Chairman Allen called the February 18, 2010 Private Protective Services Board meeting to order at 9:35a.m. Mr. Allen welcomed all guests and requested they introduce themselves. Mr. Allen requested all phones and pagers be turned off during the meeting.

Attorney Charles McDarris explained the State Ethics Act, which addresses the ethics of public officials. This Act states specifically that if any Board Member has any conflict of interest, potential conflict of interest, or the appearance of a conflict, he or she should remove themselves from deliberation and vote on that matter and so state on the record.

**GOOD OF THE ORDER:**

Mr. Larry Flannery, President of NCAPI, stated that at the NCAPI meeting that was held in January, the NCAPI held their elections for their new Board; Larry Flannery, Ruth Reynolds, Audra Coleman, Gary Pastor, Jeff Kiker and Sybil Richards were all elected to their Board.

Mr. Flannery also stated that U.S. Senator Richard Burr was the keynote speaker at the meeting and he gave a presentation on Homeland Security issues.

Mr. Flannery advised that the NCAPI is working on their Conference to be held in May 2010 and will update the Board at a future meeting.

**APPROVAL OF THE DECEMBER 10, 2009 MEETING MINUTES:**

MOTION BY MR. STEVENS TO ACCEPT THE MINUTES AS PRESENTED; SECONDED BY MRS. PLEASANT; MOTION CARRIED.

Chairman Allen changed the order of the Agenda and called upon the Finance Committee to present their report.

**FINANCE COMMITTEE:**

Mrs. Pleasant, Chairperson of the Finance Committee, gave an overview of the Committee Meeting that was held on February 17, 2010 at 5:00 p.m. Mrs. Pleasant then turned the report over to Director Wright and Mr. Nels Roseland, Deputy Chief of Staff and Chief Financial Officer for the Department of Justice.

Mr. Wright provided the Board with an overview of the topics that were discussed at the Finance Committee meeting the previous day. Mr. Wright stated that as of January 31,
2010 the operating budget stands at $271,037.22 and there was a 4.88% decrease in registration applications in the past year. Mr. Wright reminded the Board that at the June 2009 meeting, the Board had adopted a policy of not charging a fee to licensees that changed companies. The Board later implemented rules to assess a $100.00 transfer fee. However, prior to implementation of the rule, the Board lost significant revenue as a result of the change. Mr. Wright also reported that at the June 2009 meeting the Board had approved rules to increase licensing and registration fees. However, the rules are still going through the rules process and will not take effect until June 2010. Mr. Wright has made some recommendations to reduce operating expenses. Mr. Wright stated that PPS will initiate a hiring freeze and not fill three positions that are currently vacant. Those positions are the Investigator position assigned to the Hickory office, Training Officer Position and the Field Services Supervisor position. Once the budget has improved steps will be taken to fill each position. Director Wright also advised that PPS would eliminate the remaining temporary position assigned to the Registration Unit and that the agency has turned in two of the state vehicles which would save additional revenue.

Director Wright also recommended the Board adopt a policy that all applicants applying for a license must submit a credit check from Equifax with their initial license application and that the credit check must be submitted to PPS within 30 days of being compiled by the reporting agency.

MOTION BY JUDGE BURRIS TO ADOPT A RULE TO INCORPORATE THE SUBMISSION OF AN EQUIFAX CREDIT CHECK RUN WITHIN THE LAST 30 DAYS PRIOR TO THE SUBMISSION OF THE LICENSE APPLICATION; SECONDED BY MRS. PLEASANT; MOTION CARRIED

There was a Consensus to refer the issue to the 74C Legislative Committee for further discussion regarding a statutory change to allow the collection of a fee for the credit check.

Mr. Nels Roseland stated that with the restructuring of the expenses and the projected increase in fees as of June 2010, the transfer of funds from the Education Fund would be a last resort. He will report back to the Board in April if they see any further drop in revenue.

Mr. Booth emphasized that the Agency is a fee supported agency not a tax supported agency and as such cannot ask the General Assembly for an increase in the budget.

Mr. Roseland noted that with the two financial objectives of reducing expenses and the increase of fees, the Agency should be on the right track until the end of this fiscal year. However, it is time to look at long-term plans and make changes to automating some of the PPS systems. Hopefully by automating some of the systems this would increase the turnaround time to receive registrations and reduce expenses by doing more with less. The IT team from the Department of Justice has been engaged to improve and modernize the process. They are to look at updating the database, to implement the acceptance of
credit card payments, scanning all check deposits directly to the financial institution, which will save time for Staff.

Mr. Roseland stated that the Operating Account is currently in a non-interest bearing account and recommended the Board consider initiating a Legislative change to move the account to an interest bearing account, which will generate additional revenue. The bottom line is that prudent measures have been taken to make sure that the Agency will be in good financial shape until June, the end of the fiscal year.

Mr. Donaldson expressed a concern that the frozen positions will be lost. Mr. Roseland stated that it can occur in general fund supported positions but he has never seen this occur in fee supported positions.

Mr. Johnson expressed concern in regards to collecting the percentage fee that is charged by the credit card companies. Mr. McDarris stated that it would require a statutory change to collect fees. Mr. Roseland will check with the State Controllers office regarding the list of approved vendors that are already in place and have set fees. This could be considered an administrative expense and it would reduce the staff time and increase the turn around time in processing.

**MOTION BY MR. BOOTH TO ACCEPT THE FINANCIAL REPORT; SECONDED BY MR. CLARK; MOTION CARRIED**

Chairman Allen noted that Mr. Jones’s wife was having health issues and that was the reason he was not at the Board meeting. He also stated that Sheriff Ashe was unable to attend due to his campaign for re-election. He announced that Mr. Tim Pressley had taken a position with Training and Standards and that Mr. Larry Liggins was retiring. Mr. Allen noted that Mr. Pendry was filing to run for Sheriff in Wilkes County.

**SCREENING COMMITTEE REPORT:**

Mrs. Bishop reported that the Screening Committee met on Wednesday February 17, 2010 from 2:00 PM until 5:50 PM to review a total of 48 applications with 3 Denials and 7 Deferrals; the remainder of the applications were approved (see report). Committee members were, Mrs. Bishop, Mr. Pendry, Mrs. Pleasant and Mr. Johnson. Mrs. Bishop read the report for the record.

Mrs. Bishop presented the following registration report for the period of December 15, 2009 through February 16, 2010. Judge Burris reported the committee met on Wednesday February 17, 2010 from 8:00 AM until 11:50 AM and heard a total of thirteen cases. The committee members were Judge Burris, Mr. Booth, Mr. Stevens and Mr. Donaldson. Judge Burris presented the attached report. (See attachment)

The Grievance Committee advised the Board that complaint number 2009-PPS-064 was due to the company withdrawing their Proprietary License due to problems with the registration of their guards.

**MOTION BY MRS. PLEASANT TO ACCEPT THE GRIEVANCE COMMITTEE REPORT; SECONDED BY MR. PENDRY; MOTION CARRIED.**

**FINAL AGENCY DECISIONS - NONE**

Attorney Charles McDarris and Attorney Kathleen Gleason presented the request for a company name change for Guilford Security Inc. This request was a result of a previous complaint. Staff was concerned about the similarity of names. Attorney Gleason stated the case had been contested and heard by Judge Morrison who upheld the Board’s decision to revoke all licenses including the company license. Ms. Gleason stated that the courier company that was involved was being dissolved but the investigative company and the security company was changing the company names. She stated that Powers Investigations was to become Guilford Investigations, Inc. and Guilford Security Inc. was to become Guilford Security Patrol Service, Inc. The Board did not agree to the name for the security company, therefore, Attorney Gleason suggested the name of Gate City Security Agency.

**MOTION BY JUDGE BURRIS THAT GUILFORD INVESTIGATIONS, INC. BE APPROVED AND GATES CITY SECURITY AGENCY, INC. BE APPROVED UPON RE-APPLICATION; SECONDED BY MR. BOOTH; MOTION CARRIED**

74C RE-WRITE COMMITTEE:

Judge Burris stated that the 74C Legislature Committee met February 18, 2010 from 7:30 AM to 8:25 AM. The Committee discussed three issues.

The first issue was the digital forensics report that Mrs. Pleasant had drafted for the Legislature to be presented in May. The committee will consider the draft and bring it back to the April meeting.

The next item was a process orientation for out-of-state licensees as many applicants lack an understanding of G.S. 74C. The committee made a recommendation to adopt the following as a rule:
“Each applicant for a license shall meet personally with either a Board investigator, the Screening Committee, the Director or a Board representative designated by the Director prior to being issued a license. The applicant shall discuss the provisions of G.S. 74C and the administrative rules during the personal meeting. The applicant shall sign a form provided by the Board indicating that they have reviewed the information with the Board’s representative and that they have an understanding of G.S. 74C and the administrative rules.”
