III. RULES

1. The Public Hearing for amendments to 12 NCAC 007D.0105, 0.116,.0809, .1408 and .1508 was held at the board’s office 4901 Glenwood Avenue, Suite 200, Raleigh, North Carolina on August 27, 2014 at 2:00 p.m., and the Public Comment Period ended September 30, 2014. The Board adopted these administrative rule amendments at its October 23, 2014 meeting. These rule amendments are calendared for the Rules Review Commission’s meeting on December 17, 2014.

2. As a part of the transfer to the Department of Public Safety the Board’s administrative rules will also have to be amended to reflect this change and transferred to another Title within the North Carolina Administrative Code. There are five (5) references to “Attorney General” in the Board’s rules and one (1) reference to “Department of Justice.” The Budget Act made all the appropriate changes throughout the General Statutes, including Chapter 114 which governs the Attorney General and the Department of Justice, Chapter 74C which governs Private Protective Services and Chapter 74D which governs Alarm Systems Licensing Board, but the Board will have to go through an “abbreviated” rule amendment process to make the conforming changes to its administrative rules. Notice and a public hearing will not be required, but review by the Rules Review Commission will.

Mr. Gray has been in contact with Molly Masich, Codifier of Rules, and Dana Vojtko, Publications Coordinator, on Monday, December 8th. Numbers have now been assigned under Title 14B (DPS’s section of the Code) and Mr. Gray will begin the process of reassigning numbers to the Board’s rules and making conforming changes within certain rules (i.e. “cross-references.”)
IV. LEGISLATION

1. The General Assembly adjourned for its 2013-2014 Biennial Session with no further action on House Bill 466, “Amend Private Protective Services Act/Fees.” This issue was discussed during the Law and Rules Committee meeting on December 4, 2014. Before January 2015, the Board will need to vote on seeking introduction of the same or a similar bill in the 2015-2016 Biennial Session.

2. Attorney Gray has previously reported that during the 2012 Session of the Legislature, the Joint Legislative Administrative Procedures Oversight Committee replaced the Joint Select Regulatory Reform Committee. This committee now has oversight over the study by the Program Evaluation Division (PED) of the structure, organization and operation of all occupational licensing boards in the State and the feasibility of a single “umbrella” agency as required by Section 10(a) of S.L. 2013-413. Attorney Gray has been attending the meetings of this Committee.

The PED began the process of evaluation of boards in May, 2014. Only four (4) boards were visited and the staffs interviewed. The remainder is to be evaluated through a “questionnaire” which all boards, including PPSB, received on July 9th. It contained 58 questions, the majority of which were related to financial issues. The responses were submitted by the deadline of July 31st. The PED’s final report on all occupational and professional licensing boards is due to the Administrative Procedures Oversight Committee by December 31, 2014.

3. On July 10, 2014 Governor Pat McCrory signed Senate Bill 741 (S.L. 2014-67), “An Act to Enhance the Effectiveness of the Occupational Licensing of Military Service Members.” This Act amends the recently enacted amendments to Chapter 93B of the General Statutes regarding military-trained applicants and applicants who are spouses of active duty military. (The Board’s amendments to its administrative rules to effectuate these requirements were effective October 2, 2013.)

The Act deleted the provision in N.C.G.S. 93B-15.1(a)(1) that the applicant’s experience is a determination to be made by the Board. It also requires the Board to notify the military-trained applicant within 30 days following receipt of an application whether the applicant’s military training and experience satisfies the requirements for licensure, registration or certification. The Board must publish a document listing the specific requirements for licensure that are satisfied by military training and experience and publish it on the Board’s website and the website of the North Carolina Division of Veterans Affairs. The Board must further contact training offices at military installations or any other federal offices that provide information on military occupational specialties and training for the purpose of acquiring information necessary for determining the applicability and correlation of military
training and experience to the criteria and requirements for licensure, certification or registration.

No later than September 1, 2014, each occupational licensing board was required to submit a report to the co-chairs of the Legislative Research Commission Study Committee on Civilian Credit for Military Training and State Adjutant Selection Criteria with the status of the required document and the results of their consultation with military training officials as required by the Act.

Similar amendments to this same statute necessitated changes to seven of the Board’s administrative rules in October 2013: 12 NCAC 07D .0301 (Experience Requirements for Security Guard and Patrol License), .0302 (Experiences Requirement’s for Guard Dog Service License), .0401 (Experience Requirements for Private Investigator License), .0501 (Experience Requirements for Polygraph License), .0601 (Experience Requirements for Psychological Stress Evaluator), .0901 (Experience Requirements for Firearms Trainer Certification), and .0909 (Experience Requirements for Unarmed Trainer Certification.) While each of these rules states that the applicant must “establish to the Board’s satisfaction” that the applicant has “two years…verifiable experience,” and the latest amendment prevents the Board from making an independent determination of that experience, the current version of these rules still appears to be compliant and no (further) changes should be necessary.

V. PENDING CASES

As previously reported, the Plaintiff has refiled the civil action against Board Investigator Sarah Conner, the Board, the City of Charlotte, the Charlotte-Mecklenburg Police Department and various officers of the Charlotte-Mecklenburg PD in Kelly v. Conner, et al., No. 3:13-CV-636 – WDNC. Mr. Kelly was unlicensed as a security guard business and unregistered, but performing security guard and patrol services. He is also a convicted felon. He was arrested and charged with, among other violations, violating Chapter 74C.

The Attorney General’s Office is again representing Ms. Conner.

The Board has responded to Plaintiff’s First Set of Interrogatories and Request for Production of documents received on May 29, 2014. The Plaintiff was deposed by counsel for the Defendants on October 16th, but additional time was needed and his deposition was continued until November 5th. Director Wright was deposed on November 21st. Two (2) of the CMPD officers and Ms. Conner are to be deposed on December 17th. The deadline to complete discovery expires on December 20, 2014.

Mr. Gray, along with the attorneys representing the other Defendants, plan to file motions to dismiss on behalf of our respective clients in mid-December once discovery is completed.
MOTION BY MR. CLARK TO ACCEPT ATTORNEY’S REPORT; SECONDED BY MR. MACRAE; MOTION CARRIED.
