Litigation in this matter has been turned over to the attorneys. Mr. Echols stated that the Board will not pay any more invoices for services that the staff did not receive from GL Solutions. Staff is in a backlog but is working on getting registrations caught up. The staff needs a new computer system that will meet all of the needs of the staff.

Mr. Echols stated he has been in contact with a company Omini Scann that has come to the office and gave an estimate in regard to how much it would cost to scan everything. Approximately, it would cost between $190,000-$250,000.00. The company will also store all documents for a year. New information would have to be scanned and be able to migrate in a new computer system. The lease on the office will expire in September, 2016 and it would ideal if the scanning could be done before that time.

**MR. INGLE MADE A MOTION FOR STAFF TO PROCEED WITH THE SCANNING AN STORAGE OF ALL FILES. SECONDED BY MR. PROCTOR. MOTION CARRIED.**

Mr. Gregory stated he felt that all requirements for out of state companies should be met when they apply for a license and not have them be approved with conditions. **MR. INGLE MADE A MOTION FOR AMENDING 74D TO ADOPT A NEW POLICY WHEN APPROVING OUT OF STATE COMPANIES. ATTORNEY GRAY WILL DRAFT A POLICY FOR OUT OF STATE VERSES IN STATE APPLICATIONS. Mr. Gregory does not think that individuals should be able to do their own fingerprints. There are a lot of rejections with these prints. Mr. Gregory feels that either the sheriffs office or police department should be the ones doing the fingerprints and not the companies.

Mr. Gray will contact Department of Justice to see if the SBI and DCI accepts fingerprint cards that is done by a private citizen as opposed to a law enforcement agency. Mr. Gray wants to research this and will report back at the July meeting.
