

Brunswick County

Covid-19 Grant Outcomes and Accomplishments

County and local governments used these funds in many ways, including: supporting public health and safety personnel, equipment for health departments, grants for small businesses and non-profits, and economic support to individuals.

Session Law	Item	Total Funding Authorized to Brunswick County
S.L. 2020-4	Local Government Assistance	\$ 5,345,571.30

Coronavirus Relief Funds (CRF) received to date in the amount of \$5,345,570.90 were used to support salary and benefits for substantially dedicated public safety personnel (police officers, deputy sheriffs, correctional and detention officers, and those who directly support such employees such as dispatchers and supervisory personnel). As per US Treasury Guidance published on May 4, 2020, all county or municipality public safety and public health employees are presumed to be "substantially dedicated" to mitigating or responding to the Covid-19 public health emergency. Brunswick County Public Safety employees are on the front lines of providing support to our local communities during the COVID-19 Pandemic. The County received letters from all municipalities (attached) declining to receive any distribution of Federal CARES Act (CRF) funding that was mandated by NC Session Law.
