**Mandatory Contract**

This is a mandatory Statewide Term Contract for state agencies, departments, institutions, universities, and community colleges – unless exempted by the North Carolina General Statute. Non-mandatory entities, including schools and local government, may use this contract if allowed by general statute.

**Minimum Order**

One unit.

**Service, Warranty, Discount/Volume Discounts & Shipping/Delivery Information**

1. **Vendor Information, Service, Warranty, & Discount/Volume Discounts**
   a. Access the [vendor information, service, & discounts](#) link to obtain information regarding these subjects.
   b. Contact Vendor concerning specific equipment warranty information.
   c. For volume discount Items; entities will create non-catalog orders.

2. **Shipping/Delivery Information**
   a. Access the link in 2a above to determine the number of expected delivery days.
   b. **FOB Destination**
   c. A twenty-four-hour prior delivery notice shall be provided by the Vendor.

**Fire Extinguishers, Back-Up Alarms & Strobe Lights**

Fire extinguishers, back-up alarms and strobe lights are required by all state agencies, community colleges, and universities and any additional user of the construction equipment contract.

**Price Lists & Catalogs**

The Vendor must furnish descriptive literature, MSRP for options and implements to any agency within **seven (7) consecutive days** after request of the agency. However, if available, in lieu of providing hard copy descriptive literature, this information may be provided electronically through the specific web address at which the literature may be found.
Quality Assurance
Inspections
• Inspections can be requested from any state entity including all state agencies, community colleges, universities and local government units.
• Inspections are required for any piece of equipment. The inspection is conducted by P&C only if equipment cost is greater than $15,000.00.

Warranty
The Vendor guarantees items offered to be free from any and all defects in material, packaging, and workmanship and agrees to replace defective items promptly at no charge to the state, for a period of as stated in the Vendor standard warranty information.

Training
Upon delivery, training is required, and the successful Vendor shall provide a qualified representative to instruct the owner's operators on the proper operation, routine maintenance, safety and service.

Substitutions
Substitutions are not permitted without prior approval of the Division of Purchase & Contract.

Loaded into E-Procurement
Yes. Catalogs will be loaded in E-Procurement.
