply Unit Cost Multiplier (Column 2, Line 4) times Pharmacy Cost (Column 2, Line 1a) and enter amount on Line 1a.

Line 1b  
Multiply Unit Cost Multiplier (Column 2, Line 4) times Dental Cost (Column 2, Line 1b) and enter amount on Line 1b.

Line 1c  
Multiply Unit Cost Multiplier (Column 2, Line 4) times Health Check (formerly EPSDT) Cost (Column 2, Line 1c) and enter amount on Line 1c.

Line 1d  
Multiply Unit Cost Multiplier (Column 2, Line 4) times Radiology Services Cost (Column 2, Line 1d) and enter amount on Line 1d.

Line 1e  
Multiply Unit Cost Multiplier (Column 2, Line 4) times Norplant Services Cost (Column 2, Line 1e) and enter amount on Line 1e.

Line 1f  
Multiply Unit Cost Multiplier (Column 2, Line 4) times Physician Hospital Services Cost (Column 2, Line 1f) and enter amount on Line 1f.

Line 1g  
No entry required on this line. Enter total cost of Health Check Coordinator on schedule DHB-4, Line 1g, column 4.
