NC FLEX BENEFITS
The NCflex Program provides a variety of pre-tax plans available to state agency, university, and select community college employees. Employees are eligible to participate in NCflex if they are a state agency or university employee working 20 or more hours per week in a permanent, probationary, or time-limited position. Specific information on each of the plans can be located on www.ncflex.org. However, a brief summary of the available plans follows.

Effective Dates of Coverage
You have 30 days from the date of hire to enroll in the NCflex programs. Employees can enroll in NCflex online using ESS. If you do not enroll at the time of hire, you will have the opportunity to enroll each year during annual enrollment which is usually in the fall. Unlike health insurance, you do not have a choice for effective date of coverage. NCflex benefits will be effective the 1st of the month following the date of hire. For example, if an employee is hired on 4/5/13, their Flex benefits would be effective 5/1/13. Unlike health insurance where you pay a month in advance for the next month’s coverage, NCflex premium deductions pay for the current month’s coverage. This means that NCflex premiums deducted from April paycheck pays for NCflex coverage for April.

Health Care Spending Account
The Health Care Flexible Spending Account (HCFSA) is a supplement to the current health insurance. Through the HCFSA, employees may choose to contribute a set amount of money to an account through payroll deduction on a pre-tax basis. With this account, employees are reimbursed with the pre-tax dollars set aside to pay for medical, dental, or other health care expenses not covered by a health plan. Employees never pay taxes on the money received from the spending account which helps health care dollars go farther. The annual contribution cannot be less than $120 a year ($10 per month) or greater than $2,500 a year ($208.33 per month).

Reimbursement Process
You have two options for reimbursement:
Option One is to complete the HCFSA Claim Form and submit the HCFSA Form along with the required documentation to P & A Group. Reimbursements are usually processed within one week and are directly deposited into the same bank account that your paycheck is deposited.

Option Two is to use the NCflex Convenience Card. The Convenience Card allows you to pay a provider/vendor directly from your HCFSA at the point of purchase for eligible health care expenses. The card reimburses up to your annual election. You will still need to submit receipt documentation and a HCFSA Claim Form EXCEPT when the transaction equals a copayment amount from your prescription, medical, dental, or vision plan. There is no fee for the convenience card option.

Dependent Day Care Spending Account
The Dependent Day Care Flexible Spending Account (DDCFS) is designed to benefit employees with young dependent children or disabled dependents of any age. Eligible day care expenses may be reimbursed for:

1.  Your “qualifying child” (including a stepchild, foster child, child placed for adoption, or younger brother or sister) under age 13 who has the same principal residence as you for
more than ½ the year and does not provide more than ½ of his/her own support during the calendar year; OR

2. Your “qualifying child” (as defined above) of any age, spouse, or other dependent who receives over ½ of his/her support from you (e.g. your disabled elderly parent), who is physically or mentally incapable of caring for himself or herself and has the same principal place of residence as you for more than ½ of the year. To reimburse day care received outside of your home, your disabled dependent must spend at least 8 hours per day in your home.

**NOTE:** Special rules apply for divorced or separated parents with dependent children. Generally, the child must be a dependent for whom the employee can claim an income tax exemption. In other words, the employee must have legal custody of the child for over ½ of the year for day care expenses to be reimbursed through the DDCFSA.

**Vision Care Plan**

The NCFlex Vision Care plan is administered by Superior Vision Services (SVS). Under this plan there are three plan options:

- Core Wellness Exam (no monthly premium cost, $20.00 copay for exam only)
- Basic Plan – Exam and Materials
- Enhanced Plan – Enhanced Exam and Materials

All these plans offer in-network and non-network services. However, using an in-network provider will result in less expenses for the employee. Employees have a choice of over 1,800 vision providers in the SVS network that includes ophthalmologists, optometrists, and optical companies. Please keep in mind that employees are responsible for paying any charges in excess of the covered benefit.

There is NO waiting period for first-time enrollees. However, if coverage is elected and dropped the following year, the employee will have to wait an additional two years before being allowed to get back in the plan.

**The Voluntary Accidental Death and Dismemberment Insurance Plan**

AD&D is insured by A.C. Newman and Company on behalf of Gerber Life Insurance Company. It pays a benefit if the employee suffers a loss as the result of a covered accident while insured under the plan. It also pays a benefit for certain disabling injuries that occur while covered.

Employees can elect to cover spouses and dependent children. The coverage is effective 24-hours a day, 365 days a year and includes accidents on or off the job.

Employees may choose from $50,000 up to $500,000 of principal sum as insurance coverage. If an employee or their spouse are both eligible (as state or university employees) to elect this coverage, both may elect to participate as employees, but only one may enroll for employee and family coverage. The spouse who elects employee and family coverage will not have coverage for his/her spouse, only children. In addition, an employee cannot be covered as both an employee and a dependent.

**Core AD&D**

A $10,000 core Accidental Death & Dismemberment (AD&D) benefit, if elected, is provided at no cost by the State of North Carolina. The NCFlex Core AD&D is in addition to any NCFlex Voluntary AD&D insurance plan or any other coverage an employee may have under any other insurance policy. To have the Core AD&D $10,000 insurance benefit, employees must enroll in the NCFlex Core AD&D plan. Coverage may end at any time, as determined by the State of North Carolina.
**Cancer Insurance**
Cancer Insurance is provided through Allstate Workplace Division (AWD). Employees have three plan options (Low, High, and Premium) and two coverage levels to choose from depending on how much coverage is needed.

In addition to cancer coverage, this insurance pays benefits for 29 other specified diseases such as Muscular Dystrophy, Multiple Sclerosis, Tuberculosis, Sickle Cell Anemia, and Cystic Fibrosis. As a new hire, employees enrolling within the first 30 days from the date of hire, may elect coverage on a guaranteed basis (without providing Evidence of Insurability – EOI) and coverage is effective the first of the month following the date of hire. An EOI form is a way of providing proof of good health. This evaluation may include questions relating to current health status, medical history, and family medical history. If enrolling at a later date, employees will have to provide an EOI form to AWD for approval before coverage becomes effective.

**Critical Illness**
NCFlex offers a Critical Illness Insurance plan. The insurance is administered by MetLife and complements existing medical coverage, but does not replace it. The coverage pays a lump-sum payment when a covered person experiences a covered condition. Critical Illness Insurance covers the following conditions and groups them into (3) distinct categories (as defined by the group certificate):

<table>
<thead>
<tr>
<th>Category (1)</th>
<th>Category (2)</th>
<th>Category (3)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Incorporates certain cancer-related conditions:</td>
<td>Incorporates certain heart-related conditions:</td>
<td>Incorporates certain other conditions:</td>
</tr>
<tr>
<td>• Full Benefit Cancer</td>
<td>• Heart Attack</td>
<td>• Major organ transplant (other than bone marrow &amp; heart)</td>
</tr>
<tr>
<td>• Partial Benefit Cancer*</td>
<td>• Stroke+</td>
<td>• Kidney failure</td>
</tr>
<tr>
<td>• Bone Marrow Transplant</td>
<td>• <em>Coronary artery bypass graft</em></td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Heart Transplant</td>
<td></td>
</tr>
</tbody>
</table>

*For some types of cancer and a coronary artery bypass graft, you will receive 25% of the category benefit amount. The remaining 75% is available within that category should the covered individual experience another one of the covered conditions in that category while the certificate is in force.*

If diagnosed with a covered condition in any of the three categories (cancer, heart, or other) and policy and certificate requirements are met, an employee can receive a lump-sum benefit payment up to $15,000. The maximum you can receive in any one category is $15,000. After $15,000 has been paid in any category, that category will close and no additional payments for any other covered conditions within that category will be paid. The maximum an employee can receive across all three categories is $45,000. Once a $15,000 category benefit amount has been paid in each of the three categories for a total of $45,000, the coverage is terminated and the payroll deduction will stop.

Coverage is available for the employee, spouse, and child(ren). If an employee or their spouse are both eligible, both may elect to participate as employees, but only one may enroll for employee and family coverage. An employee may NOT be covered as both an employee and a dependent.

**Group Term Life**
Voluntary Group Term Life Insurance pays a benefit to an employee's beneficiary(ies) if the employee dies while covered under the policy. Please note that this is strictly a life insurance policy that provides a benefit upon death. There is no accumulated cash value.
New Hires enrolling within the first 30 days of employment may elect coverage up to $100,000 without providing Evidence of Insurability (EOI). An EOI form is a way of providing proof of good health. This evaluation may include questions relating to current health status, medical history, and family medical history. If enrolling or increasing coverage at a later date, employees will have to provide an EOI form to ReliaStar Life for approval before coverage can become effective.

Monthly premiums are deducted on a pre-tax basis and based on the employee’s age as of January 1st of the current plan year and the coverage amount elected. Coverage can be elected in increments of $10,000. A minimum of $20,000 is available up to a maximum of $500,000 of coverage.

Coverage is also available for a spouse or child(ren). Spouse or child(ren) premiums are deducted on a post-tax basis and is also based on the age of the covered employee as of January 1st of the current plan year.

**Dental Coverage**
NCFlex offers both a Low and High option dental plan through United Concordia (UCCI). Employees can visit a network or non-network provider and get the same amount of coverage, but can save more money by visiting a UCCI network dentist. For a summary of benefits and a comparison of the NCFlex dental plan and the agency specific MetLife dental plan, please click on the link listed below under the ‘Agency Specific Insurance Benefits’ section.

**QUALIFYING LIFE EVENTS**
If at any time during your Plan Year a Qualifying Life Event occurs, you can change your Health Insurance/ NCFlex coverage for the remainder of the year. You will only be able to make changes to your benefits as it relates to the specific Life Event that has occurred. Changes must be made within 30 calendar days of the life event. For detailed information as to what changes can be made to each of your benefits based on a Life Event, please go to the [www.ncflex.org](http://www.ncflex.org) website, under “General Benefits Information” and select “Life Events.”

Qualifying Life Events are not the same for the State Health Plan and NCFlex. Therefore, please refer to the following:

**State Health Plan Status Changes:**

**How to Make Benefit Changes due to a Life Event:**
If you wish to make changes to your insurance elections, notify your Benefits Representative immediately. You only have 30 days from the Life Event to make changes to your benefits. Your change in elections must be consistent with your status change and may be subject to approval. Documentation may be required. Changes to dental benefits could result in waiting periods, read the benefit details carefully.

Please follow these steps to make changes to your benefits when a Qualifying Life Event occurs:
1. Notify your Benefits Representative that you want to make changes to your benefits based on a Life Event (if applicable, provide necessary documentation).

2. The Benefits Representative will create a Benefits Adjustment Reason in the HR Payroll System which will provide you a link in ESS to make changes to your benefits based on your Life Event.

3. After creating the Adjustment Reason, the Benefits Representative will advise you to go online to ESS at [https://mybeacon.nc.gov](https://mybeacon.nc.gov) to make changes to your benefits. For instructions on how to enroll in benefits through ESS, please visit BEST Shared Services’ website at [http://www.ncosc.net/BEST/support/index.html](http://www.ncosc.net/BEST/support/index.html) and refer to the Benefits Enrollment Guide for ESS. The “Step by Step Guide through ESS” provides detailed steps and screenshots.

**Important Note:** Employees MUST make their benefit changes online within 30 days from the Qualifying Life Event.

**AGENCY SPECIFIC INSURANCE BENEFITS**
In addition to the state-sponsored insurance programs, the Department of Public Safety can approve and make available other insurance options for DPS employees. These insurance programs are approved through the DPS Insurance Committee and are administered through private insurance agencies/brokers.
The supplemental agency-specific plans are NOT part of N.C. State Government and, therefore, are NOT transferable if you leave DPS and transfer to another State Agency.

The following supplemental insurance is available for DPS employees:

**MetLife Dental** - The MetLife dental insurance is comparable to the NC Flex high option dental plan. Monthly payroll deductions for MetLife are made after taxes have been taken out, while the NCFlex Dental Plans have monthly payroll deductions taken out PRIOR to taxes.

**AFFORDABLE CARE ACT**

The ACA offers individuals to buy private health insurance through a 'Health Insurance Marketplace', also referred to as 'The Exchange'. This allows you to find private health insurance options to compare with the State's health coverage; to ensure the health coverage you choose meets your needs and fits your budget. In purchasing private insurance thru the Exchange, you may be eligible for a tax credit, which may result in a lower premium. However, please be aware that if you purchase a private health plan through the Exchange, you may lose your employer contribution to the health benefit plan offered by the State.

Please remember, purchasing private health insurance through the Exchange is not mandatory. It is totally up to you to choose insurance through your employer or a private company within the Exchange. But, as your employer, North Carolina Department of Public Safety has an obligation to inform you of your options for health care.

**UNEMPLOYMENT INSURANCE**

Office of State Personnel maintains a centralized Unemployment Insurance Cost Management Program to provide effective claims administration and control of benefit costs.

Workers' compensation expenses are paid from the department’s current operating budget. All workers’ compensation claims are handled by a third party administrator (TPA). The TPA is CorVel. Employees can contact the Human Resources Workers’ Compensation office or CorVel with questions regarding their workers’ compensation benefits. WE CARE PROGRAM
WE CARE is an initiative created by the North Carolina Department of Public Safety to address employees’ overall wellness. WE CARE stands for Wellness Education Committed to Assisting and Reaching our Employees and is supported by the NCDPS Employee Wellness and Resilience Committee. The purpose of the WE CARE initiative is to provide all DPS Employees with positive reinforcements through multiple avenues and to support them when they are faced with adverse situations. This mission of supporting all DPS Employees through adverse situations reinforces that WE CARE for the whole person, physically, mentally and emotionally by providing opportunities to address issues that may influence the overall job performance, career development, and well-being of all DPS Employees.
