Upon mutual agreement by both parties, the parties may extend this Contract beyond the original contract period. For the avoidance of doubt, in the event either party wishes to extend this Contract in accordance with the foregoing sentence and the parties cannot mutually agree on pricing terms for the extended term prior to the expiration of the then-current term, the Contract shall terminate upon the expiration of the then-current term.

(d) Price Adjustments:
Prices for the Services listed in Exhibit B shall remain unchanged for twenty-four (24) months following the Effective Date of the Contract. In the event the Lead State elects to exercise its right to extend the Contract for either or both of the two optional one-year periods, the Lead State shall provide Contractor not less than ninety (90) days’ advance written notice of its intent to do so. Contractor shall, within thirty (30) days following receipt of such notice, deliver to the Lead State any adjustments to the prices for the Services listed in Exhibit B that it may propose. The parties shall then have thirty (30) days within which to reach agreement on such adjustments, if any, and in the event the parties are unable to do so either party shall have the right to terminate the Contract at the expiration of the initial term or the expiration of the first optional extended term, as the case may be.

Notwithstanding the foregoing, the Contractor shall have the right to request a price adjustment during the thirty (30) days immediately preceding the annual anniversary dates of the Effective Date of the Contract during the term of the Contract or any extension. During this thirty (30) day period, the Contractor may submit a request in writing to DAS for a price adjustment that is consistent with and relative to price changes originating with and compelled by manufacturer and/or market trends and which changes are outside of the Contractor’s control. The Contractor must fully document its request, attaching to the request, without limitation, such manufacturer and/or market data, as support for the requested adjustment. DAS shall act in good faith and in a commercially reasonable manner in determining whether to approve or disapprove the requested adjustment, in whole or in part. Any approved adjustment shall be final and shall remain unchanged until the next annual anniversary date of the Effective Date.

The Contractor shall submit all requests in accordance with Section #36, Notice. A request made to any entity other than DAS shall not be valid and the parties shall treat it as if the Contractor had not made the request at all. A request made to an entity other than DAS shall not be considered timely and shall not toll or extend the running of the thirty (30) days. The right of the Contractor to request a particular manufacturer- or market-based price adjustment shall lapse upon the expiration of the applicable thirty (30) days. If the Contractor fails to make a timely request, then the price shall remain unchanged from the previous year and shall continue through the next succeeding twelve (12) months and until the next annual anniversary of the Effective Date. If approved, price adjustments shall become effective ten (10) days after the date of the approval. The Contractor shall honor any reservations made prior to the effective date of the approval at the price in effect at the time of the reservation.

5. Reserved.

6. Participants; Purchase Order and Delivery. This Contract binds the Contractor to furnish and deliver to Purchasing Entities Services in accordance with Exhibit A and at the prices set forth in Exhibit B.

(a) Contractor may not deliver Services under this Contract until the Participating Entity and Contractor execute a mutually acceptable Participating Addendum and the Purchasing Entity has issued a Purchase Order and made a reservation for a vehicle rental.

(b) Intentionally Omitted.

(c) Intentionally Omitted.

(d) Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor shall become familiar with the Purchasing Entities’ rules, policies and procedures.
(e) The Contract is applicable to any Purchase Order by a Purchasing Entity, except to the extent altered, modified, supplemented or amended by a Participating Addendum applicable to the Purchasing Entity. Any alterations, modifications, supplements or amendments to the Contract must be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the Purchase Order used by the Purchasing Entity to place the Purchase Order. Such alterations, modifications, supplements or amendments apply only to the Participating Entity signing the Participating Addendum and the Participating Entities or Purchasing Entities renting box trucks under said Participating Addendum.

(f) Use of this Contract by State agencies, political subdivisions and other Participating Entities authorized by an individual State’s statutes to use State contracts are subject to the approval of the respective State’s chief procurement official. Subject to applicable laws, issues of interpretation and eligibility for participation are solely within the authority of the respective State’s chief procurement official.

(g) Obligations under this Contract are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating States are limited to the box truck rentals by the departments or other State agencies and institutions having available funds. Participating States incur no financial obligations on behalf of other Purchasing Entities. Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@NASPOValuePoint.org to support documentation of participation and posting in appropriate data bases.

(h) State Participating Addenda or other Participating Addenda shall not be construed to amend the terms of this Contract between the Lead State and Contractor.

(i) Entities who are not a State may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the chief procurement official of the State where the Participating Entity is located (or such other approval as may be required by law). Requesting entities shall coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the requesting entity. Prior to executing a Participating Addendum, each entity must ensure that it has the requisite procurement authority to execute a Participating Addendum.

   No amendment to or modification or other alteration of the Contract shall be valid or binding upon the parties unless made in writing, signed by DAS and the Contractor and, if applicable, approved by the Connecticut Attorney General.

8. Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of DAS. DAS may void any purported assignment in violation of this section and declare the Contractor in breach of Contract. Any Termination by DAS for a breach is without prejudice to DAS’s or the Lead State’s rights or possible Claims.

   (a) Notwithstanding any provisions in this Contract, the Participating Entity, through a duly authorized employee, may terminate its Participating Addendum whenever Participating Entity makes a written determination that such termination is in the best interests of the Purchasing Entity. The Participating Entity shall notify the Contractor in writing of termination pursuant to this section,
which notice shall specify the effective date of termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.

(b) Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may terminate the Contract whenever DAS makes a written determination that such Termination is in the best interests of the Lead State. DAS shall notify the Contractor in writing of termination pursuant to this section, which notice shall specify the effective date of termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.

(c) Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, terminate the Contract in accordance with the provisions in the Breach section of this Contract.

(d) DAS shall send the notice of termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to DAS for purposes of Notices hereunder, or by hand delivery. Upon receiving the notice from DAS, the Contractor shall immediately discontinue all services not being performed under outstanding Purchase Orders that are affected in accordance with the notice, undertake all commercially reasonable efforts to mitigate any losses or damages, and deliver to the Purchasing Entity all Records belonging to the Purchasing Entity no later than thirty (30) days after the termination of the Contract or fifteen (15) days after the Contractor receives a written request from either DAS or the Purchasing Entity for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.

(e) Upon receipt of a written notice of termination from DAS, a Participating Entity or a Purchasing Entity, as applicable, the Contractor shall cease rentals to the applicable Purchasing Entity(ies) as terminating entity directs in the notice, and take all actions that are necessary or appropriate, or that the terminating entity may reasonably direct, for the protection, and preservation of the any Records or other property belonging to DAS or the Purchasing Entity, as applicable. Except for any work which the terminating entity directs the Contractor to Perform in the notice prior to the effective date of termination, and except as otherwise provided in the notice, the Contractor shall cease renting box trucks hereunder.

(f) The Purchasing Entity shall, within forty-five (45) days of the effective date of termination, reimburse the Contractor for its Performance rendered and accepted by the Purchasing Entity in accordance with Exhibit A, in addition to all actual and reasonable costs incurred after termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Purchasing Entity is not obligated to tender to the Contractor any payments for anticipated or lost profits.

(g) For breach or violation of any of the provisions in the section concerning Representations and Warranties, DAS may terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.

(h) Upon termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.

(i) Termination of the Contract pursuant to this section shall not be deemed to be a breach of contract by DAS.
10. **Cost Modifications.** The parties may agree to a reduction in the cost of the Contract at any time during which the Contract is in effect. Without intending to impose a limitation on the nature of the reduction, the reduction may be to hourly, staffing or unit costs, the total cost of the Contract or the reduction may take such other form as the Lead State deems to be necessary or appropriate.

11. **Breach.**

   (a) If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of such breach to the breaching party and afford the breaching party an opportunity to cure the breach within ten (10) days from the date that the breaching party receives such notice. Any other time provided for in the notice shall trump such ten (10) days. Such right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective Contract termination date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the termination date, no further action shall be required of any party to effect the termination as of the stated date. If the notice does not set forth an effective Contract termination date, then the non-breaching party may terminate the Contract by giving the breaching party no less than twenty four (24) hours' prior written notice following expiration, without cure, of the right to cure period.

   (b) If DAS believes that the Contractor has not performed according to the Contract, a Purchasing Entity of the State of Connecticut may withhold payment in whole or in part pending resolution of the Performance issue, provided that DAS notifies the Contractor in writing prior to the date that the payment would have been due.

   (c) With respect to breach of any Participating Addendum or Purchase Order issued by Purchasing Entities not part of the State of Connecticut, such Participating Entity or Purchasing Entity shall follow the procedures in paragraph 10(a) above. The Purchasing Entity may withhold payment in whole or in part pending resolution of the Performance issue, provided that the Purchasing Entity notifies the Contractor in writing prior to the date that the payment would have been due.

12. **Waiver.**

   (a) No waiver of any breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity.

   (b) A party’s or Purchasing Entity’s failure to insist on strict performance of any provision of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of Performance and shall not be deemed to be a waiver of any other rights, remedies or breach, or of any subsequent rights, remedies or breach.

13. **Intentionally Omitted.**

14. **Purchase Orders.**

   (a) The Contract itself is not an authorization for the Contractor to begin Performance in any way. The Contractor may begin Performance only after it has received a duly issued Purchase Order against the Contract for Performance.

   (b) Contract and Purchase Order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices and on all correspondence.
(c) All Purchase Orders pursuant to this Contract must be in writing and, at a minimum, shall include:

1. The services or supplies being delivered;
2. The place and requested time of delivery;
3. A billing address;
4. The name, phone number, and address of the Purchasing Entity representative;
5. The price per hour or other pricing elements consistent with this Contract and the contractor’s proposal;
6. A ceiling amount of the order for services being ordered; and

(d) All communications concerning administration of Purchase Orders placed shall be furnished solely to the authorized purchasing agent within the Purchasing Entity’s purchasing office, or to such other individual identified in writing in the Purchase Order.

(e) Purchase Orders must be placed pursuant to this Contract prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Contract. Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.

(f) Notwithstanding the expiration or termination of this Contract, Contractor shall Perform in accordance with the terms of any Purchase Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Purchase Orders placed after the expiration or termination of this Contract, or otherwise inconsistent with its terms. Purchase Orders from any separate indefinite quantity, task orders, or other form of indefinite delivery order arrangement priced against this Contract may not be placed after the expiration or termination of this Contract, notwithstanding the term of any such indefinite delivery order agreement.

(g) A Contractor making delivery without a duly issued Purchase Order in accordance with this section does so at the Contractor’s own risk.

15. Indemnification.

(a) The Contractor shall defend, indemnify and hold harmless NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable (the “Indemnified Parties”), from and against Claims, damages or causes of action including reasonable attorneys’ fees and related costs for any death, injury, or damage to property arising from willful misconduct or negligent act(s), error(s), or omission(s) of the Contractor (collectively the “Acts”), its employees or subcontractors or volunteers, at any tier, relating to the performance under the Contract. Contractor’s obligation under this Section shall not extend to any Claim to the extent caused by the negligent or willful misconduct of NASPO ValuePoint, the Lead State, any Participating Entity or Purchasing Entity or their respective agents, officials or employees. Unless stated otherwise in the applicable Participating Addendum, the Contractor shall use counsel reasonably acceptable to the relevant Indemnified Party in carrying out its obligations under this section. The Contractor’s obligations under this section to indemnify, defend and hold harmless against Claims includes Claims concerning confidentiality of any part of or all of the Contractor’s bid, proposal or any Records, any intellectual property rights, other proprietary rights of
any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the Performance.

(b) The Contractor shall not be responsible for indemnifying or holding an Indemnified Party harmless from any liability arising due to the negligence of such Indemnified Party or any other person or entity acting under the direct control or supervision of that Indemnified Party.

(c) The Contractor shall reimburse the affected Indemnified Party for any and all damages to the real or personal property of the Indemnified Party caused by the Acts of the Contractor or any Contractor Parties. The Indemnified Party shall give the Contractor reasonable notice of any such Claims.

(d) The Contractor’s duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, only to the extent the Contractor is alleged or is found to have contributed in part to the Acts giving rise to the Claims.

(e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract.

(f) This section shall survive the termination of the Contract and shall not be limited by reason of any insurance coverage. Indemnified Parties shall be entitled to recover under any insurance policy required by this Contract even if a body of competent jurisdiction determines the Indemnified Party is contributorily negligent.

(g) Liability for Rental Truck

The Contractor shall provide damage waiver (with $0 customer retained responsibility) and supplemental liability insurance coverage with each truck rental transaction (in the U.S. and Puerto Rico) at no additional cost to the Lead State, Purchasing Entity and Driver. This supplemental liability insurance must extend third party liability protection to the Purchasing Entity and Driver in a combined single limit amount per occurrence of not less than $1,000,000.00 per accident for bodily injury, death, or property damage to others arising out of the use or operation of the rental truck.

Subject to the actions that invalidate damage waiver as set forth in section (q) of Exhibit A. Contractor specifically waives any right to submit any claim against the Lead State, Purchasing Entity and Driver for any physical damage to, loss or theft of a truck provided under the Contract.

16. Forum and Choice of Law. Except as may be provided in a Participating Addendum, the parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the Lead State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

17. Contractor Guaranties. Contractor shall:
(a) Perform fully under the Contract;

(b) Intentionally Omitted;

(c) Intentionally Omitted;

(d) With respect to the provision of Services, pay for all required permits, licenses and fees and give all required notices;

(f) Intentionally Omitted.

18. Intentionally Omitted.

19. Intentionally Omitted.

20. Reserved.

22. Emergency Standby Services. If any Federal or State official, having authority to do so, declares an emergency or the occurrence of a natural disaster materially impacting the Purchasing Entity, the Purchasing Entity may request the Services on an expedited and prioritized basis. Upon receipt of such a request, the Contractor shall use good faith and commercially reasonable efforts to allocate its staffing and other resources in an effort to meet the emergency requirements of the Purchasing Entity. The Contractor is not obligated to make those efforts to Perform on an expedited and prioritized basis in accordance with this paragraph if doing so will make the Contractor breach any other contractual obligations that the Contractor may have to any other party. Any reallocation of staffing and/or resources undertaken by Contractor in good faith in an attempt to meet Purchasing Entity’s requirements in such emergency situations shall not require Contractor to transfer personnel or vehicles from other locations without appropriate compensation for the actual expense involved in doing so. Contractor shall acknowledge receipt of any request made pursuant to this paragraph within 2 hours. If the Contractor fails to acknowledge receipt within 2 hours, or is unable to meet the emergency needs of the Purchasing Entity after taking such commercially reasonable efforts to do so, then Purchasing Entity may procure the Performance from another source without further notice to Contractor and without creating any right of recourse at law or in equity against the Lead State, Participating Entity or Purchasing Entity.

23. Intentionally Omitted.

24. Force Majeure. The Lead State and the Contractor shall not be excused from their obligation to Perform in accordance with the Contract except in the case of Force Majeure events and as otherwise provided for in the Contract. In the case of any such exception, the nonperforming party shall give immediate written notice to the other, explaining the cause and probable duration of any such nonperformance.

25. Advertising. The Contractor shall not refer to sales under the Contract for advertising or promotional purposes, including, but not limited to, posting any material or data on the Internet, without DAS’s prior written approval. This limitation does not preclude publication about the award of the Contract and marketing activities consistent with any proposed and accepted marketing plan. The Contractor
shall not make any representations of the Lead State’s or NASPO ValuePoint’s opinion or position as to the quality or effectiveness of the Services that are the subject of this Contract without prior written consent.

26. Americans With Disabilities Act. The Contractor shall be and remain in compliance with the Americans with Disabilities Act of 1990 ("Act"), to the extent applicable, during the term of the Contract. DAS may terminate the Contract if the Contractor fails to comply with the Act, to the extent applicable.

27. Representations and Warranties. The Contractor, represents and warrants to the Lead State for itself and Contractor Parties, that:

(a) if they are entities, they are duly and validly existing under the laws of their respective states of organization and authorized to conduct business in their respective States/jurisdictions in the manner contemplated by the Contract. Further, as appropriate, they have taken all necessary action to authorize the execution, delivery and Performance of the Contract and have the power and authority to execute, deliver and perform their obligations under the Contract;

(b) they will comply with all applicable State and Federal laws and municipal ordinances in satisfying their obligations to the Lead State under and pursuant to the Contract, including, but not limited to (1) Connecticut General Statutes Title 1, Chapter 10, concerning the Lead State’s Codes of Ethics and (2) the applicable provisions of Title 4a concerning Lead State purchasing;

(c) the execution, delivery and Performance of the Contract will not violate, be in conflict with, result in a breach of or constitute (with or without due notice and/or lapse of time) a default under any of the following, as applicable: (1) any provision of law; (2) any order of any court or any State; or (3) any indenture, agreement, document or other instrument to which it is a party or by which it may be bound;

(d) they are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any governmental entity;

The Contractor is solely and completely responsible for adherence by the Contractor Parties to all applicable provisions of the Contract.

48. **Severability.** If any term or provision of the Contract or its application to any person, entity or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder of the Contract or the application of such term or provision shall not be affected as to persons, entities or circumstances other than those as to whom or to which it is held to be invalid or unenforceable. Each remaining term and provision of the Contract shall be valid and enforced to the fullest extent possible by law.

49. **Confidential Information.** The Lead State, Participating Entities and Purchasing Entities will afford due regard to the Contractor’s request for the protection of proprietary or confidential information which the Lead State, Participating Entity or Purchasing Entity receives. However, all materials associated with the Proposal and the Contract are subject to the terms of the Connecticut, and, if applicable, Participating Entity’s Open Records or Freedom of Information Act (“FOIA”) and all corresponding rules, regulations and interpretations. In making such a request, the Contractor may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the Contractor believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Contractor that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Contract, especially including the Proposal, the Records and the specifications, conflicts or is in any way inconsistent with this section, this section controls and shall apply and the conflicting provision or part shall not be given effect. If the Contractor indicates that certain documentation is submitted in confidence, by specifically and clearly marking said documentation as CONFIDENTIAL, the entity receiving the FOIA
request will endeavor to keep said information confidential to the extent permitted by applicable law. Lead State, Participating Entities and Purchasing Entities, however, have no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The Contractor shall have the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the Lead State, Participating Entities or Purchasing Entities have any liability for the disclosure of any documents or information in their possession which they believe are required to be disclosed pursuant to the applicable FOIA or other requirements of law.

Notwithstanding any language in this Contract that relates to such statute, public act, regulation, code or executive order, and notwithstanding a lack of a formal amendment to this Contract, this Contract shall always be read and interpreted as if it contained the most current and applicable wording and requirements of such statute, public act, regulation, code or executive order as if their most current language had been used in and requirements incorporated into this Contract at the time of its execution.

51. Cross-Default.

(a) If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under the Contract, then DAS may, in its sole discretion, without more and without any action whatsoever required of the Lead State, treat any such event as a breach, default or failure to Perform under any or all other Purchase Orders or Participating Addenda (“Other Agreements”) that the Contractor or Contractor Parties have under this Contract. Accordingly, DAS may then exercise at its sole option any and all of its rights or remedies provided for in the Contract or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Other Agreements.

(b) If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under any or all Other Agreements, then DAS may, in its sole discretion, without more and without any action whatsoever required of the Lead State, treat any such event as a breach, default or failure to Perform under the Contract. Accordingly, the Lead State may then exercise at its sole option any and all of its rights or remedies provided for in the Other Agreements or the Contract, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS or the Lead State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Contract.

No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. 54. **Sovereign Immunity.** The parties acknowledge and agree that nothing in the Request for Proposals, the Contract, the Participating Addendum or any other document or instrument relating to any of them shall be construed as a modification, compromise or waiver by the Lead State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the Lead State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of any of them. To the extent that this section conflicts with any other section in this Contract, the Request for Proposals or in any document or instrument relating to any of them, this section shall govern.

55. **Time of the Essence.** Time is of the essence with respect to all provisions of this Contract that specify a time for performance; provided, however, that this provision shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Contract.
