MEMORANDUM

TO: All Purchasing Officers at State Agencies, Institutions, Community Colleges and Universities

FROM: Bahaa Jizi, Category Manager

DATE: April 9, 2020

SUBJECT: Statewide Term Contract Update

This memo includes important information regarding [Statewide Term Contract 070A – Vehicles](#).

Below is information on the **20MY Chevrolet Malibu** and **20MY Chevrolet Equinox** under the current STC #070A for Vehicles. The last day to order these 20MY models is **Thursday, April 23rd, 2020**.

20MY Chevrolet Malibu

- Fleet-specific trim with available packages tailored to your business needs
- Array of available safety and driver assistance technologies – including Forward Collision Alert and Automatic Emergency Braking – to help drivers prevent collisions
- Spacious, comfortable and quiet interior with refined touches like available steering wheel-mounted controls that put ingenious technology at drivers' fingertips
- 5-year / 100,000-mile transferable Powertrain Limited Warranty for select fleet vehicles
- EPA-estimated 36 MPG highway with the 1.5L Turbo engine

20MY Chevrolet Equinox

- Fleet-specific trims with standard features and options tailored to your business needs
- Loaded with standard driver-assist technologies – including Automatic Emergency Braking and Forward Collision Alert – to help drivers prevent collisions
- Flexible cargo space, 5-passenger seating and up to 3,500-lbs. max. trailering capacity make Equinox well suited for fleets
- 5-year / 100,000-mile transferable Powertrain Limited Warranty for select fleet vehicles
- JD Power highest ranked Compact SUV in initial and long-term Quality
