Mr. Stevens advised that there were a number of issues discussed regarding the Continuing Education Courses and that there was a rotation of the Sub-Committee for CE approvals. The new Sub-Committee consists of Mr. Johnson, Mr. Allen and Mr. Clark. Mr. Johnson will be the Chair of the committee.

The Training and Education Committee addressed a request from a company regarding leniency for firearms training renewals in regards to being received late. After much discussion the Committee decided to stand by the original position of not accepting late renewals and agreed that the Board’s previous position on this matter would stand.

Vice Chairman Stevens requested that Staff maintain a chart for the continuing education courses that are received for approval with the title of the course, who submitted said course, etc and that this report be given to all of the Board members.

The Training & Education Committee recommended the following courses for approval; courses submitted by Denise Goff, James Petrie, Bert Croom and an online group of courses submitted by PIeducation. Mr. Stevens related that the Committee developed an affidavit for online courses that will be signed by the person taking the course and if the affidavit is falsified, the licensee’s license will be revoked.

Courses submitted by IPC International have been deferred until a later meeting.

The course time allowed for course preparation was discussed and it was recommended that the allotment time for preparation by the instructor be 5 hours per teaching hour with a cap of 8 hours allowable every two years.

The Private Protective Services Registration class was approved for CE credit.

The Committee had recommended standing approval for certain educational institutions such as colleges,
universities, trade schools and other degree granting institutions. They will be granted standing approval if they are licensed by DPI or other state approving agency and when the course is appropriate to the licensee and will apply to all courses related to law, criminal justice, security profession, finance, ethics, forensics, crime prevention or investigation. Other courses may be approved on a case by case basis. Approval is for one hour per contact hour not to exceed eight, in case someone takes a semester long course.

MOTION BY MR. BOOTH TO HAVE STAFF REVIEW PREVIOUS DISCUSSIONS REGARDING CONTINUING EDUCATION CREDITS FOR MANDATED TRAINING COURSES SUCH AS FIREARMS TRAINING; SECONDED BY MR. JOHNSON; MOTION CARRIED.

Mr. Booth questioned whether or not the Continuing Education Credits were to be based on the license(s) or the licensee. The intent of the addition of CE credits was to be based on the licensee and not on each individual license held by any licensee.
