BEFORE WE BEGIN
NEW STIPULATION TO RECEIVE JAG FUNDS
8.U.S.C 1373 and 1644

In addition to the Authorizing Official of the State (the Governor) and the Chief Legal Officer of the State (the Attorney General) having to certify to the State complying with this statute, any jurisdiction receiving an award or subaward under the JAG funding stream must also do the same. Each subgrantee must also have their Authorizing Official (City Manager, County Manager, Mayor, Board President, Chancellor) and their Chief Legal Officer also must certify on the forms that will be given to you by GCC. Should GCC not receive back two signed forms filled completely, one for each individual, then GCC will not be allowed to award the grant to that subgrantee. A subgrantee can chose not to sign these forms, but the result will then be no award will be administered.

Grantees must provide their Procurement or Purchasing Policy

Equipment vendors must provide proof that they are not debarred or suspended from receiving state and/or federal funds

GCC does not reimburse sales tax:
- only report expenses stopping at the subtotal should be submitted for reimbursement. All entities may however claim a refund from the State for sale tax
All LEAs that purchase non-lethal taser devices must present the following to their assigned Grants Management Specialist within the first 90-days of implementation of the grant:

- Complete list of all Personnel to whom tasers will be issued
- Copy of each officer’s Certification verifying completion of taser training
- Copy of the agency’s Procurement Policy must be submitted to GCC prior to purchases.
- Copy of each agency’s Use Of Force Policy, and the Departmental protocol for the use of non-lethal weapons
Bulletproof Vest Purchases

- As with BVP Grants, grantees that wish to purchase vests with JAG funds must certify that law enforcement agencies receiving vests have a written “Mandatory Wear" Policy in effect for all uniformed officers while on duty.

- This policy must be in place for at least all uniformed officers before any funding can be used by the agency for vests. There are no other requirements regarding the nature of the policy.

- Certification of “Mandatory Wear” Policy must be received by GCC within 30-days of grant implementation & received prior to purchase of vests.

- Bulletproof Vests must be American made.

- A Mandatory Wear Concept and Issues Paper and Model Policy are available by contacting the BVP Customer Support Center at vests@usdoj.gov or toll free at 1–877–758–3787.
Agencies that receive JAG funds that support the exchange of justice information must comply with DOJ’s Global Justice Information Sharing Initiative guidelines and recommendations.

Requirements of this grant condition are described at:

http://www.it.ojp.gov/gsp_grantcondition

Grantees must document their planned approach to information sharing, describe compliance to the GSP and have an appropriate privacy policy that protects shared information or provides detailed justification for why an alternative approach is recommended.
Program Performance Measures for Justice Assistance Grant (JAG) Programs
Federal statutes REQUIRE PMT reports be submitted on-line directly to BJA, in a timely manner.

- A copy must be provided to the assigned Grants Management Specialist.

- GCC Planning Staff must then compile & enter its own compilation report to BJA.

- Failure to observe these conditions and deadlines may result in an immediate hold of grant funds and may endanger the State’s entire allocation. If the state report is not submitted in time, OJP can put a hold on the state allocation.

Your response to these questions should reflect activity during the **previous 6-month** period (January–June or July–December), regardless of whether or not your award was “operational.”

This link allows you to return to previous pages to view and/or edit data.

You can search and print from here.

The total number of alerts is listed here.

  It is **YOUR responsibility** to ensure the Grant Management Specialist has a copy of the report.

- It will be a permanent part of your file.
PMT Reporting Periods

PMT Reports are **REQUIRED Quarterly**! …and are **due the 10th** of the month following the close of a quarter.

- October 1 – December 31 (due January 10)
- January 1 – March 31 (due April 10)
- April 1 - June 30 (due July 10)
- July 1 – September 31 (due October 10)

By the 10th of the month that these reports are due, the BJA PMT Report must be completed in the PMT Website and that report must be uploaded to the corresponding PMT Quarter tab in the GEMS system.
Additional Information

• If the Project Director changes, please make sure you update the contact information in Grants Management Enterprise (GEMS) and notify GCC staff so that we may make the change with the Bureau of Justice Assistance (BJA). ALL CORRESPONDENCE REGARDING PMTS ARE SENT TO THE PROJECT DIRECTOR. IT IS IMPERATIVE THIS CONTACT INFORMATION IS ACCURATE.

• If your grant closes prior to the original end date, a PMT report will still be required for all quarters the grant was active. (ex. PROJXXXX received reimbursement for purchases on January 7 and the grant was closed Jan 8. A PMT report will still be required for the January-March quarter due on April 10th). BJA does not permit early submission of quarterly reports. Therefore, the grantee may have to wait until BJA opens the quarter for reporting.

• Unfortunately, BJA and GEMS are NOT linked. Therefore, you MUST copy and paste a copy to a PDF document to upload to GEMS.

• Courtesy email reminders used to be mailed to Project Directors. Unfortunately due to workloads and staffing issues, we are unable to do this any longer. It will be the Project Director’s responsibility to ensure that all PMT Reports are submitted in the https://bjapmt.ojp.gov/ website by the 10th day of the month following the quarter end.
