Re: Objection to 2020 Electrical Code

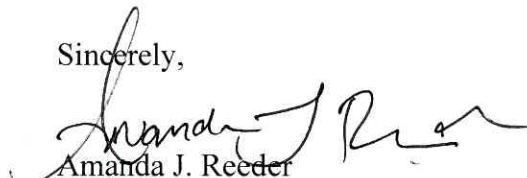

Dear Mr. Martin:

At its meeting last week, the Rules Review Commission objected to the 2020 Electrical Code for any provisions applied to the North Carolina State Building Code: Residential Code for One- and Two-Family Dwellings, in accordance with G.S. 150B-21.10.

The Commission objected to the Electrical Code for any provisions applied to the Residential Code for lack of statutory authority pursuant to G.S. 143-138(d).

Please respond to this letter in accordance with the provisions of G.S. 150B-21.12. If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

Amanda J. Reeder
Commission Counsel
