School Risk and Response Management Program Overview

August 2019
Division Purpose

Prepare for...  Respond to...  Recover from...
**Philosophy:** All disasters start & end locally

**Commitment:** To provide a four-tiered response to any major disaster which is:
- **locally centered,**
- **regionally augmented,**
- **state backed &**
- **federally assisted**

where all counties have some capability to respond to significant events.
Division Overview

Housed within NC Department of Public Safety

- 202 Full Time Employees
- 124 Part Time Employees

- DPS Secretary is State Homeland Security Advisor
- NCEM Director is Deputy Homeland Security Advisor
State Emergency Response Team

NCGS 166A defines the SERT as:

“the representative group of State agency personnel designated to carry out the emergency management support functions identified in the North Carolina Emergency Operations Plan”

In practice, the SERT includes a task-organized group of state, local and federal government personnel, volunteers and non-profits, and representatives from the private sector that come together to prepare for, respond to, and support recovery from disasters.

School Risk Management Plan

Safety Planning

In this section, describe your school’s safety planning process. Include any safety assessments conducted and their frequency. Describe roles of key personnel in the process.

The principal is responsible for development and maintenance of the School Risk Management Plan. Specific responsibilities supporting plan maintenance include:

- Annual review of the Plan with approval of necessary changes
- Distribution and record of distribution of the Plan
- Assignment of personnel to fulfill roles
- Training for staff as needed to support Plan-assigned roles and responsibilities
