1 YEAR
MFP PARTICIPATION ENDS
No impact on waiver services

3 MONTHS
Objectives:

- Increase the use of home and community-based, rather than institutional, long-term care services
- Eliminate barriers or mechanisms, whether in state law, the state Medicaid plan, the state budget, or other obstacles which prevent or restrict the flexible use of Medicaid funds to enable Medicaid-eligible individuals to receive support for appropriate and necessary long-term services in the settings of their choice
- Increase the ability of the state Medicaid program to assure continued provision of home and community-based long-term care services to eligible individuals who choose to transition from an institution to a community setting
- Ensure strategies and procedures are in place to provide quality assurance for eligible individuals receiving Medicaid home and community-based long-term care services and to provide for continuous quality improvement for such services
