

The **Be Smart** Family Planning Program reduces unintended pregnancies and improves the well-being of children and families in North Carolina.

### Family Planning Can Help You Have a Better Life.

- Helps you to decide when or if to have a baby.
- Helps you plan a healthier pregnancy and birth.
- Allows parents to better provide for their family, both financially and emotionally.
- Allows more time and attention for your children.

### The North Carolina **Be Smart** Program:

- Provides family planning and birth control;
- Is free – there is no cost for the services;
- Is voluntary; and
- Is confidential.

### Who Can I Call If I Have Questions?

You can call your local Department of Social Services office or your local county Health Department at the number listed online.
