NORTH CAROLINA REGISTER

The North Carolina Register is published twice a month and contains information relating to agency, executive, legislative and judicial actions required by or affecting Chapter 150B of the General Statutes. All proposed administrative rules and notices of public hearings filed under G.S. 150B-21.2 must be published in the Register. The Register will typically comprise approximately fifty pages per issue of legal text.

State law requires that a copy of each issue be provided free of charge to each county in the state and to various state officials and institutions.

The North Carolina Register is available by yearly subscription at a cost of one hundred and five dollars ($105.00) for 24 issues. Individual issues may be purchased for eight dollars ($8.00).

Requests for subscription to the North Carolina Register should be directed to the Office of Administrative Hearings, P. O. Drawer 27447, Raleigh, N. C. 27611-7447.

ADOPTION AMENDMENT, AND REPEAL OF RULES

The following is a generalized statement of the procedures to be followed for an agency to adopt, amend, or repeal a rule. For the specific statutory authority, please consult Article 2A of Chapter 150B of the General Statutes.

Any agency intending to adopt, amend, or repeal a rule must first publish notice of the proposed action in the North Carolina Register. The notice must include the time and place of the public hearing (or instructions on how a member of the public may request a hearing); a statement of procedure for public comments; the text of the proposed rule or the statement of subject matter; the reason for the proposed action; a reference to the statutory authority for the action and the proposed effective date.

Unless a specific statute provides otherwise, at least 15 days must elapse following publication of the notice in the North Carolina Register before the agency may conduct the public hearing and at least 30 days must elapse before the agency can take action on the proposed rule. An agency may not adopt a rule that differs substantially from the proposed form published as part of the public notice, until the adopted version has been published in the North Carolina Register for an additional 30 day comment period.

When final action is taken, the promulgating agency must file the rule with the Rules Review Commission (RRC). After approval by RRC, the adopted rule is filed with the Office of Administrative Hearings (OAH).

A rule or amended rule generally becomes effective 5 business days after the rule is filed with the Office of Administrative Hearings for publication in the North Carolina Administrative Code (NCAC).

Proposed action on rules may be withdrawn by the promulgating agency at any time before final action is taken by the agency or before filing with OAH for publication in the NCAC.

TEMPORARY RULES

Under certain emergency conditions, agencies may issue temporary rules. Within 24 hours of submission to OAH, the Codifier of Rules must review the agency’s written statement of findings of need for the temporary rule pursuant to the provisions in G.S. 150B-21.1. If the Codifier determines that the findings meet the criteria in G.S. 150B-21.1, the rule is entered into the NCAC. If the Codifier determines that the findings do not meet the criteria, the rule is returned to the agency. The agency may supplement its findings and resubmit the temporary rule for an additional review or the agency may respond that it will remain with its initial position. The Codifier, thereafter, will enter the rule into the NCAC. A temporary rule becomes effective either when the Codifier of Rules enters the rule in the Code or on the sixth business day after the agency resubmits the rule without change. The temporary rule is in effect for the period specified in the rule or 180 days, whichever is less. An agency adopting a temporary rule must begin rule-making procedures on the permanent rule at the same time the temporary rule is filed with the Codifier.

NORTH CAROLINA ADMINISTRATIVE CODE

The North Carolina Administrative Code (NCAC) is a compilation and index of the administrative rules of 25 state agencies and 38 occupational licensing boards. The NCAC comprises approximately 15,000 letter size, single spaced pages of material of which approximately 35% of is changed annually. Compilation and publication of the NCAC is mandated by G.S. 150B-21.18.

The Code is divided into Titles and Chapters. Each state agency is assigned a separate title which is further broken down by chapters. Title 21 is designated for occupational licensing boards. The NCAC is available in two formats.

(1) Single pages may be obtained at a minimum cost of two dollars and 50 cents ($2.50) for 10 pages or less, plus fifteen cents ($0.15) per each additional page.

(2) The full publication consists of 53 volumes, totaling in excess of 15,000 pages. It is supplemented monthly with replacement pages. A year subscription to the full publication including supplements can be purchased for seven hundred and fifty dollars ($750.00). Individual volumes may also be purchased with supplement service. Renewal subscriptions for supplements to the initial publication are available.

Requests for pages of rules or volumes of the NCAC should be directed to the Office of Administrative Hearings.

* An agency must accept comments for at least 30 days after the proposed text is published or until the date of any public hearing, whichever is longer. See G.S. 150B-21.2(f) for adoption procedures.

** The "Earliest Effective Date" is computed assuming that the agency follows the publication schedule above, that the Rules Review Commission approves the rule at the next calendar month meeting after submission, and that RRC delivers the rule to the Codifier of Rules five (5) business days before the 1st business day of the next calendar month.

Revised 07/93
EXECUTIVE ORDER NO. 37
CITIZEN ACCESS TO PUBLIC RECORDS MAINTAINED BY STATE GOVERNMENT

WHEREAS, the State of North Carolina has one of the country's best laws on citizen access to public information; and

WHEREAS, a general climate of openness has protected North Carolina citizens from widespread scandal; and

WHEREAS, such a climate of openness led former Treasurer Edwin Gill to declare that, "In North Carolina, good government is a habit"; and

WHEREAS, technological advances give citizens access and the ability to analyze large volumes of public information, participating in their government in ways inconceivable just a decade ago; and

WHEREAS, virtually all state government information and records now are maintained on electronic, computerized data bases;

NOW, THEREFORE, by the authority vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1. Purpose.
That all state agencies shall have a clear understanding that state law carries a strong presumption that public information belongs to the public; that citizens have access to that information in any medium in which the agency is capable of providing it; and that such information should be made available at the actual cost of reproduction.

Section 2. Applicability.
This Executive Order, shall apply to the Department of Administration and the Department of Transportation, hereinafter "the agencies." At the end of nine months, this Order may be extended to include other agencies in the Executive Branch, after evaluation of implementation costs by the Information Resource Management Commission. The agencies shall keep records of the names and addresses of persons requesting information and of the costs, including the time spent by state employees in complying with this Order.

Section 3. Responsibilities.
(a) In order to facilitate public access to and copying of public information maintained in electronic form, a register of information within the agencies shall be developed within one year of the issuance of this executive order. The register shall contain, at a minimum, names of the data bases and each of their fields; a description of each record series; information as to the frequency with which the data base is updated; a list of any data fields to which public access is restricted; a description of each form in which the data base can be copied or reproduced using the state agency's existing computer programs or the agency's custodian of public information; and a schedule of fees collectible for the production of copies in each form.

The register shall be written in language designed to be comprehensible to persons lacking detailed knowledge of computer language or formats. The form, content, and language of such a register shall be as prescribed by the Information Resource Management Commission, with the advice of the Division of Archives and History. Until such time as the register is developed, the agencies shall be responsible for creating an initial, annotated list of all public electronic information that the agency is required to maintain by law. The annotated list also must include a schedule of fees collectible for the production of copies of public information in each form. The form and content of the annotated list shall be determined by the Information Resource Management Commission, with the advice of the Division of Archives and History. The agencies must complete their annotated lists within three months of the issuance of this Executive Order.

(b) No request to inspect, examine, or obtain copies of public information shall be denied on the grounds that confidential information is commingled with the requested non-confidential information. If it is necessary to separate confidential from non-confidential information in order to permit the inspection, examination, or copying of public information, the state agency shall bear the cost of such separation.

(c) Computer hardware or software purchased by the agency after the effective date of this Executive Order should be capable of easily separating confidential information maintained on the same data base.

Section 4. Access and Fees.
(a) Persons requesting copies of public information may elect to obtain them in any media which the agency currently has available. No request for copies of public information in a particular medium shall be denied on the grounds that the custodian has made or prefers to make the public infor-
information available in another medium. The agency is not required to change the medium of an existing public record in order to fulfill a request. The agency is not required to maintain obsolete hardware or software merely because a person prefers to obtain public information in the format produced by obsolete hardware or software.

(b) Persons requesting printed copies of public information may request that the copies be certified. The fees for certifying copies of public information shall be as provided by law. Except as otherwise provided by law, the agencies shall not charge a fee for an uncertified copy of public information that exceeds the actual cost to the state agency making the copy. "Actual cost" may include the cost of the materials and supplies needed to duplicate the information, but may not include labor costs or agency overhead. However, a special service charge may be added to the actual cost of duplication if the request requires extensive use of information technology resources or extensive clerical assistance. The term "extensive use of technology resources" and "extensive clerical assistance" are meant to reflect only extraordinary costs. The special service charge must be reasonable, and must reflect only the cost incurred for the use of extensive information technology resources or the cost actually incurred by the agency or attributable to the agency for clerical assistance required to fulfill the request.

(c) If anyone requesting public information from any state agency is charged a fee that the requestor believes to be unfair or unreasonable, the requestor may ask the Information Resource Management Commission to mediate the dispute.

Section 5. Effect of Other Executive Orders.

All other Executive Orders or portions of Executive Orders inconsistent herewith are hereby rescinded.

This Executive Order shall be effective immediately, and shall expire in nine months, unless extended by further Executive Order.

Done in the Capital City of Raleigh, North Carolina, this the 28th day of January, 1994.

CHAPTER 38 - STANDARDS DIVISION

SECTION .0400 - METHOD OF SALE OF COMMODITIES

.0401 ADOPTION BY REFERENCE
The Board hereby adopts by reference in accordance with G.S. 150B-14(c) the National Institute of Standards and Technology, Handbook 130, "Method of Sale of Commodities Regulation" with the following additions and exceptions:
(1) Delete Section 1.2., "Bread", since this is addressed in General Statute G.S. 81A-41.
(2) The preferred method for measuring fireplace and stove wood is by the cord or fractional parts of a cord, however, nothing in Section 2.3., "Fireplace and Stove Wood", shall be construed as preventing the purchaser and seller of fireplace or stove wood from agreeing on a quantity other than a cord or fractional parts of a cord.

Sections 2.9., 2.11., 2.19., 2.20., 4., and 5. are deleted.

Section 2.48 2.19. applies only to kerosene sold in a container or kerosene sold through a retail device. In addition, a container or a device shall clearly and conspicuously indicate for 1-K kerosene "SUITABLE FOR USE IN UNVENTED HEATERS" and for 2-K kerosene "MAY NOT BE SUITABLE FOR USE IN UNVENTED HEATERS".

In Section 2.20., 2.21., the temperature compensation requirements are not mandatory. The price for propane dispensed into containers of less than 240 pounds water capacity may be on a minimum price basis provided the seller clearly and conspicuously displays the minimum price at the point of container fill and point of sale. This Rule does not apply to propane container exchange sales where an empty or partially empty container is exchanged for a full one.

In addition to the definitions set forth in Chapter 74C of the General Statutes of North Carolina, the following definitions will apply to this Section:

1) "Private Investigator Associate" refers to individuals training to become Private Investigators. A Private Investigator Associate must complete three levels of training requirements.

2) "One-on-one Supervision" means person to person contact whereby the licensed investigator is personally and directly supervising or training the Associate. The training investigator must be the sponsoring licensed Private Investigator or any licensed Private Investigator who is a member of the sponsoring Private Investigator's firm, association, or corporation. The Private Investigator Associate may not subcontract his employment to another Private Investigator unless the Administrator has given prior approval. One-on-one supervision may be satisfied if the Associate undergoes training from an individual or educational course approved by the Administrator prior to the Associate receiving the training.

"Training Checklist" refers to the document(s) which must indicate all areas of training and work that the Associate has performed. The supervising Private Investigator must be responsible for maintaining the training checklist and a copy must be given to the Associate. The Training Checklist must further be updated to reflect the date the associate advances from one level to another. The training checklist must be signed by the Associate and the sponsoring Private Investigator at the end of each reporting period. In the event the Associate transfers employment to another Private Investigator, the Associate must provide the new supervising Private Investigator with the training checklist and the new sponsoring Private Investigator will then be responsible for the maintenance of the checklist. The Training Checklist must be updated on a quarterly basis for Level One associates and on a yearly basis for Level Two and Level Three associates. The training checklist must be maintained pursuant to 12 NCAC 7D .0109. When an associate completes Level Three, the Training Checklist must be made a part of the associate's application for a Private Investigator's license. The Board shall have immediate access to the training checklist.

"Associate Log" refers to the document(s) maintained by the sponsoring Private Investigator which must list each case the Associate has worked, the number of hours spent on the case, and the type of work performed. One-on-one training must be specifically documented within the
Associate's log.

Statutory Authority G.S. 74C-5(2).

.1102 TRAINING AND SUPERVISION REQUIRED IN LEVEL ONE

(a) If upon sponsorship, the associate has less than one year or 1,000 hours of verifiable training or experience, the associate will undergo 160 hours of one-on-one supervision training.

(b) The first 40 hours of employment must be one-on-one supervision. The remaining 120 hours of one-on-one supervision must be gathered over the first year of employment or the first 1,000 hours of actual work, whichever comes first.

(c) A Level One Associate can not, independent-ly of the sponsor, accept or contract employment. The Associate must have direct face-to-face or telephone contact with the sponsor or another licensed Private Investigator within the firm, association, or corporation before accepting employment or before accepting a new case.

(d) The sponsor or another licensed Private Investigator associated with the sponsor's firm, association, or corporation must meet with the Level One associate to review the associate's work product. The Private Investigator's review may be by telephone or face-to-face and must occur at least four times per month. The licensed Private Investigator must review each case on which the associate is working or has worked since the last review. Review sessions may encompass more than one case.

Statutory Authority G.S. 74C-5(2).

.1104 TRAINING AND SUPERVISION REQUIRED IN LEVEL THREE

(a) If upon sponsorship the Associate has at least two years or 2,000 hours of verifiable training or experience, the associate will be classified as a Private Investigator Associate and must undergo 40 hours of one-on-one training.

(b) The first 40 hours of employment for the Level Three Private Investigator Associate must be one-on-one supervision.

(c) When the Level Three Associate completes the requirements of Level Three, the associate may apply for a private investigator's license.

(d) The sponsor or another licensed Private Investigator associated with the sponsor's firm, association, or corporation must meet with the Level Three associate to review the associate's work product. The licensed Private Investigator must review each case on which the associate is working or has worked since the last review. Review sessions may encompass more than one case.

(e) The sponsoring Private Investigator must have contact with the Level Three Associate sufficient to ensure compliance with G.S. 74C.

Statutory Authority G.S. 74C-5(2).

.1105 EDUCATIONAL DEGREES AND NON-DEGREE TRAINING

(a) An applicant will receive a minimum of 400 hours of experience credit for an associate's degree. The Administrator or the Board may grant up to 100 additional hours if the applicant can demonstrate that further training or course-work related to the private protective services industry was received while obtaining the associate's degree.

(b) An applicant will receive 800 hours of
experience credit for a bachelor's degree. The Administrator or the Board may grant up to 200 additional hours if the applicant can demonstrate that further training or course-work related to the private protective services industry was received while obtaining the bachelor's degree.

Of the remaining 120 hours of one-on-one supervision required in Level One, the Associate may receive up to 12 hours of credit for time spent in the courtroom observing an actual trial. Of the thousand hours of training required in Level One, the Associate can not receive more than 100 hours of credit for time spent in the courtroom observing an actual trial. To receive credit for courtroom observation, the Level One Associate must indicate in the Associate's Log the docket number of the trial and the time spent observing the actual trial.

Of the remaining 80 hours of one-on-one supervision required in Level Two, the Associate may receive up to 8 hours of credit for time spent in the courtroom observing an actual trial. Of the thousand hours of training required in Level Two, the Associate can not receive more than 100 hours of credit for time spent in the courtroom observing an actual trial. To receive credit for courtroom observation, the Level Two Associate must indicate in the Associate's Log the docket number of the trial and the time spent observing the actual trial.

(f) During the first 40 hours of one-on-one supervision, a Level Three Associate may receive up to 4 hours of one-on-one supervision credit for time spent in the courtroom observing a docketed trial. Statutory Authority G.S. 74C-5(2).

.1108 GRANDFATHER CLAUSE
All associates holding valid training permits at the time this section becomes effective will be grandfathered in at the level their experience dictates. All associates being grandfathered will only be required to watch and successfully complete the training test set forth in 12 NCAC 7D .1109 upon renewal of their training permit.

The sponsoring Private Investigator must submit written certification stating that the applicant has watched the training video and passed the test.

Statutory Authority G.S. 74C-5(2).

.0607 PERMITS-WEIGHT, DIMENSIONS AND LIMITATIONS

(a) Vehicle/vehicle combinations with non-divisible overwidth loads are limited to a maximum width of 15 feet. Authorization for a permit may be given by the Central Permit Office or head of the Maintenance Unit for movement of loads in excess of 15 feet for buildings, structures, electrical equipment, or machinery or mobile/modular homes. If blades of construction equipment or front end loader buckets cannot be angled to extend no more than 12 feet across the roadway, they shall be removed. A blade, bucket or other attachment that is an original part of the equipment as manufactured which has been removed may be hauled with the equipment without being considered a divisible load. Permission to move vehicles wider than 12 feet in width may be denied if considered by the issuing agent to be unsafe to the traveling public or if the highway cannot accommodate the move due to width. Loads must be so placed on vehicle/vehicle combination so as to present least over dimension to traffic.

A single trip permit shall be issued vehicle specific not to exceed a width of 15 feet for all movements unless authorized by the Central Permit Office or Head of Maintenance. Permits for house moves shall be issued as specified in G.S. 20-356 through G.S. 20-372. An exception is mobile/modular homes with a width not to exceed 16 feet to include any overhang shall be permitted for export out of state on approved designated routes.

An annual permit shall be issued vehicle specific not to exceed a maximum width of 12 feet authorizing travel on all highways in North Carolina. Mobile/modular homes being transported from the manufacturer to an authorized North Carolina mobile/modular home dealership are an exception and shall be permitted for a width not to exceed a 14 feet foot unit with an allowable roof overhang not to exceed a total of 12 inches. These mobile homes shall be authorized to travel on designated North Carolina, Interstate and US Highways routes approved by the Department of Transportation.

(b) The maximum weight permitted on a designated route is determined by the bridge capacity of bridges to be crossed during movement. Moves exceeding weight limits for highways or bridge structures may be denied if considered by the issuing agent to be unsafe and if they may cause damage to such highway or structure. A surety bond may be required as determined by the issuing agent to cover the cost of potential damage to pavement, bridges or other damages incurred during the permitted move.

(1) The maximum single trip and annual permit weight allowed for a specific vehicle or vehicle combination not including off highway construction equipment without an engineering study is:

PROPOSED RULES

(no two consecutive set of tandems to exceed 90,000 lbs.)
7 AXLE VEHICLE  gross weight determined after review of schematics

ALL VARIATIONS OF AXLE CONFIGURATIONS OTHER THAN THOSE LISTED WILL REQUIRE SCHEMATICS OF THE VEHICLE TO BE FURNISHED FOR REVIEW BY THE DEPARTMENT OF TRANSPORTATION.

(3) Vehicles hauling sealed ship containers may qualify for an overweight permit provided the vehicles:
   (A) Are going to or from a designated seaport (to include in state and out of state) and have been or will be transported by marine shipment;
   (B) Are licensed for maximum allowable weight allowed in G.S. 20-118;
   (C) Are vehicle/vehicle combinations with at least five axles;
   (D) Have proper documentation (shippers bill of lading or trucking bill of lading) of sealed commodity being transported available for enforcement inspection.

(c) Overlength permits will be limited as follows:
   (1) Single trip permits are limited to 85 feet to include towing vehicle. Approval may be given by the Central Permit Office for permitted loads in excess of 85 feet after review of route of travel. Mobile/modular homes may be issued permits not to exceed 95 100 feet.
   (2) Annual (blanket) permits will not be issued for lengths to exceed 65 feet. Front overhang may not exceed 3 feet unless if transported otherwise would create a safety hazard. Mobile/modular home permits may be issued for a length not to exceed 94 100 feet.

(d) There are no set limits for permitted height as it is controlled by clearances on designated route. The permit shall indicate "Check Height on Structures". The issuance of the permit does not imply nor guarantee the clearance for the permitted load and all vertical clearances shall be checked by the permittee prior to movement underneath.

(e) The move is to be made between sunrise and sunset Monday through Saturday with no move to be made on Sunday. Mobile/modular homes up to a width of a 14 feet unit with an allowable roof overhang not to exceed a total of 12 inches are restricted to travel between sunrise and sunset Monday through 12 noon on Saturday. Mobile/modular homes with a width not to exceed 16 feet to include any overhang are restricted to travel Monday through Thursday 9:00 a.m. to 2:30 p.m. Additional time restrictions may be set by the issuing office if it is in the best interest for safety or to expedite traffic. No movement is permitted for a vehicle/vehicle combination after noon on the day preceding the six holidays of New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day and no movement is permitted until noon on the day following a holiday. Continuous travel (24 hr/7 day/365 days a year) is authorized for any vehicle/vehicle combination up to but not to exceed a gross weight of 94,500 lbs. provided the permitted vehicle has:
   (1) no other over legal dimension of width, height or length is included in the permitted move. Exception: self-propelled equipment may be authorized for continuous travel with properly marked overhang (front and/or rear) not to exceed a total of 10 feet, and
   (2) the vehicle is licensed for the maximum allowable weight determined by extreme axle measurements.

(f) The speed of permitted moves shall be that which is reasonable and prudent for the load, considering weight and bulk, under conditions existing at the time; however, the maximum speed shall not exceed the posted speed limit. Mobile/modular homes 14 feet wide or greater are an exception and are restricted to a speed not to exceed 10 miles per hour below the posted limit. The driver will maintain a safe speed consistent with the traveling public and avoid creating traffic congestion by periodically and relinquishing the traffic way to allow the passage of following vehicles when a build up of traffic occurs. Seven axle self-propelled truck cranes with extreme wheel base of 44 feet shall not exceed a maximum speed of 45 miles per hour.

(g) Additional safety measures are as follows:
   (1) A yellow or orange banner measuring 7 feet x 18 inches bearing the legend "Oversize Load" in 10 inch black letters shall be displayed on the front bumper of the towing unit for all loads in excess of 10 feet wide;
   (2) Red flags measuring 18 inches square shall be displayed on all sides at the widest point of load for all loads in excess of 10 feet wide but the flags shall be so mounted as to not increase the overall width of the load;
(3) Rear view mirrors and other safety devices on towing units attached for movement of overweight loads shall be removed or retracted to conform with legal width when unit is not towing/hauling such vehicle or load;

(4) Flashing amber lights shall be used as determined by the issuing permit office.

(h) The object to be transported shall not be loaded or parked, day or night, on the highway right of way without specific permission from the office issuing the permit.

(i) No move shall be made when weather conditions render visibility less than 500 feet for a person or vehicle. Moves shall not be made when highway is covered with snow or ice or at any time travel conditions are considered unsafe by the Division of Highways, State Highway Patrol or other Law Enforcement Officers having jurisdiction. Movement of a mobile/modular 14 feet unit with an allowable roof overhang not to exceed 12 inches or a 16 foot wide mobile/modular home to include any overhang shall be prohibited when wind velocities exceed 25 miles per hour in gusts.

(j) All obstructions, including traffic signals, signs and utility lines shall be removed immediately prior to and replaced immediately after the move at the expense of the mover, provided arrangements for and approval from the owner is obtained. In no event are trees, shrubs, or official signs to be cut, trimmed or removed without personal approval from the district engineer having jurisdiction over the area involved.

(k) DOT may require escort vehicles accompany oversize or overweight loads. The weight, width of load, length of pavement, height, length of combination, length of overhang, maximum speed of vehicle, geographical route of travel, weather conditions and restricted time of travel will be considered to determine escort requirements.

SECTION .1300 - BOARD DISCIPLINARY PROCEDURES

.1302 UNLAWFUL PRACTICE BY AN UNREGISTERED PERSON
(a) General. Alleged unlawful practice by an unregistered person shall be subject to Board investigation and reference to an agency of the state for appropriate legal action.
(b) Preferring Charges. Any person who believes that any person or corporation is in violation of the acts specified in G.S. 89C may prefer charges against that person or corporation by setting forth in writing those charges and swearing to their authenticity. The charges are to be filed at the Board's office in Raleigh, North Carolina.
(c) Preliminary or Threshold Determination:
(1) Upon receipt of a properly filed charge, an investigation is initiated.
(2) In the discretion of the executive secretary, a field investigation may be performed without notifying any of the parties involved.
(3) After preliminary evidence has been obtained, the matter is referred to the Board’s review committee which is made up of the following individuals:
   (A) one member of the Board,
   (B) the legal counsel of the Board,
   (C) the executive secretary, and
   (D) the violations administrator.
(4) The review committee is specifically delegated the responsibility of recommending to the Board whether there is probable cause to believe that a party against whom a charge has been brought in fact has violated the provisions of G.S. 89C.
(5) Upon review of the available evidence, the review committee makes a threshold determination of the charges brought.

The review committee then presents to the Board written recommendations that:
(A) The investigation be continued,
(B) The charge be dismissed as unfounded or trivial,
(C) When the charge is admitted as true, the Board accept the admission of guilt by the person charged and order him not to commit in the future the specific act or acts admitted by him and, also, not to violate any of the acts of misconduct specified in the law at any time in the future,
(D) The matter be referred to an appropriate agency for necessary legal action.

(d) Board Decision. Notice of decision by the Board on recommendations of the review committee shall be given to the party submitting the charge.

Statutory Authority G.S. 89C-10; 89C-23.
The Rules Review Commission (RRC) objected to the following rules in accordance with G.S. 143B-30.2(c). State agencies are required to respond to RRC as provided in G.S. 143B-30.2(d).

13. Steven Brian Stowe is a student at Wake Tech majoring in criminal justice. He was employed in an undercover capacity by the Raleigh Police Department and paid compensation of $50.00. On June 26 and 27, 1993 Mr. Stowe was 20 years of age. His undercover assignment was to enter the ACC Tavern and attempt to make purchases of alcoholic beverages.

14. On June 25, 1993, prior to midnight, Mr. Stowe entered the ACC Tavern. He had on his person his valid North Carolina driver's license which indicated that he was 20 years of age at the time. A stamp was placed on the underside of his wrist by an employee of the Respondent. The wrist when stamped in this fashion indicated that Mr. Stowe was less than 21 years of age and was not permitted to purchase
alcoholic beverages.

15. At approximately 12:30 a.m. on June 26, 1993, Mr. Stowe approached the bar and ordered one bottle of Budweiser Beer. Ms. Joanna Sawyer, an employee of the Respondent, sold the malt beverage to Mr. Stowe. Mr. Stowe proceeded to the restroom on the premises and met there with Detective Murphy of the Raleigh Police Department. The malt beverage was turned over to Detective Murphy who determined that it was an alcoholic malt beverage. Detective Murphy disposed of the malt beverage. Mr. Stowe made a second purchase of an alcoholic malt beverage at 1:03 a.m. Mr. Stowe purchased a Budweiser beer from Joanna Sawyer, the Respondent's employee. At 12:50 a.m. Mr. Stowe purchased a wine based cocktail known as "Sex on the Beach" from Donna Mitchell, Respondent's employee. He proceeded to the restroom on the premises and delivered it to Detective Murphy. At 1:30 a.m. on June 27, 1993, Mr. Stowe purchased from Joanna Sawyer, Respondent's employee, another alcoholic beverage. Mr. Stowe proceeded to the restroom and Detective Murphy identified the alcoholic beverage and disposed of the same.

18. On June 26 and 27, 1993, Mr. Stowe, in his undercover capacity, made six consecutive purchases of alcoholic beverages at a time when he was less than 21 years of age. At all times Mr. Stowe's hands were stamped in a manner indicating that he was underage to purchase malt beverages, and his hands were in plain view, not concealed.

19. At no time on June 26 or 27, 1993 did any employee of the Respondent who sold alcoholic beverages to Mr. Stowe attempt to determine or verify his age.

20. On June 26 and 27, 1993, Mr. Hopkins occasionally consumed alcoholic malt beverages while on the premises. He believed that his activity encouraged others to purchase malt beverages.

21. On July 2, 1993 Bob D. Droke entered the Respondent's premises. He had in his possession a false identification (I.D.). The photograph on the military I.D. did not resemble Mr. Droke. The I.D. did represent that Mr. Droke was over the age of 21. On July 2, 1993, Mr. Droke was 20 years old. Mr. Droke was admitted to Respondent's premises as being over 21 years of age and stamped accordingly.

22. There were approximately 25 patrons on the premises on July 2, 1993, during the times in question.

23. At 10:30 p.m. July 2, 1993, Mr. Droke purchased a malt beverage, a Rolling Rock Beer, from Donna Mitchell, Respondent's employee. At 10:50 p.m., Mr. Droke purchased a second malt beverage, a Corona beer, from Joanna Sawyer, Respondent's employee. At 11:00 p.m., Mr. Droke purchased a third malt beverage, a Corona beer, from Donna Mitchell, Respondent's employee. At 11:15 p.m., Mr. Droke purchased a fourth malt beverage, a Corona beer, from Respondent's employee.

24. Mr. Hopkins was seated in the bar area during the occasions when Mr. Droke purchased the malt beverages. Mr. Hopkins was handed a clipboard with business papers on it by the bartender. He reviewed the papers and handed them back to the bartender.
25. Mr. Droke was charged with purchasing alcoholic beverages under the age of 21 and having a fictitious I.D. card in his possession. Mr. Droke pled guilty to these criminal charges.

26. At approximately 11:00 p.m. on July 2, 1993, Stephen Ragan had in his possession a malt beverage and was consuming therefrom. He had a very youthful appearance and was 18 years old. Mr. Ragan was criminally charged with possession of a malt beverage, being less than 21 years old. He was placed in a deferred prosecution program.

27. On July 2, 1993, Erin Brandon was on the Respondent's premises. On July 2, 1993, Ms. Brandon was 18 years old. She had in her possession on this occasion an alcoholic beverage in a cup which she received from a companion and was drinking from the alcoholic beverage. Upon entering the club on this date, Ms. Brandon was stamped on the underside of her wrist indicating that she was less than the legal drinking age.

28. During the evening of July 2, 1993, Amy Yvette Atkinson purchased from the Respondent's employee, two malt beverages, a Corona Beer and a Zima Beer. After purchasing these malt beverages, Ms. Atkinson consumed both of those on the premises. Ms. Atkinson, on July 2, 1993, was 17 years old.

29. Ms. Atkinson gained entrance to the Respondent's establishment by way of a membership card issued by the Respondent which indicated that she was over the age of 21 years. Ms. Atkinson was permitted, on a prior occasion, to apply and fill out her own identification card. No valid identification was requested or provided by Ms. Atkinson before completing her own identification card.

30. On July 2, 1993, after presenting the identification card issued by Respondent, Ms. Atkinson was stamped on the top of her wrist, which indicated that she was above the age of 21 years old.

31. On the evening of July 2, 1993, Ms. Atkinson was engaged in a conversation with Mr. Hopkins at the bar at a time when she purchased and consumed a malt beverage. It was placed on the bar in front of her. She was approximately one to two feet away from Mr. Hopkins. Mr. Hopkins observed Ms. Atkinson purchase and consume the malt beverage.

32. On July 2, 1993, Mary Jackson, age 20, consumed a portion of a malt beverage, a Bud Dry, on Respondent's premises. On this occasion, Ms. Jackson had gained entrance to the Respondent's establishment and had not produced any identification. She represented to Respondent's employee at the door that she was over the age of 21. Her wrist was stamped on top which indicated that she was over the age of 21. The Bud Dry alcoholic beverage was purchased for her by a companion who was over the age of 21 years. On prior occasions, Ms. Jackson had consumed alcoholic beverages on Respondent's premises.

33. On June 26, 27 and July 2, 1993, Mr. Hopkins had in his possession a clipboard containing Respondent's business papers. He also had in his possession in front of him on the bar a walkie-talkie radio device for the purpose of transmitting and receiving information from Respondent's employee at the door and Respondent's employee acting as a disc jockey. The floor bouncers, Respondent's employees who patrol the premises, also have a device wherein they can listen to transmissions from the walkie-talkies.

34. On the evening of June 26, 1993, Mr. Hopkins had performed repairs to the ice machine on the premises. During the same evening, from time to time, Mr. Hopkins monitored the machine to determine if it was working properly.

35. Stephen Paquette was present on Respondent's premises on the evening of June 26, 1993 and the morning of June 27, 1993. On the dates in question, Mr. Paquette was 20 years old. Mr. Paquette was admitted to the premises and was stamped on the bottom of his hand indicating that he was less than 21 years old. Mr. Paquette purchased two malt beverages from an employee of Respondent and consumed these malt beverages on the premises.

36. Normally on Friday and Saturday evening approximately one third of all patrons are below
CONTESTED CASE DECISIONS

age 21.

37. Mr. Paquette had previously visited the Respondent's premises. He is a soldier at Fort Bragg, North Carolina, and is attached to the military police. He has previously purchased malt beverages in the Respondent's establishment at a time when he was less than 21 years of age.

38. On the early morning of June 27, 1993, Mr. Paquette participated in a contest at Respondent's establishment. Mr. Hopkins was present on the premises and seated at the bar. There were approximately 125 patrons on the premises on this occasion.

39. The contest involved removal of articles of clothing by both male and female contestants although the removal of clothing is discretionary with the contestants. The contestants were drawn from the patrons present on the premises who indicated a willingness to participate. No fixed age restrictions applied to the contestant participation or to the patrons admitted to the establishment. Instructions are given to the contestants verbally by Mr. McGuire. Contestants are instructed that they are not to expose themselves.

40. Mr. Paquette was one of four men who participated in the preliminary round. There were five females who participated as well. The contestants were required to dance while music was played. Male contestants stripped to their undershorts and female contestants to their undergarments. While Mr. Paquette participated in the preliminary round of the contest, an unidentified female who was not a contestant or participant, pulled down Mr. Paquette's shorts, exposing his genitals.

41. Both Mr. Brendell and Mr. McGuire, employees of Respondent, observed this conduct. Mr. McGuire communicated this activity to Mr. Hopkins by saying: "I alerted John who was standing there watching me. I said, did you see that girl?" Mr. Hopkins monitored the contest with Mr. McGuire from the D.J. booth. Mr. Hopkins denies seeing the incident.

42. There were no obstructions between Mr. Paquette and the patrons who were present on the premises. Mr. Paquette was dancing on a darker platform approximately three feet above the floor, which is referred to as a "wall." The contest is known as the "Wall Dance" and is sanctioned and promoted by Respondent for the entertainment of the patrons.

43. During the final round of the contest, Mr. Paquette exposed his genitals on two separate occasions. Each time he exposed himself, there was a general elevation in the applause and noise that was made by the patrons observing the contest. There was sufficient lighting in the establishment directed at the contestants to illuminate the contestants so that they could be clearly seen. During the final round of the contest, Mr. Paquette pulled his shorts to the side voluntarily and no patron or other person assisted him.

44. Mr. Paquette was declared the winner among the male contestants. Mr. Paquette approached Mr. Hopkins after the contest and Mr. Hopkins provided Mr. Paquette with the cash prize of $25.00.

Based upon the foregoing Stipulations and Findings of Fact, the undersigned makes the following:

13. G.S. 18B-302(d)(1) establishes a defense to the sale of malt beverages and unfortified wine to anyone less than 21 years of age if such person produces a designated identification card "showing his age to be at least the required age for purchase and bearing a physical description of the person named on the card reasonably describing the purchaser;"

14. On the evenings of June 25 and June 26, 1993, Respondent sold malt beverages and unfortified wine to Steven Brian Stowe who at the time of the sale and consumption of these alcoholic beverages was a person less than 21 years of age, in violation of G.S. 18B-302(a)(1) and G.S. 18B-1005(a)(1).

15. At all times Steven Brian Stowe had a valid North Carolina driver's license to identify his age. He had been identified as a person of less than 21 years of age and yet, on six different occasions, Mr. Stowe made consecutive purchases from Respondent's employees, Ms. Joanna Sawyer and Ms. Donna Mitchell. The Respondent President, Mr. John Hopkins, was present on the premises and seated at the bar on the occasions of these purchases. Under these factual findings, the Respondent has violated 4 NCAC 2S .0233 by permitting Mr. Stowe to possess and consume alcoholic beverages on the licensed premises although Respondent's employee had determined that Mr. Stowe was less than 21 years of age. The knowledge of the Respondent's employee who determined that Mr. Stowe was less than 21 years of age must be, by law, imputed to the permittee.
16. Mr. Droke purchased, possessed and consumed four malt beverages on the evening of July 2, 1993 at a time when he was less than 21 years old. Purchases were made from Respondent's employees. The Respondent's President, Mr. John Hopkins, was present on the premises and seated at the bar on the occasions of these purchases. Under these factual findings, the Respondent has violated G.S. 18B-302(a)(1), G.S. 18B-302(b)(1), G.S. 18B-1005(a)(1) and 4 NCAC 2S .0233 by permitting Mr. Droke to purchase, possess and consume alcoholic beverages on the licensed premises because it is Respondent's duty to determine the correct legal age of the persons to whom the permittee serves alcoholic beverages. No evidence was offered by the Respondent as to whether or not Mr. Droke gained admission to the premises by the use of the false identification nor did Respondent dispute that the false identification did not resemble Mr. Droke.

17. On July 2, 1993, Steven Ragan possessed and consumed a malt beverage on Respondent's premises. He had a very youthful appearance and was 18 years old. Under these factual findings, the Respondent has violated G.S. 18B-302(b)(1), G.S. 18B-1005(a)(1) and 4 NCAC 2S .0233 by permitting Mr. Ragan to possess and consume alcoholic beverages on the licensed premises. Respondent's employees had the legal responsibility for determining Mr. Ragan's age and to prevent the underage consumption of malt beverages by this individual.

18. On July 2, 1993, Erin Brandon, age 18, was on Respondent's premises and had in her possession an alcoholic beverage. Ms. Brandon was stamped on the underside of her wrist indicating she was less than the legal drinking age. Under these factual findings, the Respondent has violated G.S. 18B-302(a)(1), G.S. 18B-1005(a)(1) and 4 NCAC 2S .0233 by permitting Ms. Brandon to possess an alcoholic beverage on the licensed premises. Respondent's employee had determined that Ms. Brandon was less than 21 years of age. The knowledge of the Respondent's employee who determined that Ms. Brandon was less than 21 years of age must be, by law, imputed to the permittee and Respondent's other employees.

19. During the evening of July 2, 1993, Amy Yvette Atkinson purchased from Respondent's employees two malt beverages; she possessed and consumed these malt beverages. She gained entrance to the Respondent's premises through a false identification card issued by Respondent but with no scrutiny or supervision in the means by which she obtained this identification. She was engaged in conversation with Mr. Hopkins at the bar at the time that she purchased and consumed a malt beverage. Under these factual findings, the Respondent has violated G.S. 18B-302(a)(1), G.S. 18B-302(b)(1), G.S. 18B-1005(a)(1) and 4 NCAC 2S .0233 by permitting Ms. Atkinson to purchase, possess and consume alcoholic beverages on the licensed premises under the lawful drinking age. It was Respondent's affirmative duty to ascertain Ms. Atkinson's correct age before selling and permitting her to consume alcoholic malt beverages.

20. On July 2, 1993, Mary Jackson, age 20, consumed a portion of a malt beverage on Respondent's premises. Ms. Atkinson had gained entrance to the premises by falsely representing that she was over the age of 21. Under these factual findings, the Respondent has violated G.S. 18B-302(b)(1), G.S. 18B-1005(a)(1) and 4 NCAC 2S .0233 by permitting Ms. Jackson to possess alcoholic beverages on the licensed premises at a time when she was less than 21 years of age.

21. On the morning of June 27, 1993, Mr. Paquette, while participating in the "Wall Dance" contest had his genitals exposed by an unidentified female patron who pulled down his shorts. Respondent and his employees who witnessed this activity are responsible under G.S. 18B-1005(a)(4) to prevent and prohibit any conduct and/or entertainment by persons whose private parts are exposed. 4 NCAC 2S .216(a)(3) prohibits any person from displaying genitals. Under 4 NCAC 2S .0201 the permittee is under a burden to be responsible for all patrons. By sponsoring and sanctioning such entertainment on Respondent's premises, Respondent must be held accountable for the incident. Respondent expressly warns contestants not to expose themselves but when the exposure happens, the permittee cannot ignore the conduct. Once the exposure occurs during a contest that the permittee sanctions, the Respondent becomes liable for the patron's conduct. The patron, in effect, becomes the agent of the Respondent.

22. On the evening of June 27, 1993, Mr. Paquette voluntarily exposed himself a second and third time in the presence of Respondent's employees and Respondent's President. Mr. McGuire and Mr. Brendell had actual knowledge of the first exposure and communicated this to Mr. Hopkins. At this point, they were
put on notice of the potential for this activity to be repeated although they may not have foreseen the exact manner in which it could have been repeated. The knowledge of the employees will be imputed to the Respondent. (See Fay v. Board of Alcoholic Control, 30 N.C. App. 492, 227 S.E.2d 298, cert. denied, 291 N.C. 175, 229 S.E.2d 698 (1976), Dove v. North Carolina Board of Alcoholic Control, 37 N.C. App. 605, 608, 246 S.E.2d, 584 (1978). As a consequence, Respondent has violated G.S. 18B-1005(a)(4) and 4 NCAC 2S .0216(a)(3) by allowing and permitting Mr. Paquette to display his genitals on the permittee's premises.

23. On July 2, 1993, at approximately 11:30 p.m., Respondent's President, Mr. Hopkins, did consume alcoholic beverages on the licensed premises in violation of 4 NCAC 2S .0212(a)(3). This regulation prohibits the permittee from consuming alcoholic beverages. If the permittee consumes, he shall not perform any service of any nature while or after consuming alcoholic beverages. (emphasis added) Mr. Hopkins, on July 2, 1993, was talking to and communicating with his staff through radio transmitters and reviewing business papers on a clipboard. Mr. Hopkins, by consuming alcoholic beverages while performing services, is found in violation of 4 NCAC 2S .0212(a)(3).

24. Respondent's establishment is placed in an awkward position of having to admit minors into an establishment that primarily serves alcoholic beverages to those who are 21 years of age and slightly older. Although Respondent has attempted to inform its employees as to the ABC laws and to devise an identification system by stamping a patron's wrist, the methods employed did not satisfactorily prohibit the underage purchase and consumption of alcoholic beverages on this licensed premises.

25. Respondent has a policy to routinely admit young minors to his premises, some as young as 16 years old. Respondent cannot refuse to accept responsibility and accountability for Mr. Paquette's unlawful genital exposure. By conducting such a contest, particularly where young minors are present and then to later try to distance himself from the patron's and contestant's unlawful actions, by asserting Respondent lacks sufficient knowledge of the incident, is to abrogate responsibility for an event the Respondent created. The patron's indecent exposure was not an isolated event but was made with the knowledge of Respondent's employees and in furtherance of Respondent's business purpose.

26. Due to the inordinate number of underage drinking violations in this establishment on June 26, 27 and July 2, 1993, and due to Respondent's past violations and due to the indecent exposure incident that occurred in a contest promoted by Respondent and in the presence of young minors, the undersigned finds that a penalty of $1,000.00 with a three year revocation of ABC permits with one year suspension after the completion of two years of active revocation (or a more severe sanction) is justified under the Findings of Fact and Conclusions of Law.

Based upon the foregoing Stipulations, Findings of Fact and Conclusions of Law, the undersigned issues the following:

RECOMMENDED DECISION

The Chief Administrative Law Judge recommends to the Petitioner, ABC Commission, that all of Respondent's ABC permits, 29958A, On Premises Malt Beverage, and 29958C, Unfortified Wine, be revoked for a period of three years but that the last one year of the three year revocation by stayed upon the condition that Respondent not violate any of the ABC statutes or rules and that the Respondent pay a fine of $1,000.00.

ORDER

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statute 150B-36(b).

NOTICE

The agency making the final decision in this contested case is required to give each party an
opportunity to file exceptions to this recommended decision and to present written arguments to those in the agency who will make the final decision. G.S. 150B-36(a).

The agency is required by G.S. 150B-36(b) to serve a copy of the final decision on all parties and to furnish a copy to the parties' attorney of record and to the Office of Administrative Hearings.

The agency that will make the final decision in this contested case is the North Carolina Alcoholic Beverage Control Commission.

This the 24th day of January, 1994.

Julian Mann, III
Chief Administrative Law Judge
The North Carolina Administrative Code (NCAC) has four major subdivisions of rules. Two of these, titles and chapters, are mandatory. The major subdivision of the NCAC is the title. Each major department in the North Carolina executive branch of government has been assigned a title number. Titles are further broken down into chapters which shall be numerical in order. The other two, subchapters and sections are optional subdivisions to be used by agencies when appropriate.
