Accessing State medical, food and nutrition services now available in Spanish!

The ePASS site now has seamless operability across mobile platforms.

New features include:

• Spanish translation available for information and full application process
• Improved look and feel making navigation easier
• Optimized for use on mobile devices
• Fewer questions capture the same information – so you can finish faster
• Expandable/collapsible sections allow you to find answers you seek – and skip what is not relevant to you
• Personalized dashboards with important account information and notifications
• Guidance placed throughout the site based on frequently asked questions
• Ability to attach documents easily
• Links to relevant program information
• Links to paper applications and voter registration
• Timely program announcements

Avoid the line – apply online.

Use the new, simplified ePASS app to get the services your family needs.
