Re: Medicaid Program Representative Temporary Assignments

Dear County Director of Social Services:

Four Medicaid Program Representatives, Regina Massey, Joyce Fritts, Beverly Lamb, and Valerie Sutton, will be working with the NCFAST project in Raleigh from January 30, 2012 through March 31, 2012. Technical assistance will be provided by other MPRs during this time period. Their phone numbers and email addresses are available on the DMA website at <http://www.ncdhhs.gov/dma/county/mprcontact.pdf>.

Listed below are the MPR temporary assignments. We ask the Income Maintenance Directors and Medicaid/NCHC Supervisors for those counties to ensure that calls and inquiries are directed to the assigned MPR unless their on-line schedule or voice mail indicates they are unavailable. As always, should the assigned MPR be on leave or unavailable, you may contact another MPR for assistance.
