**Current Revision Summary (if applicable):**

.0105 (b) now reads: Upon proper credential verification by facility staff, the inmate will be released to the Law Enforcement Agent authorized to take him/her into custody. If the Law Enforcement Agent does not arrive to take the inmate into custody by 4:00 p.m. on the date his/her sentence expires, facility staff will make arrangements for the inmate to be released to the local sheriff's office to await arrival of the requesting authority. In the event the local sheriff's department is unable to take the inmate into custody, facility staff will contact sheriff's departments from surrounding counties to accept custody, provided the authority who issued the detainer agrees. If an agreement cannot be reached, facility staff will advise the issuing authority of the Division's obligation to release the inmate.
