

Segment #	Category Name	Description
10	Live Plant & Animal Material, Accs & Supp	Live, wild and domesticated, seeds and plants and animals. This segment also includes materials and equipment used in the care, containment and feeding of live plants and animals.
11	Mineral, Textile, Inedible Plant & Animal Matls	Unprocessed materials such as stone, soil and ores, refined base or precious metals, inedible plant, forestry and animal materials as well as natural or synthetic fibers and cloth, leather and animal skins, scrap and waste materials.
12	Chemicals including Bio Chemicals & Gas Matls	Inorganic and organic chemicals and compounds in solid, liquid or gaseous form used in an industrial or manufacturing process
13	Resin,Rosin,Rubber,Foam,Film & Elastomeric Matls	Rubber and plastic material, including elastomers that are used in manufacturing and construction
14	Paper Matls & Products	Paper used for commercial printing, forms, envelopes, reprographics, and tablets as well as value-added papers which feature special surface treatments, color, chemicals, or fiber content that meet specific needs.
15	Fuels,Fuel Additive,Lubricant&Anti Corrosive Matls	Natural gases & processed items used to make heat or power enhanced additives & to reduce friction & wear if introduced as a film between solid surfaces. Able to reduce, prevent corrosion of metallic surfaces & petroleum-based & synthetic waxes & jellies.
20	Mining & Well Drilling Machine & Accs	The machines and accessories necessary to burrow beneath the earth's surface or related processes for obtaining a natural element.
21	Farming,Fishing, Forestry &Wildlife Machine & Accs	Machines and accessories necessary to cultivate and preserve soil, trees, plants as well as those necessary for breeding of animals.
22	Building & Construction Machine & Accs	The machines and accessories used in support of the construction, repair and maintenance of structures and roads.
23	Industrial Manufacture & Process Machine & Accs	The machines and accessories necessary to manufacture or process products or Comptents. Machinery and equipment for manufacturing and processing of food and beverages, textile, leathers and fabrics and, lapidary equipment
24	Matl Handling,Condition,Storage Machine Acc & Supp	The machines, accessories, and supplies necessary for material conveyance, lifting, rotating, tilting and turning and the safekeeping of goods in a depository such as a warehouse
25	Commercial, Military&Private Vehicles & Accs&Compt	Vehicles used in conveyance of persons or materials, like automobiles & space, marine, & powered air craft, motorized cycles & rail bound vehicles, recreational & non-motorized craft. Things and systems used to repair, maintain & support these vehicles.
26	Power Generation&Distribution Machine & Accs	Machine to convert forms of energy into mechanical force & create electricity. Ability to transmit power from engine to actuator & systems & items for the distribution of electrical, mechanical energy like motors, generators, transformers & transmissions.
27	Tools & General Machine	Hand held devices as well as small or multipurpose pneumatic, hydraulic, mechanical, electrical or electronically operated devices used in the manufacture, repair and maintenance of products.
30	Structure,Building,Construct&Manufact Compt & Supp	Comptents & systems used in the construction, repair & maintenance of structures & roads. Structural shapes, prefabricated structures, interior & exterior finishing products, electrical & plumbing fixtures like lumber, building Comptents & concrete.
31	Manufacturing Compts & Supp	Supplies for manufacturing & construction. Castings, forgings & extrusions, fasteners, bearings, bushings, industrial wheels, sprockets, gears, gaskets, seals & springs. Abrasives, industrial adhesives, sealants & solvents, paint, primer, finishes & dyes.
32	Electronic Compts & Supp	Electronic Comptents used (or consumed) in the manufacturing and maintenance of electronic or electro-mechanical devices and systems. Commodities like semiconductors, integrated circuits, circuit card assemblies and light emitting diodes.
39	Electric Systems,Lighting&Compt & Accs & Supp	Lighting fixtures and electrical Comptents and supplies.
40	Distribution & Conditioning System & Equip & Compt	Systems, devices and Comptents used to control the movement or conditioning of air, gases or fluids. Equipment and Comptents used in plumbing, air cooling or heating (HVAC).
41	Laboratory & Measuring & Observing & Testing Equip	The machines, equipment and tools used in laboratories, as well as measuring, observing and testing equipment
42	Medical Equip & Accs & Supp	Tools and machines, accessories and consumable supplies used by physicians or those in the practice of medicine or related fields. Assistive and corrective devices for people with disabilities. Medical equipment and supplies for animals.
43	Info Technology Broadcasting & Telecommunications	Communications and computer equipment as well as peripheral input, output and storage devices. This segment also includes networking equipment and general computer Comptents and supplies such as printers, electronic storage media and connection cables.
44	Office Equip & Accs & Supp	Office machines, equipment, accessories & supplies used in the clerical and admin function of a business. Such as calculating, copying and mail handling equipment as well as drafting and stationary supplies and accessories like instrument desk organizers.
45	Printing,Photographic, Audio & Visual Equip & Supp	Photographic film, plates & paper, cameras, lenses & accessories, microfilm equipment, photographic studio equipment, photographic chemicals and supplies as well as printing industry equipment and supplies such as inks and washes.
46	Defense Law Enforcemnt Security&Safety Equip&Supp	Equipment and supplies used in defense, law enforcement and security. Equipment and supplies for personal safety.
47	Cleaning Equip & Supp	The equipment and supplies used in environmental protection and wastewater management as well as in the cleaning of offices and lavatories. Commercial laundry and dry cleaning equipment.
48	Service Industry Machine & Equip & Supp	Machinery and equipment used in a wide range of retail business service environments such as food service, banking, games and entertainment and other consumer goods and services
49	Sports & Recreational Equip & Supp & Accs	Equipment, supplies and accessories used in recreational activities such as sports, camping, hobbies, recreational fishing and hunting. Playground, fitness and spa equipment are also found here, as are collectibles (such as antiques) and awards.
50	Food Beverage & Tobacco Products	Human food and beverages as well as condiments, colorings, flavorings and preservatives used in the preparation of food or beverages. Plant extracts, mineral supplements and vitamins for human consumption.
51	Drugs & Pharmaceutical Products	Natural or synthetic materials and compounds used in the prevention or treatment of disease in humans.
52	Domestic Appliances, Supp & Consumer Elect Prods	Floor coverings, bedclothes, table and kitchen linen, towels, window treatments, domestic appliances, consumer electronics and kitchenware.
53	Apparel & Luggage & Personal Care Products	Non-industrial clothing, garments shoes or boots and accessories as well as briefcases, suitcases, trunks and travel accessories. Articles or preparations used in personal hygiene and personal care
54	Timepieces & Jewelry & Gemstone Products	Portable and stand-alone timepieces, cosmetic and fine jewelry (often set with gems) worn for personal adornment as well as and precious, semiprecious, or synthetic stones.
55	Published Products	published copyright material such as software, music, books, magazines, and newspapers, in print or electronic form.
56	Furniture & Furnishings	Furniture used in domestic as well as office or business settings. Additionally, furniture of the sort often found in schools or libraries is included here. Last, institutional furniture is included here as well.
60	Music Insts, Games,Toys, Arts, Edu, Equip & Supps	Teaching aids used in both school and home settings; educational items such as decorative supplies seen in school settings; and arts and crafts equipment and supply items. Musical instruments and accessories are such as puzzles, toys and games.
64	Financial Instrums, Products, Contracts& Agreement	Financial instruments and products arising from contractual agreements of a financial nature.
70	Farm,Fishing,Forestry & Wildlife Contracting SVC	Services associated with the production, management and protection of plants, soil and land resources as well as those related to the breeding of animals and services related to wildlife.
71	Mining & Oil & Gas SVC	The mining and oil and gas industries.
72	Building & Facility Construction & Maintenance SVC	Services associated with the construction and maintenance of facilities, buildings, structures, roads and infrastructure.Trades such as general contractors, electricians, plumbers, carpenters, painters, and roofing, landscaping, gardening & pest control.
73	Industrial Production & Manufacturing SVC	Contracted services associated with industrial and manufacturing processes.
76	Industrial Cleaning SVC	Services associated with wastewater management. This segment also includes industrial cleaning services such as building site cleanup or janitorial services.
77	Environmental SVC	Services associated with environmental protection and management as well as environmental science and technology. This segment also includes pollution control.
78	Transportation & Storage & Mail SVC	Services associated with cargo and personal transportation.
80	Management & Business Professionals & Admin SVC	Services associated with the management and administrative functions of an organization or business. This segment also includes business administration, human resources, marketing, management consulting, legal, and real estate services

81	Engineering, Research & Technology Based SVC	Services associated with professional engineering, information and computer technology, economic analysis, and manufacturing production planning and control as well as cartographic, weather forecasting, and other earth science services.
82	Editorial & Design & Graphic & Fine Art SVC	Services associated with print and broadcast media such as editorial, advertising and public relations as well as graphic and fine art.
83	Public Utilities & Public Sector Related SVC	Services associated with the supply of power and water, provision, management or enhancement of voice or data communications such as postal, telex, fax and telephone charges. The cable and satellite television, installation and service charges.
84	Financial & Insurance SVC	Services associated with finance, banking, investing and insurance. Included in this section are escrow services.
85	Healthcare SVC	Services associated with research and delivery of healthcare. Traditional and alternative healthcare professionals such as doctors, nurses, and therapists as well as services related to alternative medicine. Hospitals, clinics, lab services & pharmacists.
86	Education & Training SVC	Services associated with the supply of information leading to a reasoned understanding of a science, art, or technique. Formal instruction or supervised practice especially in a skill, trade or profession.
90	Travel and Food and Lodging and Entertainment SVC	Services associated with tourism, travel or entertainment. Provided by restaurants, hotels, movie theaters, cinemas and sporting events as well as spas, fitness and health clubs
91	Personal & Domestic SVC	Services associated with personal care and assistance such as domestic service and day and elderly care providers as well as hairdressers, manicurists, and pedicurists.
92	National Defense,Public Order,Security& Safety SVC	Services associated with the maintenance of law and order as well as personal safety and property protection. Military service and fire fighting services.
