Juvenile Justice Planning Committee
2020 Funding Priorities

**Mission Statement**

JJPC provides resources for youth at-risk of becoming delinquent due to individual, school, family, peer and/or community factors

Resources provide services for youth who are delinquent, undisciplined, or involved in the juvenile court process
Raise the Age Implementation:

- **Sustainability & Support:**
  - Requires process changes, program expansion, and infrastructure support
  - Influx of 16/17 year old’s into system changes capacity & approach
  - Agencies, local entities need support in implementing raise the age.

- **Solutions**
  - Provide training to LE working with juveniles
  - Offer crisis & assessment solutions as alternatives to detention
  - Referral of services to prevent recidivism/penetration into the system
  - Community specific intervention strategies
Raise the Age Implementation continued:

Programming ideas include:

- Interagency training, conferences/ workshops
- Funding to support attorneys, social workers, investigators for public defender
- Funding to support prosecution, investigators and clerk
- Funding to support multisystemic therapy services for delinquent juveniles
School Justice Partnerships:

- Creation of Partnerships
- Grant requests creating safer school environments
- Focus on alternatives to suspension for minor discipline problems
- Alternatives such as Teen Court, crisis and assessment services, academic coaches, school-based community service and restitution
2020 Racial Ethnic Disparities (RED):

- Youth of color are more likely to be disciplined, suspended, and expelled
- Less likely to be diverted, more likely to be held in secure detention, and overrepresented at key points throughout JJ system
- GCC supports efforts to reduce Racial & Ethnic Disparities (RED) in the JJ system
- Applications for this priority must explain how their project aims to reduce disparities and/or promote racial equity.
