Contract Covers	This contract is intended to cover the state's normal requirements for medical products from awarded vendors through the MMCAP Infuse cooperative purchasing agreement. Awarded vendors distribute medical products, supplies, services, equipment and other non-pharmacy products. For complete contract details and vendor contact information, see the MMCAP Infuse website .
Contract Does Not Cover	This contract does not cover vaccines, prescription drugs and OTC items that are included in the portfolio of products in the pharmaceutical contract (STC 269A), or other products offered under existing Statewide Term Contracts.
MMCAP Application	To use this contract, agencies <u>MUST</u> be a registered MMCAP Infuse Participating Member Facility. If you are not currently a registered MMCAP Infuse Participating Facility, please complete the MMCAP Infuse Member Application and email it to the P&C Contract Administrator listed below. Contact the P&C Contract Administrator if you have questions and/or are unsure about your agency's membership status.
Mandatory Contract	This is a mandatory Statewide Term Contract for state agencies, departments, institutions, universities and community colleges, unless exempted by North Carolina General Statute. Non-mandatory entities, including schools and local government, may use this contract if allowed by general statute.
Return Policy	Returned goods policies are set forth in the contract documents on the MMCAP Infuse website and are available from the awarded vendors upon request.
Taxes	Prices do not include North Carolina sales or use tax.
Order Placement	Orders are to be placed directly with the vendor(s); contact the vendor(s) directly for product ordering procedures for orders placed outside of NC E-Procurement.
Substitutions	Vendors will not in any way cause, condone, or encourage the substitution of an MMCAP Infuse Participating Facility-ordered product without the approval of the ordering entity.

Loaded into E-Procurement	Partial, additional punch-out/line item catalogs will be loaded to E-Procurement in the near future
