Physician Fee Schedule
Provider Specialty 001
Physician Services

The inclusion of a rate on this table does not guarantee that a service is covered. Please refer to the Medicaid Billing Guide and the Medicaid and Health Choice Clinical Policies on the DMA Web Site.

Providers should always bill their usual and customary charges. Please use the monthly NC Medicaid Bulletins for additions, changes, and deletion to this schedule.

Physician Fee Schedule
Provider Specialty 001
Physician Services

The inclusion of a rate on this table does not guarantee that a service is covered. Please refer to the Medicaid Billing Guide and the Medicaid and Health Choice Clinical Policies on the DMA Web Site.

Providers should always bill their usual and customary charges. Please use the monthly NC Medicaid Bulletins for additions, changes, and deletion to this schedule.

Physician Fee Schedule
Provider Specialty 001
Physician Services

The inclusion of a rate on this table does not guarantee that a service is covered. Please refer to the Medicaid Billing Guide and the Medicaid and Health Choice Clinical Policies on the DMA Web Site.

Providers should always bill their usual and customary charges. Please use the monthly NC Medicaid Bulletins for additions, change and deletion to this schedule.

Physician Fee Schedule  
Provider Specialty 001  
Physician Services

The inclusion of a rate on this table does not guarantee that a service is covered. Please refer to the Medicaid Billing Guide and the Medicaid and Health Choice Clinical Policies on the DMA Web Site.

Providers should always bill their usual and customary charges. Please use the monthly NC Medicaid Bulletins for additions, changes and deletions to this schedule.

Physician Fee Schedule  
Provider Specialty 001  
Physician Services

The inclusion of a rate on this table does not guarantee that a service is covered. Please refer to the Medicaid Billing Guide and the Medicaid and Health Choice Clinical Policies on the DMA Web Site.

Providers should always bill their usual and customary charges. Please use the monthly NC Medicaid Bulletins for additions, change and deletion to this schedule.

Physician Fee Schedule
Provider Specialty 001
Physician Services

The inclusion of a rate on this table does not guarantee that a service is covered. Please refer to the Medicaid Billing Guide and the Medicaid and Health Choice Clinical Policies on the DMA Web Site.

Providers should always bill their usual and customary charges. Please use the monthly NC Medicaid Bulletins for additions, changes and deletion to this schedule.

Physician Fee Schedule
Provider Specialty 001
Physician Services

The inclusion of a rate on this table does not guarantee that a service is covered. Please refer to the Medicaid Billing Guide and the Medicaid and Health Choice Clinical Policies on the DMA Web Site.

Providers should always bill their usual and customary charges. Please use the monthly NC Medicaid Bulletins for additions, change, and deletion to this schedule.

</table>
The inclusion of a rate on this table does not guarantee that a service is covered. Please refer to the Medicaid Billing Guide and the Medicaid and Health Choice Clinical Policies on the DMA Web Site.

Providers should always bill their usual and customary charges. Please use the monthly NC Medicaid Bulletins for additions, changes, and deletions to this schedule.
