

NEW Statewide Term Contract

Effective Dates: July 1, 2019 – July 31, 2020

DSCSA Subscription Services – 948D

The Division of Purchase & Contract has established a new Statewide Term Contract in conjunction with MMCAP Infuse to provide Drug Supply Chain Security Act (DSCSA) Subscription Services. This contract is a convenience contract, which may be used by state agencies, departments, institutions, universities, community colleges, and non-mandatory entities including schools and local governments. Additional contract information may be found on the [MMCAP Infuse website](#).

New Contract Highlights

Title II of the Drug Quality and Security Act (H.R. 3204), titled the Drug Supply Chain Security Act ("DSCSA") and signed into law on November 27, 2013, establishes a national system for tracing pharmaceutical products through the supply chain from manufacturer to dispenser.

The vendor is supplying a "software as a service" solution to allow MMCAP members to:

- Confirm vendors and business partners are Authorized Trading Partners under the DSCSA
- Comply with the 3T requirements for pharmaceutical dispensers of the DSCSA as they relate to the storage of and access to the data required for pharmaceuticals covered under the DSCSA, also known collectively as 3T Data:
 - Transactional Information (TI)
 - Transactional History (TH)
 - Transactional Statement (TS)
- Confirm the pedigree of received pharmaceuticals and producing reports on 3T Data as required by the DSCSA

The Division of Purchase & Contract is focused on establishing Statewide Term Contracts that provide customers with goods and services at the best value.
