

CHERIE BERRY
COMMISSIONER

THOMAS M. CHAMBERS
BUREAU CHIEF
ELEVATOR AND AMUSEMENT DEVICE BUREAU

DATE: March 13, 2014

MEMORANDUM TO: All Amusement Companies

Tommy L. Petty

FROM: Tommy L. Petty
Deputy Bureau Chief

RE: Spiders and Expo Wheels

Effective immediately, the **Spiders** manufactured by Eyerly will be required to provide N.D.T (x ray) tests for all narrow or wide base sweeps. The entire sweep from one end to the other will be x-rayed annually. All testing reports are required to be submitted to our office for review.

I have attached Bulletin No. 2013-1 from **Watkins Expo Wheels** which requires ultrasonic testing immediately and annually thereafter. The following are device manufacturers: Watkins Expo Wheels, Expo Wheels LLC and Childress Manufacturing. See the attached Bulletin for more details on year manufactured and serial numbers that apply.

Thank you for your compliance.
