WHEREAS, due to the approach of winter storm Pax, vehicles bearing equipment and supplies for utility restoration and debris removal, carrying essentials such as food and medicine, transporting livestock and poultry and feed for livestock and poultry need to be moved on the highways of North Carolina; and

WHEREAS, I have declared that a state of emergency as defined in N.C.G.S. §§ 166A-19.3(6) and 166A-19.3(19) exists due to the approaching winter storm and its likely impact in this State. WHEREAS, the uninterrupted supply of electricity, fuel oil, diesel oil, gasoline, kerosene, propane, liquid petroleum gas, food, water, livestock and poultry feed, and medical supplies to residential and commercial establishments is essential before, during and after the winter storm and any interruption in the delivery of these commodities threatens the public welfare; and

WHEREAS, the prompt restoration of utility services to citizens is essential to their safety and well-being; and

WHEREAS, under the provisions of N.C.G.S. § 166A-19.30(b)(3) the Governor, with the concurrence of the Council of State, may regulate and control the flow of vehicular traffic and the operation of transportation services; and

WHEREAS, with the concurrence of the Council of State, I have found that bearing equipment and supplies for utility restoration, carrying essentials and for debris removal must adhere to the registration requirements of N.C.G.S. § 20-86.1 and 20-382, fuel tax requirements of N.C.G.S. § 105-449.47, and the size and weight requirements of N.C.G.S. §§ 20-116 and 20-118. I have further found that citizens in this State may suffered losses and will likely suffer imminent further widespread damage within the meaning of N.C.G.S § 166A-19.3(3) and N.C.G.S. § 166A-19.21(b); and

WHEREAS, pursuant to N.C.G.S. § 166A-19.70(g) on the recommendation of the Commissioner of Agriculture, upon a finding that there is an imminent threat of severe economic
loss of livestock or poultry, the Governor shall direct the Department of Public Safety to temporarily suspend weighing those vehicles used to transport livestock and poultry; and

WHEREAS, 49 CFR § 390.23 allows the Governor of a state to suspend the rules and regulations under 49 CFR Part 395 for up to 30 days if the Governor determines that an emergency condition exists; and

WHEREAS, under N.C.G.S. § 166A-19.70, the Governor may declare that the health, safety, or economic well-being of persons or property requires that the maximum hours of service for drivers prescribed by N.C.G.S. § 20-381 should be waived for persons transporting essential fuels, food, water, medical supplies, food for livestock and poultry, transporting livestock and poultry and for vehicles used in the restoration of utility services.

NOW, THEREFORE, pursuant to the authority vested in me as Governor by the Constitution and the laws of the State of North Carolina, IT IS ORDERED:

Section 1.

The Department of Public Safety in conjunction with the North Carolina Department of Transportation shall waive the maximum hours of service for drivers prescribed by the Department of Public Safety pursuant to N.C.G.S. § 20-381.

Section 2.

The Department of Public Safety in conjunction with the Department of Transportation shall waive certain size and weight restrictions and penalties arising under N.C.G.S. §§ 20-116 and 20-118, and certain registration requirements and penalties arising under N.C.G.S. §§ 20-86.1, 20-382, 105-449.47, and 105-449.49 for vehicles transporting equipment and supplies for the restoration of utility services, carrying essentials and for equipment for any debris removal. The Department of Public Safety shall temporarily suspend weighing pursuant to N.C.G.S. § 20-118.1 vehicles used to transport livestock and poultry in the emergency area.

Section 3.

Notwithstanding the waivers set forth above, size and weight restrictions and penalties have not been waived under the following conditions:

a. When the vehicle weight exceeds the maximum gross weight criteria established by the manufacturer (GVWR) or 90,000 pounds gross weight, whichever is less.

b. When the tandem axle weight exceeds 42,000 pounds and the single axle weight exceeds 22,000 pounds.

c. When a vehicle and vehicle combination exceeds 12 feet in width and a total overall vehicle combination length of 75 feet from bumper to bumper.

d. a. The $50.00 fee listed in N.C.G.S. § 105-449.49 for a temporary trip permit is waived for the vehicles described above. No quarterly fuel tax is required because the exception in N.C.G.S. § 105-449.45(a)(1) applies.

CHAPTER 57 – APPRAISAL BOARD

Notice is hereby given in accordance with G.S. 150B-21.2 that the NC Appraisal Board intends to adopt the rule cited as 21 NCAC 57B.0101, amend the rules cited as 21 NCAC 57B .0101, .0102, .0201-.0203, .0207-.0209, .0301-.0303, .0407; 57B .0102, .0201-.0203, .0207-.0209, .0301-.0303, .0306-.0307, .0401, .0603-.0605; 57C .0101, .0102, .0201, .0204, .0206, .0210, .0301-.0303, .0407; 57B .1003, .0614, amend the rules cited as 21 NCAC 57A .0101, .0102, .0201-.0203, .0207-.0209, .0301-.0303, .0407; 57B .0102, .0201-.0203, .0207-.0209, .0301-.0303, .0306-.0307, .0401, .0603-.0605; 57C .0101, .0102, .0201, .0204, .0206, .0210, .0301-.0303, .0407; 57B .0614, and repeal the rule cited as 21 NCAC 57B .0104.

Public Hearing:
Date: May 6, 2014
Time: 9:00 a.m.
Location: 5830 Six Forks Road, Raleigh, NC 27609

Reason for Proposed Action: Most changes are the result of S.L. 2013-403, which reinstated the category of licensed residential, changed some requirement for upgrading a credential, and added a surety bond requirement for appraisal management companies. Staff and stakeholders no longer use the term "precertification" when referring to required education; the term now generally used is "qualifying", so changes are proposed to bring the rule into conformity with common usage. Other changes are proposed as a result of input from stakeholders. USPAP requires appraisers to keep records only for 5 years, but the agency has received complaints regarding appraisal performed beyond that date. An amendment to the rules would make it clear that the agency will not accept a complaint if the applicable record keeping requirement has expired. Other amendments are made for clarification. For proposed new rule 21 NCAC 57B .0614, the Appraisal Board staff has been teaching the trainee/supervisor class since 2005. Pursuant to S.L. 2013-403, both trainees and supervisors will be required to take the class. The agency will be turning the class over to private education providers to teach, but will maintain control over who can teach the course as well as the course content.

(e) Applicants for licensure or certification who are currently registered trainees must submit a copy of their complete appraisal log. Applicants for certification who are currently licensed or certified appraisers must submit an appraisal log showing that they possess the requisite amount and length of experience as set forth in Paragraphs (c) and (d) of this Rule. 21 NCAC 57A .0204 CONTINUING EDUCATION

(a) All registered trainees, real estate appraiser licensees, and certificate holders shall, upon the renewal of their registration, license, or certificate in every odd-numbered year, present evidence satisfactory to the Board of having obtained continuing education as required by this Section. Trainees and appraisers who initially registered with the Board after January 1 of an odd numbered year are not required to show continuing education credit for renewal of their registration in that odd numbered year.

(b) Each trainee, licensee, and certificate holder who must complete continuing education pursuant to Paragraph (a) of this Rule must complete 28 hours of continuing education before June 1 of every odd numbered year. Except as provided in Paragraphs (g) and (h) of this Rule, such education must have been obtained by taking courses approved by the Board for continuing education purposes, at schools approved by the Board to offer such courses. Such education must relate to real estate appraisal and must contribute to the goal of improving the knowledge, skill and competence of trainees, and licensed and certified real estate appraisers. There is no exemption from the continuing education requirement for trainees or appraisers whose registered, licensed or certified status has been upgraded to the level of licensed residential, certified—residential, or certified general appraiser since the issuance or most recent renewal of their registration, license, or certificate, and courses taken to satisfy the requirements of a higher level of certification shall not be applied toward the continuing education requirement. Trainees, licensees, and certificate holders shall not take the same continuing education course more than once during the two year continuing education cycle.

(c) Each appraisal continuing education course must involve a minimum of three and one-half classroom hours of instruction on real estate appraisal or related topics such as the application of appraisal concepts and methodology to the appraisal of various types of property; specialized appraisal techniques; laws, rules or guidelines relating to appraisal; standards of practice and ethics; building construction; financial or investment analysis; land use planning or controls; feasibility analysis; statistics; accounting; or similar topics. The trainee, licensee, or certificate holder must have attended at least 90 percent of the scheduled classroom hours for the course in order to receive credit for the course.

(d) Each trainee, licensee, and certificate holder who is required to complete continuing education pursuant to Paragraph (a) of this Rule must, as part of the 28 hours of continuing education required in Paragraph (b) of this Rule, complete the seven hour National USPAP update course between October 1 of an odd-numbered year and June 1 of an even numbered year, as required by the Appraiser Qualifications Board of the Appraisal Foundation, or its equivalent. USPAP is updated every even numbered year, and each trainee, licensee, and certificate holder shall take the most recent USPAP update course prior to June 1 of every even numbered year.

(e) A trainee, licensee, or certificate holder who elects to take approved continuing education courses in excess of the requirement shall not carry over into the subsequent years any continuing education credit.

(f) Course sponsors must provide a certificate of course completion to each trainee, licensee, and certificate holder successfully completing a course. In addition, course sponsors must send directly to the Board a certified roster of all who successfully completed the course. This roster must be sent within 15 days of completion of the course, but not later than June 15 of each year. In order to renew a registration, license, or certificate in a timely manner, the Board must receive proper proof of satisfaction of the continuing education requirement prior to processing a registration, license, or certificate renewal application. If proper proof of having satisfied the continuing education requirement is not provided, the registration, license, or certificate shall expire and the trainee, licensee, or certificate holder shall be subject to the provisions of Rules .0203(e) and .0206 of this Section.

(g) A current or former trainee, licensee, or certificate holder may request that the Board grant continuing education credit for a course taken by the trainee, licensee, or certificate holder that is not approved by the Board, or for appraisal education activity equivalent to a Board-approved course, by making such request and submitting a non-refundable fee of fifty dollars ($50.00) as set out in G.S. 93E-1-8(d) for each course or type of appraisal education activity to be evaluated. Continuing education credit for a non-approved course shall be granted only if the trainee, licensee, or certificate holder provides satisfactory proof of course completion and the Board finds that the course satisfies the requirements for approval of appraisal continuing education courses with regard to subject matter, course length, instructor qualifications, and student attendance. Appraisal education activities for which credit may be awarded include teaching appraisal courses, authorship of appraisal textbooks, and development of instructional materials on appraisal subjects. Up to 14 hours of continuing education credit may be granted in each continuing education cycle for participation in appraisal

education activities. Trainees or licensed or certified appraisers who have taught an appraisal course or courses approved by the Board for continuing education credit are deemed to have taken an equivalent course and are not subject to the fee prescribed in G.S. 93E-1-8 (d), provided they submit verification satisfactory to the Board of having taught the course(s). A trainee, licensee, or certificate holder who teaches a Board-approved continuing education course may not receive continuing education credit for the same course more than once every two years, regardless of how often he teaches the course. Requests for equivalent approval for continuing education credit must be received before June 15 of an odd-numbered year to be credited towards the continuing education requirement for that odd-numbered year. Equivalent approval shall be granted only for courses that are 7 hours or longer, and shall only be granted for a minimum of 7 hours.

(h) A trainee, licensee, or certificate holder may receive continuing education credit by taking any of the Board-approved precertification courses, other than Basic Appraisal Principles and Basic Appraisal Procedures, or their approved equivalents. Trainee, licensees, and certificate holders who wish to use a precertification course for continuing education credit must comply with the provisions of 21 NCAC 57B .0604.

(i) A licensee or certificate holder who resides in another state, is currently credentialed in another state and is active on the National Registry in another state may satisfy the requirements of this section, other than the seven hour National USPAP update course requirement in Paragraph (d) of this Rule, by providing a current letter of good standing from another state showing that the licensee or certificate holder has met all continuing education requirements in the other state, including the most recent edition of USPAP. A licensee or certificate holder who became licensed in North Carolina by licensure or certification with another state and now resides in North Carolina may renew by letter of good standing for his or her first renewal as a resident of North Carolina only if the appraiser moved to North Carolina on or after January 1 of an odd-numbered year. If an appraiser was a resident of this state before January 1 of an odd-numbered year, the appraiser must comply with the requirements of this section regardless of how the license or certificate was obtained.

(j) A trainee, licensee, or certificate holder who returns from active military duty on or after February 1 of an odd-numbered year is allowed to renew his or her registration, license, or certificate in that odd-numbered year even if the required continuing education is not completed before June 1 of that year. All required continuing education must be completed within 180 days of when the trainee, licensee, or certificate holder returns from active duty. Failure to complete the required continuing education within 180 days is grounds for revocation. This Rule applies to an individual who is serving in the armed forces of the United States and to whom G.S. 105-249.2 grants an extension of time to file a tax return.

Authority G.S. 93E-1-6(b); 93E-1-7; 93E-1-10.

21 NCAC 57A .0210 TEMPORARY PRACTICE

(a) A real estate appraiser who does not reside in North Carolina and who is licensed or certified by the appraiser licensing or certifying agency in another state may apply to receive temporary appraiser licensing or certification privileges in this State by filing a notarized application with the Board.

(b) Upon filing a completed application accompanied by the fee prescribed in G.S. 93E-1-9(c) and otherwise satisfying the Appraisal Board as to his or her qualifications and eligibility for temporary licensing or certification privileges, an applicant shall be granted a temporary practice permit by the Board authorizing the applicant to perform in this State the appraisal assignment described in such application, provided that the length of time projected by the applicant for completion of the assignment is reasonable given the scope and complexity of the assignment. The fee must be paid by money order, certified check, or cashier's check. The Board may consider whether an applicant's trainee registration or appraiser license or certification is or has been subject to discipline in their resident state or any other
state, and may consider all other information outlined in Rule .0202 of this Section.
(c) Privileges granted under the provisions of this Rule shall expire upon the expiration date set forth in the temporary practice permit. However, upon a showing by the permittee satisfactory to the Appraisal Board that, notwithstanding the permittee's attention to the appraisal assignment, additional time is needed to complete the assignment, the Board shall extend the temporary practice privileges granted under the permittee's temporary practice permit to afford him additional time to complete the appraisal assignment. Such request for extension must be received before the original temporary practice permit expires or it shall not be granted.
(d) Persons granted temporary practice privileges under this Rule shall not advertise or otherwise hold themselves out as being a North Carolina trainee or licensed or certified appraiser. Any appraisal report for an appraisal performed by a trainee in North Carolina must contain a copy of the temporary practice number for that assignment.
(e) A trainee may not apply for a temporary practice permit, and the provisions of Sections (a), (b), (c) and (d) above apply. The supervising appraiser for the trainee must be a North Carolina licensed or certified appraiser. If not, the supervising appraiser must be licensed or certified as a real estate appraiser in another state and must also receive a temporary practice permit for the same assignment as the trainee. The term "trainee" shall include apprentices and others who are licensed and regulated by a state agency to perform real estate appraisals under the supervision of a certified appraiser. If the supervisor is not certified in North Carolina, the supervisor is not required to comply with the provisions of 21 NCAC 57A .0407 in order to supervise a trainee who is appraising in this state pursuant to the temporary practice permit. The supervisor shall actively and personally supervise the trainee on the assignment, and must accompany the trainee on all inspections of property located in this state for the assignment. If a trainee does enter the state to inspect a property located in this state, the trainee must be accompanied by the trainee's supervising appraiser. The trainee's supervisor must be a North Carolina licensed or certified real estate appraiser. If not, the supervising appraiser must be licensed or certified as a real estate appraiser in another state and must receive a temporary practice permit for the assignment.
(f) An applicant for a temporary practice permit shall not begin performing any appraisal work in this State until the temporary practice permit has been issued by the Board. If an applicant does begin work before the permit is issued, the temporary practice permit shall be denied.

Authority G.S. 93E-1-9(c) and (d); 93E-1-10.

SECTION .0400 – GENERAL APPRAISAL PRACTICE

21 NCAC 57A .0407 SUPERVISION OF TRAINEES

(a) A certified real estate appraiser may engage a registered trainee to assist in the performance of real estate appraisals, provided that the appraiser:

1. has been certified for at least three years;
2. has no more than three trainees working under him at any one time. A certified residential appraiser may have two trainees working under his or her supervision at any one time. Once at least one of those trainees has completed 50 percent of the required appraisal experience to upgrade, a certified residential appraiser may add another trainee. A certified general appraiser may have three trainees working under his or her supervision. Prior to the date any trainee begins performing appraisals under his or her supervision, the supervisor must inform the Board of the name of the trainee. The supervisor must also inform the Board when a trainee is no longer working under his or her supervision;
3. actively and personally supervises the trainee on all appraisal reports and appraisal related activities until the trainee is no longer under his or her supervision;
4. reviews all appraisal reports and supporting data used in connection with appraisals in which the services of a trainee is utilized, and assures that research of general and specific data has been adequately conducted and properly reported, application of appraisal principles and methodologies has been properly applied, that the analysis is sound and adequately reported, and that any analysis, opinions, or conclusions are adequately developed and reported so that the appraisal report is not misleading;
5. complies with all provisions of Rule .0405 of this Section regarding appraisal reports;
6. reviews and signs the trainee's log of appraisals, which must be updated at least every 30 days. In addition, the supervisor must make available to the trainee a copy of every appraisal report where the trainee performs more than 75 percent of the work on the appraisal; and
7. has not received any disciplinary action regarding his or her appraisal license or certificate from the State of North Carolina or any other state within the previous three years. For the purposes of this Section, disciplinary action means an active suspension, a downgrade of a credential, a revocation, or any other action that affects a supervisor's ability to engage in appraisal practice.

(b) Active and personal supervision includes direction, guidance, and support from the supervisor. The supervising appraiser shall have input into and full knowledge of the appraisal report prior to its completion, and shall make any necessary and appropriate changes to the report before it is transmitted to the client. In addition, the supervisor must accompany the trainee on the inspections of the subject property on the first 50 appraisal assignments or the first 1500 hours of experience, whichever comes first, for which the trainee will perform more than 75 percent of the work. After that point, the trainee may perform the inspections without the presence of the supervisor provided that the trainee is competent to perform those inspections, and provided that the subject property is less than 50 miles from the supervisor's primary business location. The supervisor must accompany the trainee on all inspections of subject properties that are located more than 50 miles from the supervisor's primary business location.

Authority G.S. 93E-2-3; 93E-2-4(d).
TITLE 21 – OCCUPATIONAL LICENSING BOARDS AND COMMISSIONS

CHAPTER 22 – HEARING AID DEALERS AND FITTERS BOARD

Rule-making Agency: NC State Hearing Aid Dealers and Fitters Board

Rule Citation: 21 NCAC 22F .0104, .0105

Effective Date: February 10, 2014

Date Approved by the Rules Review Commission: January 31, 2014

Reason for Action: Session Law 2013-410 effective August 23, 2013 and Session Law 2013-296 effective October 1, 2013. Session Law 2013-410: 93D-1.1 was added to define the scope of practice for a hearing aid specialist, listing 16 activities that now fall within the scope of practice for regulated individuals. Additionally, 23D-5(a) was amended to state that "No person shall undertake any activity within the scope of practice of a hearing aid specialist in this State unless the person first has been issued a license by the Board or is an apprentice working under the supervision of a Registered Sponsor." Session Law 2013-296 allows a license to be designated as the provider of certain insurance coverage. The proposed rules will better define the apprentice/sponsor relationship and the responsible party for services provided, providing greater clarity and – it is hoped – greater supervision and control on the part of the licensee for his apprentice.

The Board now seeks to update and adopt rules necessary to regulate licensees and apprentices as they provide services under the new scope of practice, including making it clear that it is unethical to engage in activities for which they are not properly trained. The Board has an existing mechanism by which licensee can demonstrate competence and necessary training, as referenced in this proposed rule, namely through the network of continuing education courses reviewed and approved by this Board.

Immediate action is justified and necessary for several reasons. First, immediate action is necessary in order to ensure that the Board is equipped to enforce the provisions of its governing statute, which was amended by the legislature in Fall 2013. The Board seeks to continue to preserve public interest and safety to ensure that no licensee or apprentice engages in practices for which they have not been trained – and through which they could thus injure their clients. Immediate adoption would provide (1) clarity and guidance to licensees on how they can continue to ethically practice and (2) would allow the Board to take disciplinary action to prevent future harm in the event that a licensee or apprentice recklessly undertakes procedures for which he has not received any training. The immediate adoption of rules governing the apprenticeship process and examination is also necessary and justified in the interests of public safety. First of all these rules will ensure that the public only receives care from an individual who has demonstrated competency or has a supervisor immediately present to assist and train as services are provided. These rules, in essence, provide a more definite and clear description of the "direct supervision" already required of all apprentices. Secondly, and more importantly in the context of timeliness, is the fact that with the immediate adoption, amendment or repealing of these rules, the Board will be able to register apprentices for testing during the registration window (which will close prior to the adoption of these rules if done through permanent rulemaking only). The registration deadline is 45 days before the exam, and the exam is tentatively scheduled for the first weekend of May. The earliest these rules can be effective through permanent rulemaking is April 2014. The temporary adoption will also allow new apprentices coming into the field to start their apprenticeship under the new guidelines. Those who are currently apprentices may register for the May exam to demonstrate their competency to practice without personal supervision as defined in 21 NCAC 22A .0401. All apprenticeships renewed after May 2014 will be covered by the new rules of supervision. The Board believes this is in the public’s best interest to ensure that services are provided in a safe and effective manner. This will also provide greater continuity and clarity for apprentices and licensees.

SUBCHAPTER 22F – LICENSING PROVISIONS

SECTION .0100 – EXAMINATION

21 NCAC 22F .0104 QUALIFICATIONS TO REGISTER FOR EXAM

(a) The Board may require such supplemental information to all for applications for issuance and renewal of a license or an apprentice registration certificate as it deems necessary to determine the facts governing the qualifications of each licensee, registered applicant, and registered apprentice, as set forth in these Rules and in Chapter 93D of the General Statutes of North Carolina. Supplemental information may include, but is not necessarily limited to, include letters of recommendation, affidavits, photographs, official transcripts, and personal appearances before the Board.
(b) Any registered apprentice who holds a masters degree in Audiology and any Audiologist who elects to be a registered apprentice shall, prior to the next scheduled qualifying examination, submit to 250 clock hours of direct supervision by a licensee approved by the Board, whenever such apprentice takes and fails to pass the qualifying examination.

(c) Any registered apprentice who is not an Audiologist and does not hold a masters degree in Audiology shall, for each week prior to the next scheduled qualifying examination, submit to 15 clock hours of direct supervision by a licensee approved by the Board, whenever such apprentice takes and fails to pass the qualifying examination.

(b) An apprentice may elect to take Part A, Part B, or Part C of the licensing exam at any time during the apprenticeship by submitting an application for license and exam registration prior to the registration deadline.

(c) An apprentice shall complete 365 days of apprenticeship prior to taking Part D of the licensing exam.

(d) The Board shall waive the application for license fee and exam registration fee for an applicant's initial registration to take Part D of the exam only if the applicant took and passed Part A, Part B, and Part C prior to completing 365 days of apprenticeship.

(e) Except as provided in Paragraph (d) of this Rule, an applicant shall submit a new application for license and exam registration each time the applicant registers for any parts of the licensing exam.

(f) The Board shall not prorate the application for license fee or the exam registration fee for retesting an applicant who failed any part of the licensing exam.

History Note: Authority G.S. 93D-3(c); 93D-5; 93D-6; 93D-9; Eff. April 23, 1976; Amended Eff. February 10, 2014.

21 NCAC 22F .0105 PASSING EXAMINATION

(a) The exam consists of four parts:

(1) Part A shall assess applicant's knowledge of hearing testing through a computer simulation program;

(2) Part B shall assess applicant's practical knowledge and ability to make an ear impression;

(3) Part C shall assess the applicant's knowledge of relevant laws and regulations governing hearing aid specialists; and

(4) Part D shall assess the applicant's knowledge of the following:

(A) audiometry;

(B) anatomy and physiology pertaining to the dispensing of hearing aids;

(C) hearing aids;

(D) hearing aid technologies; and

(E) the scope of practice for hearing aid specialists.

(b) The Board shall annually review the contents and outcome of the previous qualifying examinations and shall determine the minimum performance criteria required for passing the examination. In accordance with G.S. 93B-8(a), each registered applicant shall be informed in writing of the requirements for passing the examination prior to his taking the examination.

(c) An applicant shall pass all parts of the exam within 31 months of the initial issuance of the apprentice registration certificate in order to receive a license.

History Note: Authority G.S. 93B-8; 93D-3(c); 93D-8; Eff. April 23, 1976; Amended Eff. May 1, 1988; Temporary Amendment Eff. February 10, 2014.
This Section includes a listing of rules approved by the Rules Review Commission followed by the full text of those rules. The rules that have been approved by the RRC in a form different from that originally noticed in the Register or when no notice was required to be published in the Register are identified by an * in the listing of approved rules. These areas may be identified by the presence of above-ground leaves, below-ground rhizomes, or reproductive structures associated with one or more SAV species and include the sediment within these areas; or

(ii) have been vegetated by one or more of the species identified in Sub-item (4)(i)(i) of this Rule within the past 10 annual growing seasons and that meet the average physical requirements of water depth (six feet or less), average light availability (secchi depth of one foot or more), and limited wave exposure that characterize the environment suitable for growth of SAV. The past presence of SAV may be demonstrated by aerial photography, SAV survey, map, or other documentation. An extension of the past 10 annual growing seasons criteria may be considered.
when average environmental conditions are altered by drought, rainfall, or storm force winds.

This habitat occurs in both subtidal and intertidal zones and may occur in isolated patches or cover extensive areas. In defining SAV habitat, the Marine Fisheries Commission recognizes the Aquatic Weed Control Act of 1991 (G.S. 113A-220 et. seq.) and does not intend the submerged aquatic vegetation definition, or this Rule or Rules 03K .0304 and .0404, to apply to or conflict with the non-development control activities authorized by that Act.

(5) Licenses, permits, leases and franchises, and record keeping:

BASED UPON careful consideration of the sworn testimony of the witnesses presented at
the administrative hearing, those exhibits that were admitted into evidence by express stipulation of
the parties on the record or the ruling of the Undersigned on the record, the undersigned
Administrative Law Judge makes the following FINDINGS OF FACT.

The Undersigned has weighed all of the evidence and has assessed the credibility of the
witnesses by taking into account the appropriate factors for judging credibility, including, but not
limited to, the demeanor of the witness, any interests, bias, or prejudice the witness may have, the
opportunity to see, hear, know or remember the facts or occurrences about which the witness testified
and whether the testimony of the witness was reasonable.
The Undersigned considered whether the testimony is consistent with the witnesses' prior statement or statements, and whether the testimony is consistent with all other believable evidence in the case.

The Proposed Decision was submitted by Petitioner. Respondent did not submit comments for consideration. The Undersigned has reviewed the Proposed Decision and where she is in agreement she has incorporated it into the following:

**FINDINGS OF FACT**

1. Petitioner's father died when he was in the ninth grade and he graduated from East Lincoln High School in 2005. Petitioner worked at various jobs until November 2009 when he was an "early hire" for the Charlotte-Mecklenburg Police Department (CMPD). At CMPD, he worked in property control until he entered the police academy in February 2010. He graduated from the police academy and was sworn in as a law enforcement officer on July 2, 2010. T. 186-88.

2. Petitioner received his probationary certification from the North Carolina Criminal Justice Education And Training Standards Commission (the "Commission") as a law enforcement officer on June 30, 2010. R. Ex. 2.

3. Petitioner worked as a patrol officer in the CMPD's North Division under the direct supervision of Lieutenant Dave Johnson ("Lt. Johnson"). T. 135-36, 188.

4. Lt. Johnson had known Petitioner as "pretty reserved on the shift, very humble, soft-spoken, very mild-mannered, maintained a positive attitude even though ... [he received] good natured teasing and ribbing in roll call." T. 139.

5. On January 22, 2011 (and into the early morning hours of January 23, 2011), Petitioner was present at the Homestead Suites at 88 Tunnel Road in Asheville, North Carolina (the "Hotel"). He was accompanied by three others: his then-girlfriend, Nicole Walton ("Ms. Walton"); a fellow CMPD police officer, Jonathan C. Campbell ("Officer Campbell"); and Officer Campbell's fiancée, Kristin Lane ("Ms. Lane") (collectively, Officer Hullett, Ms. Walton, Officer Campbell, and Ms. Lane may be at times herein referred to as the "Guests").

6. When they checked in to the hotel, Officer Campbell informed the hotel staff that he and Petitioner were police officers. T. 211.

7. Each of the Guests had been consuming alcohol throughout the day and were intoxicated on the night in question. T. 146-47.

8. An off-duty Buncombe County Sheriff's Office deputy, Detective Jeff Eller ("Det. Eller"), was working "secondary employment" carrying out security duties on behalf of hotel management. T. 49. Det. Eller was wearing what he described as a "soft uniform" of "5.11
Tactical” brand tan-colored pants, a black “polo-type shirt” stitched with the Sheriff’s Office logo, a duty belt with his service weapon, handcuffs, handheld radio and a plain, non-uniform, black fleece jacket. T. 49, 50 & 61. The jacket did not have any Sheriff’s logo, badge, or other markings on it. T. 94.

9. Det. Eller first observed Petitioner when he and the other guests arrived at the hotel by the shuttle bus, and walked through the lobby talking loudly. It was clear that the Guests had been drinking. T. 52-54.

10. Petitioner testified that he was “very intoxicated” when he returned to the Hotel. T. 192.

11. About an hour later, Officer Campbell and Ms. Lane came down to the lobby arguing and talking loudly. Petitioner came into the lobby as well. When Det. Eller approached the Petitioner and asked the Guests to be quiet, Petitioner informed Det. Eller that he was a police officer from Charlotte. The incident in the lobby was resolved peaceably and the Guests returned to their room. T. 54-57.

12. Shortly after the encounter in the lobby, hotel management received a noise complaint regarding loud voices in the room shared by the Guests. T. 58, 79.

13. After waiting outside the door to the Guests’ room and listening to ongoing loud talking, Det. Eller knocked on the door to the room. Officer Campbell answered the door, and was belligerent and argumentative toward Det. Eller even after Det. Eller made it clear that he worked for the Sheriff’s Office. T. 59-60, 64-65.

14. Det. Eller then advised the Guests that they were no longer permitted to spend the night at the Hotel. T. 63. Det. Eller exercised the authority allowed by the hotel management to direct the Guests to vacate the room. T. 82.

15. After Det. Eller directed the Guests to pack their belongings and leave the premises, Petitioner demanded Det. Eller’s badge number which Det. Eller declined to provide. When Det. Eller demanded Petitioner’s identification, Petitioner likewise refused. T. 64, 201.

16. Petitioner testified that he pleaded with Det. Eller to reconsider and allow the Guests to stay the night at the Hotel because they were from Charlotte, had nowhere else to go, the weather was cold, and they were intoxicated. When Det. Eller refused, Petitioner then asked Det. Eller: “Does this make you feel like a man?” T. 201; R. Ex. 7A.

17. Officer Campbell and Petitioner each explicitly refused to grant consent for Det. Eller to enter their room. T. 91. Both Petitioner and Officer Campbell protested that Det. Eller was “breaking the law” by entering the Guests’ room without permission when he entered the living room area. T. 64.
18. The layout of the Guests’ suite at the Hotel contains an interior bedroom that is separated from the rest of the living area by a pair of double doors. See Petitioner’s Exhibit 1.

19. Petitioner, Officer Campbell, and Ms. Walton entered the bedroom (Ms. Lane was not in the hotel room at this point). Ms. Walton closed the bedroom doors because the luggage was behind the doors and began packing. T. 65, 157.

20. Det. Eller called out multiple times for someone to open the door, but received no response. T. 66, 89.

22. Det. Eller knew that Petitioner and Officer Campbell were law enforcement officers and that many law enforcement officers carry firearms when they are off-duty. Because they had been argumentative, were intoxicated, and not responding to his commands, Det. Eller radioed for assistance from on-duty officers. T. 66, 89.

23. Sergeant Stiles of the Buncombe County Sheriff’s Office and a couple of Sheriff’s deputies responded to the call for back-up. T. 68. The officers entered the bedroom and placed Petitioner and Officer Campbell in handcuffs. T. 68–69. The bedroom door had not been locked. T. 94.

24. Officers with the Asheville Police Department also responded to Det. Eller’s call for back-up and arrived on the scene. T. 70.

25. Det. Eller explained to Petitioner that they were placed in handcuffs because they refused to leave, refused to cooperate and were argumentative. T. 69. At that point, Petitioner “turned completely”, and became “cooperative, “apologetic” and “agreed he would leave.” T. 70.

26. While the Guests were in handcuffs, Det. Eller inquired whether anybody had brought a firearm. T. 70.

27. Officer Campbell said that he had given his service weapon to his fiancée, Ms. Lane, for safekeeping. Ms. Lane later panicked and hid the weapon (which was unloaded) underneath the ice machine in a public area in the hallway of the hotel. No other weapon was found. T. 71.

28. Petitioner had not brought his own service weapon on this trip and there was no evidence to suggest that he was involved in or even aware of the carelessness with Officer Campbell’s service weapon. T. 190.

29. Petitioner apologized to Det. Eller after he turned in the hotel room key to the receptionist. T. 70 & 204.
30. Det. Eller and the other officers considered charges against Petitioner and Officer Campbell, specifically resist, delay and obstruction because: they refused to leave when asked by Det. Eller; refused to show identification when requested; and went into the bedroom, closed the door and did not respond to commands. T. 72-73.

31. Det. Eller did not arrest or press charges against either Petitioner or Officer Campbell. T. 74.

32. Det. Eller telephoned the CMPD to report the incident. He spoke to several people in the CMPD chain of command because he wanted CMPD to handle their own officers even though the responding officers from the Buncombe County Sheriff’s Office and the Asheville Police Department wanted to arrest Petitioner and Officer Campbell and take them to jail. T. 74.

33. Lt. Johnson “was shocked” when he heard about the incident in Asheville because he “had never known [Petitioner] to portray any negative traits whatsoever.” T. 139.

34. Even after hearing about the incident in Asheville, Lt. Johnson testified that he would “welcome” Petitioner “being in [Lt. Johnson’s] command” at CMPD. T. 139-40.

35. Following an internal affairs investigation into this incident, Petitioner was involuntarily separated from the CMPD on March 15, 2011. R. Ex. 3.

36. Subsequently, Petitioner applied for a position with the Davidson Police Department. Detective Stephen Ingram (“Det. Ingram”) was involved in screening Petitioner’s application. T. 110. He discussed it with his supervisor, Sergeant Marty Poole (“Sgt. Poole”), and they conducted a background investigation concerning Petitioner’s termination from the CMPD. T. 111-16, 119. The purpose of a background investigation is to eliminate candidates, to determine if there is evidence of anything that would be a continuing problem if a candidate is hired. T. 121.

37. Det. Ingram thoroughly discussed the application with Petitioner who “seemed truthful” about the incident in Asheville and who acknowledged that “his actions were foolish” and resulted in his termination from the CMPD. T. 112.

38. Det. Ingram made a recommendation to Sgt. Poole and Chief of Police Jeanne Miller (“Chief Miller”) to hire Petitioner because in the investigation there was nothing that should exclude Petitioner from being a police officer, including his criminal record history, and that it was the Petitioner’s probationary status at the time of the incident that resulted in his termination from the CMPD. T. 113-16.

39. The investigation did not reveal anything that concerned Sgt. Poole about offering a position to Petitioner. T. 121-22.

40. Sgt. Poole’s investigation of Petitioner did not suggest that Petitioner had been less
than truthful concerning the incident in Asheville. T. 122-23.

41. The Davidson Police Department became fully accredited by the Commission on Accreditation for Law Enforcement Agencies (CALEA) in 2011 under the leadership of Chief Miller. T. 126.

42. Chief Miller testified that the Davidson Police Department seeks to hire police officers who have integrity and tries to “operate in a culture that emphasizes professionalism, ethics, accountability and teamwork.” T. 128.

43. An applicant’s employment history, particularly in law enforcement, is considered and whether any prior disciplinary action was taken. Following the best practice standards for CALEA, a progressive discipline theory is followed, where factors such as the severity of the infraction, the penalty imposed, and the litigiousness of the infraction, are among the considerations. T. 129-30.

44. Chief Miller considers the age and experience of an applicant at the time of the infraction: “Don’t tell me what the boy did, tell me what the man has accomplished.” T. 130 Whether the applicant was intoxicated at the time of the infraction is considered, as well as: “what occurs during the incident, what is their conduct during the incident and what is their conduct after the incident?” T. 131.

45. According to Chief Miller, there “was a host of reasons” why Petitioner was offered employment at the Davidson Police Department even though she was aware of the incident in Asheville: Petitioner “was not criminally charged” and “[t]here was no contact on Mr. Hullett’s part towards any – towards any of the officers that arrived. He was arrested, he – my understanding was he did not resist. He never verbally threatened and never indicated any threat. That was very important to me. Consistently throughout our process, even when it was most detrimental to him and most painful, he was honest about what had occurred.” T. 132.

46. Based on the background investigation, and Sgt. Poole’s and Det. Ingram’s conversations with CMPD, Chief Miller felt that the Davidson Police Department would be a good opportunity for Petitioner and one that he would appreciate. The small size of the Davidson Police Department meant that Petitioner would be closely supervised:

A: We are in a very small environment and – and he’s closely supervised. So I felt that you know, I could very quickly make a decision. And he and I had that conversation. I mean, I looked him right in the face and said, one thing, one bad thing, one incident, and he’s gone.

Q: What was his response to that?

A: He said he understood, that there wouldn’t be any one thing, and that he would show us that he could be professional.
47. Det. Ingram’s investigation did not reveal any reason why Petitioner would need to be excluded from hiring by the Davidson Police Department. T. 115.

48. Sergeant Poole’s investigation did not reveal any reason that would make him hesitate about hiring Petitioner. T. 122.

49. Chief Miller testified that she would “absolutely” hire Petitioner if his certification was reissued. T. 133.

50. In March 2012, Petitioner was offered a position as a full-time law enforcement officer with the Davidson Police Department. T. 132; R. Ex. 2.

51. On March 9, 2012, the Criminal Justice Standards Division received a Report of Appointment/Application For Certification, Form F-5A, dated March 7, 2012 (the “Application”) from the Davidson Police Department, requesting that certification be re-issued to Petitioner as a full-time law enforcement officer. R. Ex. 5. A copy of the Charlotte-Mecklenburg Police Department Internal Affairs Bureau’s investigation, Case #SI-11-0131, was included with Petitioner’s application for certification. R. Ex. 6.

52. As a result of the information submitted along with the Application, the Petitioner’s case was referred to Richard Squires, an Investigator with the Commission who “conducts administrative investigations regarding certifications and allegations of rule violations” and presented his written report to the members of the Probable Cause Committee of the Commission (the “PCC”) on April 24, 2012. T. 19-20; R. Ex. 1.

53. Investigator Squires requested and received a written statement from Petitioner concerning the reasons he left the CMPD. T. 25; R. Ex. 7A.

54. Investigator Squires testified that Petitioner appeared to be “completely truthful” in the written statement and that Petitioner was “forthcoming” and “very professional” when he testified at the PCC hearing. T. 45-47.

55. The PCC held that there was probable cause to deny/suspend Petitioner’s certification, based upon a finding that he committed the Class B misdemeanor, “Resisting Officers,” when he “resisted the commands of Det. Eller with the Buncombe County Sheriff’s Office who was discharging the duties of his office, while working at the hotel. You refused to leave the hotel when ordered to do so by the deputy prompting the deputy to call for reinforcements from the Buncombe County Sheriff’s office and the Asheville Police Department.” R. 8.

56. Following the PCC’s decision, Petitioner requested a contested case hearing.
57. At the contested case hearing, the Undersigned had questions of her own for Petitioner. T. 215-20. The following are some of Petitioner’s responses:

- “being a police officer to me now means more than anything in the world.”
- Petitioner has an uncle and an older brother who are police officers.
- Petitioner desires to help others.
- Petitioner believes that police officers deserve respect from the community and should be held to a higher standard.
- Petitioner was frustrated during the incident in Asheville and did not show Detective Eller respect.
- Petitioner was 25 years old at the time of the hearing.

T. 216-19.

58. There was further exchange with the Undersigned:

THE COURT: What do you think you should do now to show that you’ve learned something here?

THE WITNESS: Honestly, ma’am, I would – I would be willing to do whatever it – you know, whatever it took. You know, if you – if I needed to do classes or anything like that I would be more than happy to –

THE COURT: Based on this experience, what kind of classes do you think would be helpful?

THE WITNESS: Probably some type of, you know, alcohol classes, how alcohol was a problem in this situation. Maybe, you know, offering me to do something with the police department to work alongside police officers to show them that I do show them respect and, you know, I’m sorry for even, you know – go sit with Detective Eller and tell him how sorry I am.

T. 219.

59. The Undersigned finds as fact that Petitioner’s statements on the night of January 22-23, 2011 and the written and oral statements he has given since then have been consistent.

60. The Undersigned finds as fact that Petitioner’s statements are consistent with all of the believable evidence in this contested case.

61. After observing the demeanor of the Petitioner, the reasonableness of his testimony and the consistency of his statements, the Undersigned finds the Petitioner to be credible.

---
62. The Undersigned finds as fact that every law enforcement professional who testified at the contested case hearing holds the opinion that Petitioner accepts responsibility for his actions and is remorseful.

63. The Undersigned finds as fact that Lt. Dave Johnson, Charlotte-Mecklenburg Police Department; Det. Steve Ingram, Davidson Police Department; Sgt. Marty Poole, Davidson Police Department; and Chief Jeanne Miller, Davidson Police Department, support Petitioner’s application for certification as a law enforcement officer employed by the Davidson Police Department.

64. The Undersigned finds as fact that Petitioner’s actions were less than prudent and certainly disrespectful toward Det. Eller and the other officers from the Buncombe County Sheriff’s Office and the Asheville Police Department on the night of January 22-23, 2011.

65. The Undersigned finds as fact that Petitioner is remorseful over his conduct, that he accepts full responsibility for his actions, and that he is willing to comply with any conditions the Commission may impose to ensure that such conduct does not repeat itself in the future if his application for law enforcement officer certification is granted.

CONCLUSIONS OF LAW

1. Both parties are properly before this Administrative Law Judge in that jurisdiction is proper and both parties received notice of the hearing.

2. The North Carolina Criminal Justice Education And Training Standards Commission has the authority granted under Chapter 17C of the North Carolina General Statutes and Title 12 of the North Carolina Administrative Code, Chapter 9, to certify law enforcement officers and to deny, revoke, or suspend such certification.

3. 12 N.C. ADMIN. CODE 09A .0204(b)(3)(A) allows the Commission to suspend, revoke, or deny the certification of a criminal justice officer when the Commission finds that the applicant for certification or the certified officer has committed or been convicted of a criminal offense or unlawful act defined as a Class B misdemeanor.

4. The criminal offense of Resisting Officers, in violation of N.C. GEN. STAT. § 14-223, constitutes a Class B misdemeanor pursuant to 12 N.C. ADMIN. CODE 09G.0102(9)(cc) of the Commission’s Administrative Rules, and the Class B Misdemeanor Manual as published by the North Carolina Department of Justice.

5. The North Carolina Supreme Court has considered what actions are a violation of N.C. GEN. STAT. § 150B-34 and held that:

-10-
The general rule is that merely remonstrating with an officer in behalf of another, or criticizing or questioning an officer while he is performing his duty, when done in an orderly manner, does not amount to obstructing or delaying an officer in the performance of his duties.

State v. Leigh, 278 N.C. 243, 251 (2009)).

6. Unlike a criminal proceeding where the burden of proof is beyond a reasonable doubt, in a contested case hearing the burden of proof is preponderance of the evidence. N.C. GEN. STAT. § 150B-34.

7. The weight of the evidence showed that Petitioner’s conduct toward Det. Eller and the other responding law enforcement officers was mere remonstrance and that Petitioner did not resist, delay or obstruct any of them in the performance of their duties.

8. The preponderance of the evidence shows that Petitioner did not commit the criminal offense of Resisting Officers. N.C. GEN. STAT. § 14-223.

9. Accordingly, the Petitioner has met his burden of proving by a preponderance of the evidence that the Commission had insufficient grounds pursuant to 12 N.C. ADMIN. CODE 9G .0102 (9)(cc), 12 N.C. ADMIN. CODE 9G .0504 (b)(3), and 12 N.C. ADMIN. CODE 9G .0505 (b)(1), to deny Petitioner’s application for law enforcement officer certification.

BASED UPON the above Findings of Fact and Conclusions of Law, the Undersigned makes the following:

PROPOSAL FOR DECISION

It is hereby proposed that Petitioner’s application for certification as a law enforcement officer be granted, but that the Petitioner be placed on probationary status for a period not to exceed two years. The Undersigned further proposes that the Commission consider imposing additional conditions on Petitioner such as those suggested by the Petitioner in his testimony at the contested case hearing.

NOTICE

The agency making the Final Decision in this contested case is required to give each party an opportunity to file exceptions to this Recommended Decision, to submit proposed findings of fact, and to present oral and written arguments to the agency. N.C. GEN. STAT. § 150B-40(e). The agency is required by Section 150B-36(b) of the General Statutes to serve a copy of the final decision on all parties and to furnish a copy to the parties’ attorney of record and to the Office of Administrative
Hearings.

The agency that will make the final decision in this contested case is the North Carolina Criminal Justice Education and Training Standards Commission.

ISSUES

Whether probable cause exists to deny Petitioner’s certification for a period of five years pursuant to Rule .0204 of Chapter 10B of Title 12 of the North Carolina Administrative Code,
because it is alleged that Petitioner committed a Class B misdemeanor, Assault Inflicting Serious Injury, which occurred after the date of initial certification.

Whether probable cause exists to deny Petitioner’s certification indefinitely pursuant to Rule .0204 of Chapter 10B of Title 12 of the North Carolina Administrative Code, because Petitioner does not have good moral character.

EXHIBITS

Respondent’s Exhibits 1-7, 9 and 10 were introduced and admitted.

BASED UPON careful consideration of the sworn testimony of the witnesses presented at the hearing, the documents, and exhibits received and admitted into evidence, and the entire record in this proceeding, the undersigned Administrative Law Judge makes the following Findings of Fact by a preponderance of the evidence. In making these Findings of Fact, the Undersigned has weighed all the evidence and has assessed the credibility of the witnesses by taking into account the appropriate factors for judging credibility, including, but not limited to the demeanor of the witnesses, any interests, bias, or prejudice the witness may have, the opportunity of the witness to see, hear, know or remember the facts or occurrences about which the witness testified, whether the testimony of the witness is reasonable and whether the testimony is consistent with all other believable evidence in this case.

FINDINGS OF FACT

1. Petitioner was certified with the Criminal Justice Commission through the Durham Police Department from 2005 - 2008.

2. Petitioner was working for the Durham Police Department in his official capacity as a police officer on November 1, 2007.

3. Petitioner was dispatched to a disturbance at 1601 Morehead Avenue, Durham, NC, 27701, on November 1, 2007. Upon arrival on scene and after observing several people in a physical struggle, Petitioner requested another officer (back-up) to come to the scene.

4. Petitioner was able to separate the parties and became aware that a Hispanic male, who had nunchaku (nun chucks or chain sticks), had committed the crimes of aggravated assault, larceny, and possession of drug paraphernalia. The Hispanic male was bleeding from the head upon Petitioner’s arrival on scene. The Hispanic male was belligerent, acting irrational, and admitted to being under the influence of “crack”, and was placed under arrest and handcuffed behind his back.
5. The actual identity of the Hispanic male, who is the subject of the arrest and alleged assault, has never been verified. Because he remained belligerent, Petitioner's supervisor could not interview the suspect. Moreover, once at the jail, the suspect produced a different identification with a different name, and the magistrate informed the officers that since the warrant had the wrong name, the suspect had to be released. No one has been able to locate the Hispanic male again.

6. Three Emergency Medical Services (EMS) persons were called to the scene to treat the Hispanic Male. They included Matthew Baker, Grant Newport, and Elizabeth Aronin.

7. All three EMS personnel began to observe and treat the Hispanic Male. At this time, Petitioner had a hold of the Hispanic Male's arm while EMS Grant Newport and Elizabeth Aronin were beginning to treat the head wound from behind the Hispanic male. Without provocation, the Hispanic male became violent towards Grant Newport and Elizabeth Aronin, and attempted to assault them by head-buttling them and hitting them with his shoulder. As the Hispanic male attempted to assault the EMS workers, he wrestled himself out of the grasp of the Petitioner.

8. EMS Grant Newport and Elizabeth Aronin were so frightened that each of them ran away from the Hispanic male and back to the ambulance.

9. The Hispanic male then took up a fighting stance and squared up with the Petitioner. At this time, EMS Baker felt that the Hispanic Male "needed to be taken down", and even considered going "hands-on" with the Hispanic male himself.

10. Almost immediately, Petitioner perceiving a threat against himself and the EMS workers, hit the Hispanic male with a punch to the face. Though staggering, the Hispanic male was not down so Petitioner kicked him forcing the Hispanic male to fall on to the ground, which was a concrete sidewalk, and land on his stomach and face.

11. Petitioner immediately got on top of the Hispanic male and laid him on his side to ensure that he stayed down. Petitioner called for a supervisor to come to the scene. At this time, Petitioner was still the only police officer on scene.

12. The Petitioner swore under oath that he did not throw nor land any more punches when the Hispanic male was on the ground.

13. EMS Baker is the only party who has alleged that after the Hispanic male was on the ground that Petitioner then straddled the Hispanic male and punched him at least ten times in the face.

14. EMS Baker did not write down or otherwise record the events that occurred on November 1, 2007.
15. EMS Baker admitted that he may have “mis-remembered” some of the events of November 1, 2007.

16. Respondent presented no visual evidence of the Hispanic male’s injuries at the hearing.

17. Other than bleeding from the nose and mouth, there was no medical evidence of injuries by a licensed medical doctor. Respondent presented no medical evidence by a doctor diagnosing the Hispanic male with fractures of any kind at the hearing.

18. Sergeant Scott Pennica of the Durham Police Department performed an internal affairs investigation into the events of November 1, 2007. Sergeant Pennica concluded that the Petitioner punched the Hispanic male in the face and then kicked the Hispanic Male in the face, while he was in handcuffs.

19. Sergeant Scott Pennica only found one person alleging the Petitioner punched the Hispanic male after he was on the ground, that person was EMS Baker. Sergeant Pennica did not conclude that Petitioner punched the Hispanic male in the face after the Hispanic Male fell to the ground.

20. Petitioner has been taught not to become complacent with individuals in handcuffs. He and other officers have been attacked by persons who were handcuffed. Petitioner has admitted that his kick to the face of the Hispanic male was excessive. Petitioner has no criminal history, and has never been charged with a crime in connection with the events of November 1, 2007.

21. Other than the events which occurred on November 1, 2007, Respondent did not offer any other evidence suggesting Petitioner lacks good moral character.

22. Deputy Director of the North Carolina Sheriffs’ Education and Training Standards Commission, Diane Koznopka, admitted the Respondent’s finding of probable cause to believe that Petitioner does not possess the good moral character to become a Justice Officer is solely based on the events surrounding November 1, 2007.

23. Petitioner has been employed with the Durham County Sheriff’s Office for the past two years, working as a detention officer in the jail. Petitioner, as a detention officer, works almost exclusively with prisoners in handcuffs and has never had a single complaint of use of excessive force.

24. Durham County Staff Sergeant Justin Ellerbee has worked with, supervised, and observed Petitioner for the past two years. Staff Sergeant Ellerbee has had many instances where “hands-on” physical force was needed to subdue unruly prisoners in and out of handcuffs. Staff Sergeant Ellerbee admitted that Petitioner is the first officer he seeks out to help because of Petitioner’s self-control under such stressful situations. Staff Sergeant Ellerbee has found Petitioner to be of excellent moral character and honest.
25. Petitioner's former colleague and friend, Angela Kelley, admitted that she has known Petitioner since 2008, in a professional and friendly manner. Angela Kelley testified that she observed Petitioner in high stress situations and found Petitioner to be under control and of excellent moral character and truthful.

26. Petitioner has been a member, in good standing and without incident, of the Armed Forces since 2002, and has served his country overseas, and is a current member of the National Guard.

27. Since the events of November 1, 2007, Petitioner has shown that he possesses good moral character by maintaining a good standing in the Armed Forces, by maintaining employment with the Durham County Sheriff's Office as a correction officer and without incidents, and by being truthful and forthright in his application for certification by the NC Sheriffs' Education and Training Standards Commission, and by being truthful in his applications for law enforcement employment at other agencies.

BASED UPON the foregoing FINDINGS OF FACT and upon the preponderance or greater weight of the evidence in the whole record, the Undersigned makes the following:

CONCLUSIONS OF LAW

1. The Office of Administrative Hearings has personal and subject matter jurisdiction over this contested case. The parties received proper notice of the hearing in the matter. To the extent that certain portions of the foregoing Findings of Fact constitute mixed issues of law and fact, such Findings of Fact shall be deemed incorporated herein by reference as Conclusions of Law. A court need not make findings as to every fact, which arises from the evidence, and need only find those facts that are material to the settlement of the dispute. Flanders v. Gabriel, 110 N.C. App. 438, 440, 429 S.E.2d 611, 612, aff'd, 335 N.C. 234, 436 S.E.2d 588 (1993).

2. Pursuant to 12 NCAC 10B .0204(d)(1), the Commission may revoke, deny, or suspend the certification of a justice officer when the Commission finds that the applicant for certification or the certified officer has committed a crime or unlawful act defined in 12 NCAC 10B. 0103(10)(b) as Class B Misdemeanor and which occurred after the day of initial certification.

3. Petitioner was neither convicted of assault inflicting serious injury in a court of law nor was he otherwise found civilly liable for such in a court of law.
4. To find that Petitioner “committed” the offense of assault inflicting serious injury Petitioner must have “performed the acts necessary to satisfy the elements of a specified criminal offense.” Brit v. Commission, 348 N.C. 573, 501 S.E.2d 75 (1998)

5. The North Carolina Supreme Court “generally defines the common law offense of assault as ‘an overt act or an attempt, or the unequivocal appearance of an attempt, with force and violence, to do some immediate physical injury to the person of another, which show of force or menace of violence must be sufficient to put a person of reasonable firmness in fear of immediate bodily harm.’ The common law rule regarding assault followed by the North Carolina courts places “emphasis on the intent or state of mind of the person accused.” State v. Roberts, 270 N.C. 655, 155 S.E.2d 303 (1967)

6. In this case, the preponderance of the evidence does not show that willful and calculated intent by Petitioner required of assault. Given the situation that Petitioner was in, his excess force was immediate and done in part to protect others, though it did reveal a lack of professional judgment. However, the evidence in this case cannot and does not support a finding that Petitioner committed the Class B Misdemeanor offense of Assault Inflicting Serious Injury.

7. In licensing those who desire to engage in professions or occupations as may be proper subjects of such regulation, the Legislature may confer upon executive officers or bodies of power of granting or refusing to license persons to enter such trades or professions only when it has prescribed a sufficient standard for their guidance. See In re Willis, 215 S.E.2d 771, 779 (N.C. 1975) (quoting State v. Harris, 6 S.E.2d 854, 860 (N.C. 1940).

8. The Petitioner has the burden of proof, by a preponderance of evidence to show that Petitioner is of good moral character, as described in 12 NCAC 10B .0301(a)(8), which states: “Every Justice Officer employed or certified in North Carolina must . . . be of good moral character as defined in: In re Willis, 299 N.C. 1, 215 S.E.2d 771 appeal dismissed 423 U.S. 976 (1975); State v. Harris, 216 N.C. 746, 6 S.E.2d 854 (1940); In re Legg, 325 N.C. 658, 386 S.E.2d 174 (1989); In re Applicants for License, 143 N.C. 1, 55 S.E. 655 (1906); In re Dillingham, 188 N.C. 162, 124 S.E. 130 (1924); State v. Benbow, 309 N.C. 538, 308 S.E.2d 647 (1983); and their progeny”.

9. “The initial burden of showing good character rests with the applicant. If the Board relies on specific acts of misconduct to rebut this prima facie showing, and such acts are denied by the applicant, then the Board must establish the specific acts by the greater weight of the evidence.” In re Legg, 325 N.C. 658, 386 S.E.2d 174 (1989).

10. The term ‘good moral character’ is unusually ambiguous and it can be defined in an almost unlimited number of ways for any definition will necessarily reflect the attitudes, experiences and prejudices of the definer. See id. at 776 (citing Konigsberg v. State Bar of California, 353 U.S. 252, 262-63 (1957).

11. In the case of In re Dillingham, 124 S.E. 130, 131 (N.C. 1924), the applicant admitted that one year prior to his application to North Carolina Bar he had broken the law
including, obtaining goods by false pretense, larceny, forgery, conspiracy, extortion and others; all involving moral turpitude. In denying the applicant’s application, the Dillingham Court noted that, “[W]hen one seeks to establish restoration of a character which has been deservedly forfeited, the question becomes essentially one ‘of time and growth.’” See Willis, 215 S.E.2d at 778 (citing Dillingham, 124 S.E. at 132); see also In re Applicants for License, 131 S.E. 661, 663 (N.C. 1926) (reaffirming that a man’s character can be restored where there is a showing of time and growth); but see In re Legg, 386 S.E.2d 174, 183 (N.C. 1989) (denying applicants application to the North Carolina Bar because evidence showed a “systematic pattern of carelessness, neglect, inattention to detail and lack of candor”) (emphasis added).

12. “When the defendant in his sentencing hearing produces evidence of his good character in order to take advantage of that particular mitigating circumstance . . . character is ‘a direct issue in the case’ and thus not limited to the traditional methods of proof but may be proved by specific acts as well as by reputation and by the opinions of others.” State v. Benbow, 308 S.E.2d 647, 652-53 (N.C. 1983).

13. Pursuant to In re Legg, 325 N.C. 658, 386 S.E.2d 174 (1989), Petitioner has shown by a preponderance of evidence that he possesses good moral character by introducing evidence of Petitioner’s good moral character by way of Petitioner’s own admission of the events of November 1, 2007, his good standing in the Armed Forces, and his good standing at the Durham County Sheriff’s Office for the past two years; as well as the testimony of Petitioner’s honesty and good moral character by Durham County Staff Sergeant Justin Ellerby, and Angela Kelley’s testimony concerning Petitioner’s good moral character, and Petitioner’s candor in his application with Respondent and several other law enforcement agencies regarding the events of November 1, 2007.

14. Pursuant to Respondent’s standard, as set forth in 12 N.C.A.C. 10B .0301(a)(8), which states: “Every Justice Officer employed or certified in North Carolina must . . . be of good moral character as defined in: In re Willis, 299 N.C. 1, 215 S.E.2d 771 appeal dismissed 423 U.S. 976 (1975); State v. Harris, 216 N.C. 746, 6 S.E.2d 854 (1940); In re Legg, 325 N.C. 658, 386 S.E.2d 174 (1989); In re Applicants for License, 143 N.C. 1, 55 S.E. 635 (1906); In re Dillingham, 188 N.C. 162, 124 S.E. 130 (1924); State v. Benbow, 309 N.C. 538, 308 S.E.2d 647 (1983); and their progeny”, Petitioner has shown that what occurred nearly six years ago was an isolated incident for which time and growth have allowed Petitioner’s character to be restored, as established in In re Willis, supra. Petitioner offered evidence of his employment in situations involving prisoners in handcuffs and acting unruly, yet Petitioner, as testified to by Staff Sergeant Ellerby, has had no instances of misconduct as a Durham County corrections officer.

15. Respondent has not shown a systematic pattern of bad acts by the Petitioner, as set forth in In re Legg, supra, nor were any alleged. In fact, Respondent, through Diane Konopka admitted the sole reason for finding probable cause to deny Petitioner’s certification for lack of good moral character was based on the events of November 1, 2007; and nothing more.

16. Probable cause does not exist to show Petitioner lacks good moral character as defined by the Respondent.
17. Petitioner has satisfied his initial burden of showing good character, and because the Board is relying on specific acts of misconduct to rebut this prima facie showing, and such acts have been denied by the Petitioner, then the Board must establish the specific acts by the greater weight of the evidence.” See In re Legg, 325 N.C. 658, 386 S.E.2d 174 (1989). Respondent has failed to establish, by the greater weight of the evidence, that Petitioner currently lacks good moral character pursuant to In re Dillingham and In re Willis.

18. Moreover and in addition to the above, Respondent’s probable cause finding that there was a belief that Petitioner did not possess the good moral character required of justice officers is founded solely on the allegation that Petitioner committed the Class B Misdemeanor offense of Assault Inflicting Serious Injury. Having found that not to be the case, no other evidence was presented that would call into question Petitioner’s moral character.

19. Insufficient evidence exists to show Petitioner currently lacks the good moral character required of all justice officers. In fact, the evidence points to the fact that Petitioner is a person of good moral character. Although Petitioner’s actions were indicative of poor professional and personal judgment, they are not indicative of bad character. Petitioner was truthful and cooperative during all investigations, and is employed in good standing with the Durham County Sheriff’s Office. Petitioner has maintained his good name as a consequence. See generally In re Farmer, 191 N.C. 235, 130 S.E. 661 (1926). The circumstances of this hearing lead to the conclusion that the Petitioner is that type of individual suited for law enforcement.

BASED UPON the foregoing Findings of Fact and Conclusions of Law the Undersigned makes the following:

PROPOSAL FOR DECISION

The Undersigned finds and holds that there is sufficient evidence in the record to properly and lawfully support the Conclusions of Law cited above. Based on those conclusions and the facts in this case, Respondent’s determination that probable cause existed that Petitioner committed the Class B Misdemeanor offense of Assault Inflicting Serious Injury and/or that Petitioner lacked the moral character required of justice officers cannot be and is not supported by the testimony and evidence in this case. As such, Petitioner Gregory Paul Kelly’s detention officer certification through the Durham County Sheriff’s Office should be granted.
NOTICE

The agency making the final decision in this contested case is required to give each party an opportunity to file exceptions to this Proposal for Decision, to submit proposed findings of fact, and to present oral and written arguments to the agency. N.C.G.S. § 150B-40(e).

The agency that will make the final decision in this contested case is the North Carolina Sheriffs’ Education and Training Standards Commission.

A copy of the final agency decision or order shall be served upon each party personally or by certified mail addresses to the party at the latest address given by the party to the agency and a copy shall be furnished to his attorney of record. It is requested that the agency furnish a copy to the Office of Administrative Hearings.

IT IS SO ORDERED.

ISSUE  
Whether Respondent had just cause to dismiss Petitioner from the North Carolina State Highway Patrol.  

BASED UPON careful consideration of the sworn testimony of the witnesses presented at the hearing, the documents and exhibits received and admitted into evidence, and the entire record in this proceeding, the Undersigned makes the following Findings of Fact and Conclusions of Law. In making the Findings of Fact, the Undersigned has weighed all the evidence and has assessed the credibility of the witnesses by taking into account the appropriate factors for judging credibility, including but not limited to, the demeanor of the witness; any interests, bias, or prejudice the witness may have; the opportunity of the witness to see, hear, know, or remember the facts or occurrences about which the witness testified; whether the
testimony of the witness is reasonable; and whether the testimony is consistent with all other believable evidence in the case.

FINDINGS OF FACT

1. The parties received notice of hearing by certified mail more than 15 days prior to the hearing, and each stipulated on the record that notice was proper.

2. Prior to his termination, Petitioner was employed as a Trooper with the North Carolina State Highway Patrol for approximately five years. (T. p. 9)

3. On June 15, 2010, Petitioner was dismissed from the North Carolina State Highway Patrol for engaging in acts constituting unacceptable personal conduct. (R. Ex. 18) The unacceptable personal conduct consisted of violating Respondent’s policy on Truthfulness, Neglect of Duty, and Unbecoming Conduct.

4. The State Highway Patrol’s written policy on Truthfulness states:

   Members shall be truthful and complete in all written and oral communications, reports, and testimony. No member shall willfully report any inaccurate, false, improper, or misleading information. (R. Ex. 3)

5. There are no exceptions to the Highway Patrol’s Truthfulness policy. (T. p. 222)

6. The State Highway Patrol’s written policy on Unbecoming Conduct states:

   Members shall conduct themselves, both on and off duty, in such a manner as to reflect most favorably upon the Highway Patrol and in keeping with the high standards of professional law enforcement. Unbecoming conduct shall include any conduct that constitutes unacceptable personal conduct pursuant to State Personnel Policy and any conduct which tends to bring the Patrol into disrepute, or which reflects discredit upon any member(s) of the Patrol, or which tend to impair the operation and efficiency of the Patrol or of a member, or which violates Patrol policy. (R. Ex. 3)

7. The State Highway Patrol’s written policy on Neglect of Duty states:

   Members shall not be inattentive to duty nor neglect their duties. Members shall not engage in any activities or personal business which would cause them to neglect or be inattentive to duty, or which would impair their ability to perform such duty. (R. Ex. 3)

   A supervisor’s failure to take such appropriate action when he/she has personal knowledge of violations of the Rules of Professional Conduct and
Job Performance by subordinates shall be considered serious neglect of duty.

8. The incident for which Petitioner was dismissed arose from a handoff of a DWI traffic stop of Donnie Schollar from Duplin County Sheriff’s Deputy Justin Smith. (T. p. 17)

9. It is common practice for smaller municipalities to hand over driving while impaired (“DWI”) traffic stops to State Troopers. In this case, there was an unwritten understanding that the Duplin County Sheriff’s Department would hand off all DWI stops to the Troopers, and, in exchange, the Duplin County Sheriff’s Office would serve all the warrants. (T. pp. 17, 150)

10. Troopers, in general, are provided with a significant amount of training in DWI enforcement. Specifically, Petitioner had a significant amount of training in DWI enforcement. (T. p. 17) Petitioner was trained in DWI enforcement during his Basic Law Enforcement Training and in continuing legal education classes. (T. p. 18) Petitioner was also sensor- and intoximeter-certified.

11. On October 7, 2011, Jason Brock was employed as a Sergeant with the Duplin County Sheriff’s Office. (T. p. 142) Sergeant Brock was Deputy Smith’s direct supervisor. (T. p. 143) On October 7, 2011, Sergeant Brock received a telephone call that he was needed to help investigate a possible meth lab. (T. p. 143) Sergeant Brock received instructions that he and Deputy Smith were to sit at a remote location near the suspected meth lab and wait for further instructions. (T. p. 143) Sergeant Brock and Deputy Smith, each in their own patrol vehicles, sat in a church parking lot at the intersection of NC 50 and Cypress Road. While waiting at the intersection, Sergeant Brock and Deputy Smith observed a white Ford F250 truck come to the intersection and stop. When the Ford truck moved through the intersection, it spun its tires and made a left turn, driving left of center into on-coming traffic. (T. p. 144) There was some sand and gravel at the intersection. (T. p. 173) Deputy Smith pulled out to pursue the vehicle, and Sergeant Brock followed to back him up. (T. p. 145)

12. Lacey Rae Ward is employed as an Officer with the Warsaw Police Department. (T. p. 119) Detective Ben Parrish was employed with the Duplin County Sheriff’s Office. (T. p. 131) On October 7, 2011, at approximately 5:30 p.m., Officer Ward and Detective Parrish were working undercover assisting the Duplin County Sheriff’s Office with a narcotics case. (T. pp. 119, 132) Officer Ward and Detective Parrish were together in a patrol vehicle at the intersection of NC 50 and Cypress Road waiting for further instruction on the narcotics case. They were parked in the same church parking lot where Sergeant Brock and Deputy Smith were parked. (T. pp. 120, 131) While Officer Ward and Detective Parrish were waiting for instruction, they saw a white truck approach the intersection. The white truck made a loud screeching sound and spun its tires as it made a left turn into the lane to the left of centerline of NC 50 into on-coming traffic. (T. pp. 121-22, 132-33) Officer Ward saw Deputy Smith and Sergeant Brock pull out to pursue the white truck. (T. pp. 122-23, 134) Subsequently, a call for “shots fired” was received over the radio. Sergeant Brock then requested Officer Ward and Detective Parrish to
back up Deputy Smith at the traffic stop. (T. pp. 123, 134) Officer Ward and Detective Parrish went to the scene of the traffic stop.

13. When Donnie Scholar got out of the white Ford truck, his pants were down below his genitals, and he was hanging on to the door of the vehicle for support. (T. p. 146) Donnie Scholar explained that he had a hip replacement, and he showed Sergeant Brock a hydrocodone patch on his left arm. (T. p. 147) Sergeant Brock smelled a moderate odor of alcohol coming from Donnie Scholar. (R. Ex. 9; T. p. 149) Donnie Scholar was unsteady on his feet, had slurred speech, and had extreme mood swings.

14. Because of Donnie Scholar’s slurred speech, unsteadiness on his feet, irate and boisterous demeanor, the portable breath test results, and the medication, Sergeant Brock formed the opinion that Donnie Scholar was impaired. (T. pp. 153-54)

15. Donnie Scholar told Detective Parrish that he was on medication. (T. p. 139) Detective Parrish determined that Donnie Scholar was impaired because of his speech, demeanor, and belligerence. (T. pp. 136-37) Officer Ward, after observing Donnie Scholar, based on her training and experience as a law enforcement officer, believed that Donnie Scholar was impaired. Approximately 30 minutes later, Petitioner arrived on the scene.

16. On October 7, 2011, Petitioner was called to the scene of a traffic stop by Elizabethtown communication. (T. p. 19) The traffic stop involved Donnie Scholar.

17. On the way to the call for shots fired, Sergeant Brock called Petitioner. (T. p. 19) During that telephone call, Sergeant Brock informed Petitioner that he and Deputy Smith had pulled Donnie Scholar over for suspicion of DWI. Sergeant Brock described the situation at the Donnie Scholar traffic stop and informed Petitioner that although Donnie Scholar had some health conditions, it should be left to the Magistrate to determine whether he should be released for his health conditions. (T. pp. 20, 151)

18. Sergeant Brock, Petitioner, Donnie Scholar, and Ivey Scholar, Donnie’s brother, went to high school together. (T. p. 152) At the time of the stop, Petitioner knew Ivey Scholar personally. (T. pp. 59, 67)

19. On the way to the scene of the traffic stop, Petitioner did not know the direction from which Donnie Scholar had been traveling. (T. p. 69)

20. It took Petitioner approximately 45 minutes from the time he was called by Elizabethtown communications to arrive at the scene of the traffic stop. (T. p. 21) When Petitioner arrived at the scene of the traffic stop, Donnie Scholar was out of the vehicle. (T. p. 21)

21. When Petitioner arrived at the scene, he did not know how long Donnie Scholar had been out of his vehicle or where Donnie Scholar had been since the stop of the vehicle. (T. p. 22)
22. When Petitioner arrived at the scene of the traffic stop, Donnie Scholar, Glenda Scholar, Ivey Scholar, Deputy Smith, Officer Ward, and Detective Parrish were at the scene. (T. p. 22)

23. Once Petitioner arrived on the scene, Detective Parrish spoke to Petitioner and explained what he observed regarding the spinning of wheels and Donnie Scholar's actions. (T. pp. 137-39) Thereafter, Officer Ward and Detective Parrish left the scene. (T. p. 126)

24. Petitioner talked to Deputy Smith when he arrived at the scene. Deputy Smith explained to Petitioner that Donnie Scholar was pulled over for peeling out at a stop sign, creating tire smoke, and driving left of center into oncoming traffic. (T. pp. 23-4) That was the first time that Petitioner was informed of these reasons for the Donnie Scholar stop. Neither Elizabethtown communication nor Sergeant Brock had informed Petitioner of these exact reasons. (T. p. 24)

25. Deputy Smith also informed Petitioner that he had performed portable breath tests on Donnie Scholar. The results of the tests were .12 and .11. (T. p. 24)

26. On the scene of the traffic stop, Petitioner saw Donnie Scholar leaning against a trampoline. Donnie Scholar never walked around; he remained leaning on the trampoline. (T. p. 29) When Petitioner talked to Donnie Scholar, he smelled alcohol on his breath. (T. p. 27) Petitioner stated that Donnie Scholar was "emotionally a mess." Donnie Scholar would go from crying to sobbing to cursing. Donnie Scholar was belligerent. (T. p. 27)

27. Donnie Scholar admitted to Petitioner that he had been drinking at his mom's house prior to driving to his present location and that he was on medication for a recent hip replacement. (T. pp. 27-8, 30) While Petitioner was at the scene, Donnie Scholar had a red cup with him at the trampoline. Donnie Scholar informed Petitioner that it was a punch mixed drink. (T. p. 29) Petitioner did not smell or otherwise check the contents of the red cup and never saw Donnie Scholar drink from the cup.

28. After observing Donnie Scholar, Petitioner decided to perform his own portable breath test on Donnie Scholar. (T. p. 30) Petitioner always performs his own portable breath test on a subject because he knows that he properly calibrates his alco sensor, and he trusts the reading of his own alco sensor. (T. p. 30) Donnie Scholar registered a .10 and .09 on Petitioner's portable breath tests. (T. p. 31)

29. After obtaining the readings from his own portable breath tests on Donnie Scholar, Petitioner formed the opinion that Donnie Scholar was impaired. (T. pp. 31, 47)

30. Although Petitioner was trained in field sobriety tests, he did not perform any field sobriety tests on Donnie Scholar. (T. p. 32)
31. At the scene of the traffic stop, Petitioner was informed that if Donnie Scholar were charged with DWI for this stop, it would be a habitual DWI charge for Donnie Scholar because of numerous prior convictions for DWI. (T. p. 71)

32. Petitioner informed Deputy Smith that he was not going to arrest Donnie Scholar because by the time he took him to the jail and did the paperwork, Donnie Scholar would blow a .08, and Petitioner said that he never had won a .08 DWI case in Duplin County. (T. pp. 32-3) Petitioner also indicated that he was not going to arrest Donnie Scholar because he was bleeding from his ankle and Petitioner did not want blood in his patrol car. (T. p. 72)

33. Petitioner did not ask Officer Ward or Detective Parrish if they saw Donnie Scholar spin tires or drive left of center into oncoming traffic. (T. p. 65)

34. Petitioner did not ask Sergeant Brock if he saw Donnie Scholar spin tires or drive left of center into oncoming traffic, even though Petitioner was aware that Sergeant Brock was at the scene of the incident. (T. p. 65)

35. Four different law enforcement officers witnessed Donnie Scholar spin tires at the intersection and drive left of center into oncoming traffic: Deputy Smith, Sergeant Brock, Officer Ward, and Detective Parrish. (T. p. 65) These law enforcement officers were from two different law enforcement agencies. (T. p. 235)

36. Law enforcement officers are taught that a traffic violation constitutes reasonable suspicion to pull a vehicle over. (T. p. 233) Driving left of center is a traffic violation.

37. After learning the reason for the stop, Petitioner did not go back to the intersection to observe the road. (T. p. 33)

38. While Petitioner did not charge Donnie Scholar with DWI, he did charge him with Diving While License Revoked and Consuming a Malt Beverage While Driving. (T. p. 34) The charges for driving while license revoked ("DWLR") and consuming a malt beverage while driving are based on the same reasonable suspicion as the DWI. (T. p. 63)

39. In order to charge Donnie Scholar with consuming a malt beverage, Petitioner had to have probable cause. (T. p. 51) Petitioner also would have had to rely on other Officers' testimonies regarding reasonable suspicion and regarding the element of driving in order to convict Donnie Scholar for DWLR and consuming a malt beverage while driving. (T. p. 227)

40. Petitioner never asked anyone if Donnie Scholar had the red cup in his hand when he exited the vehicle. Petitioner did not ask Donnie Scholar if he was drinking while driving. Petitioner did not search the vehicle Donnie Scholar was driving. Petitioner never saw Donnie Scholar drink from the red cup and never saw him move or pick up the cup. Petitioner never picked up the cup or smelled the liquid in the cup. (T. pp. 52-54)
41. The only evidence Petitioner had that alcohol was in the cup was Donnie Scholar’s statement that it was a punch mixed drink. (T. p. 54)

42. Highway Patrol Troopers have been taught always to corroborate a suspect’s admission with independent evidence. (T. p. 252)

43. Although Petitioner relied on Deputy Smith’s printout of Donnie Scholar’s driving record because he had a tendency to believe Deputy Smith, he also ran Donnie Scholar’s name on his in-car computer to confirm. Deputy Smith’s printout revealed eight (8) prior DWI charges against Donnie Scholar. (T. p. 35)

44. After leaving the Scholar stop scene, Petitioner saw Deputy Smith parked down the road and stopped for a conversation with him. Deputy Smith also had earlier departed the Scholar stop location. During that conversation, a call came over the radio regarding a four-wheeler. Deputy Smith said he would take the call for Petitioner because Petitioner was supposed to meet his wife for dinner. (T. pp. 57-58)

45. During his interview with Internal Affairs, Petitioner stated that he did not stop down the road and have a conversation with Deputy Smith. (T. p. 55) After being questioned at a later date by Internal Affairs, Petitioner admitted that he may have stopped down the road and had a conversation with Deputy Smith. (T. p. 57)

46. At the end of his shift that night, Sergeant Brock called Deputy Smith to find out how the rest of the stop went with Donnie Scholar. (T. p. 156) Deputy Smith informed Sergeant Brock that Petitioner did not charge Donnie Scholar with DWI, but with other charges. (T. p. 156)

47. The following night, October 8, 2011, Sergeant Brock called Petitioner to ask him why he did not arrest Donnie Scholar for DWI. (T. p. 38) Petitioner told Sergeant Brock that he did not charge or arrest Donnie Scholar for DWI because by the time he would have gotten him down to the station, Donnie Scholar would have blown a .08, and he had never won a .08 DWI case in Duplin County. (T. p. 38) Petitioner also said he did not arrest him because of his medical conditions. (T. p. 156) During this telephone conversation, Petitioner never stated anything about not believing Deputy Smith’s reasonable suspicion for the stop. (T. pp. 156-57)

48. Petitioner admitted that his actions at the scene of the stop became the subject of much discussion among law enforcement officers in and around Duplin County. (T. p. 66) Petitioner was concerned that this incident affected his reputation and the Highway Patrol’s reputation with members of the Duplin County Sheriff’s Office. (T. p. 66)

49. Sergeant Brock became aware that Petitioner’s actions at the stop of Donnie Scholar were becoming a topic of much discussion between and among members of the Duplin County Sheriff’s Office and the Highway Patrol. Because of the amount of attention the stop was getting from law enforcement, on October 10, 2011, Sergeant Brock went to the Highway Patrol office to talk to Petitioner’s direct supervisor, Sergeant Cavanaugh. (T. pp. 157-59,
173) Sergeant Brock explained to Sergeant Cavanaugh what happened at the stop, that Petitioner did not charge Donnie Scholar with DWI, and that the situation was becoming a topic of discussion between the Departments. (T. pp. 158-59, 176-77)

50. A few hours later, Sergeant Cavanaugh approached Petitioner and asked him why he did not arrest Donnie Scholar on October 7, 2011. (T. pp. 38-9) Petitioner told Sergeant Cavanaugh that by the time he would have gotten Donnie Scholar to the Magistrate’s office, Donnie Scholar would have blown a .08, and Petitioner had never won a .08 DWI case in Duplin County. (T. p. 39) He also told Sergeant Cavanaugh that Donnie Scholar had blood on his leg, and he did not want the blood in his car. (T. p. 178)

51. When a subject blows a .08 or above, Troopers are trained to place them under arrest and transport them to the Magistrate’s office. (T. p. 179)

52. A few days later, Sergeant Cavanaugh and First Sergeant Thurston met with Petitioner regarding the stop of Donnie Scholar. (T. p. 180) During this meeting, Petitioner gave a different reason for not arresting Donnie Scholar: Petitioner told his supervisors that he did not charge Donnie Scholar with DWI because he did not believe Deputy Smith’s reasons for reasonable suspicion to make the stop. Sergeant Cavanaugh asked Petitioner why he did not tell him that the first time he asked Petitioner why he did not charge Donnie Scholar. Petitioner said that he did not want problems with the Sheriff’s Department. (T. p. 180) Petitioner never explained why he was untruthful with his own Sergeants.

53. Several days later, Petitioner called Sergeant Brock and asked to speak to him in person. Petitioner went to Sergeant Brock’s residence. Petitioner asked Sergeant Brock why he did not talk to him about the stop before going to Sergeant Cavanaugh. Sergeant Brock informed Petitioner that he had talked to him prior to going to Sergeant Cavanaugh. Then Petitioner changed his story and informed Sergeant Brock that he did not arrest Donnie Scholar for DWI because he did not believe Deputy Smith’s recitation of reasonable suspicion for the stop. (T. pp. 160-61) Sergeant Brock was confused and asked Petitioner why he had charged Donnie Scholar with Driving While License Revoked and Consuming from an Open Container of Alcohol if he did not think the stop was proper.

54. Later, Petitioner called Sergeant Brock again and requested to meet with him and Deputy Smith. They met at the Highway Patrol Office. At the meeting, Petitioner apologized for his actions during the stop of Donnie Scholar and stated that he should have done his job. (T. pp. 161-62)

55. Petitioner told Internal Affairs that he had made the stop, Donnie Scholar would have been arrested for DWI. (T. p. 47)

56. Had Petitioner charged Donnie Scholar with DWI, Deputy Smith, Sergeant Brock, Officer Ward, and Detective Parrish could have been called to testify in court as to the evidence constituting reasonable suspicion for the stop by law enforcement. (T. p. 46)
57. In his first interview with Internal Affairs on November 17, 2011, Petitioner stated that he did not perform enough tests or have enough of a visual to determine if Donnie Scholar was impaired. (R. Ex. 9; T. p. 48) In his second interview with Internal Affairs, however, Petitioner admitted that Donnie Scholar was impaired. (R. Ex. 9; T. p. 49)

58. Petitioner was willfully untruthful with investigators of Internal Affairs when he told them that he did not perform enough tests or have enough of a visual to determine if Donnie Scholar was impaired.

59. Sergeant Brock testified that Deputy Smith was one of his best officers, and he thought that Deputy Smith was very honest. Sergeant Brock never had any reason to question Deputy Smith’s credibility. (T. p 162)

60. Petitioner admitted that he has no knowledge of credibility issues with Deputy Smith’s courtroom testimony. (T. p. 60)

61. Deputy Smith looked up to Petitioner as a role model. (T. p. 167)

62. On November 17, 2011, Petitioner received a notification that a complaint had been filed against him. (T. p. 7; R. Ex. 2) Along with the notification, Petitioner was provided with a copy of Highway Patrol policies H.01 and H.02. (T. pp. 8-9; R. Exs. 3, 4)

63. The Internal Affairs Section of the Highway Patrol conducted an investigation into the complaint filed against Petitioner. As part of the investigation, Petitioner was interviewed once on November 17, 2011, and again on March 12, 2012. Those interviews were recorded and transcribed. The transcriptions of the interviews were admitted into evidence as R. Ex. 9.

64. On May 11, 2006, Petitioner was sworn in as a law enforcement officer. At that time Petitioner became a member of the Patrol and was provided with a Highway Patrol Policy Manual. Petitioner was required to read the manual and sign and date it indicating that he had read and understood it. Petitioner signed and dated the document indicating that he read and understood it and would abide by it. (T. p. 10)

65. The truthfulness policy is a part of the Highway Patrol Manual. Petitioner was informed of the truthfulness policy when he became a Trooper. The truthfulness policy had been stressed to Petitioner throughout his career with the Highway Patrol. Petitioner was made aware early in his career that violating the truthfulness policy was a serious violation and could result in discipline, up to and including dismissal. (T. pp. 10-11)

66. Petitioner made a judicial admission at this hearing, and it is found as a fact, that he was untruthful to Deputy Smith, Sergeant Brock, and Sergeant Cavanaugh in his explanation as to why he did not charge Donnie Scholar with DWI. (T. p. 113)

67. Petitioner admitted that he was untruthful to Deputy Smith when he told him that the reason he did not arrest Donnie Scholar for DWI was because by the time he arrested
him, completed the paperwork, and transported him to the jail, Donnie Scholar would have blown a .08 on a breathalyzer and that he never had won a .08 DWI case in Duplin County. (T. pp. 42-43)

68. Petitioner admitted that he was untruthful to Sergeant Brock when he told him that the reason he did not arrest Donnie Scholar for DWI was because by the time he arrested him, completed the paperwork, and transported him to the jail, Donnie Scholar would blow a .08 and that he never had won a .08 DWI case in Duplin County. (T. p. 42)

69. Petitioner admitted that he was untruthful when he told Sergeant Cavannah that the reason he did not arrest Donnie Scholar for DWI was because by the time he arrested him, completed the paperwork, and transported him to the jail, Donnie Scholar would have blown a .08 and that he never had won a .08 DWI case in Duplin County. (T. p. 44)

70. Petitioner admitted that he was untruthful when he told Sergeant Brock and Sergeant Cavannah that he never had won a .08 DWI case in Duplin County. Petitioner has won “plenty” of .08 DWI cases in Duplin County. (T. pp. 58, 84)

71. It is widely known in the Patrol that truthfulness is taken very seriously and that the policy must be followed. (T. pp. 321, 337) Truthfulness is paramount to the official duties of a law enforcement officer. If a law enforcement officer loses his credibility, his ability to effectively perform the functions of his job are deeply diminished.

72. By being untruthful, Petitioner compromised his integrity and undercut the confidence that members of the Duplin County Sheriff’s Office had in the Highway Patrol. (T. p. 258)

73. Not wanting to hurt someone’s feeling is not an acceptable excuse for being untruthful in the performance of the duties of a law enforcement officer. (T. p. 260)

74. Patrol policy requires that Troopers charge people and make arrests for clear cut and substantial violations of the law. (T. p. 221)

75. N.C.G.S. 20-138.1 includes a two-prong test for violations of DWI. A person can violate the law by having a .08 or higher blood alcohol content at any time relevant to driving or be appreciably impaired. (T. p. 221)

76. Blowing between a .09 and .12 on a portable breath test is probable cause for the charge and arrest for a clear cut and substantial violation of N.C.G.S. § 138.1.

77. Donnie Scholar, based on the multiple readings of the portable breath tests, was in violation of the DWI statute under the .08 prong, if not both prongs. (T. p. 222)

78. Michael Gilchrist was the Commander of the Highway Patrol in October 2011. (T. p. 200) As Commander of the Patrol, Colonel Gilchrist was responsible for rendering discipline to employees. (T. pp. 200-01)
79. After the complaint against Petitioner was investigated by Internal Affairs, the file was sent to the Director of Professional Standards, Major Jennifer Harris. On June 7, 2012, Major Harris wrote a memorandum to Colonel Gilchrist indicating that based on the facts of this case, her recommendation was that Petitioner should be dismissed from the Highway Patrol. (T. pp. 203-04; R. Ex. 12)

80. Colonel Gilchrist received the entire Internal Affairs file in this case, including Respondent’s Exhibits 1 – 12, and considered those documents in determining that he was considering dismissing Petitioner from employment.

81. Based on his initial consideration, Colonel Gilchrist ordered that a pre-disciplinary conference take place. (R. Ex. 13)

82. On June 8, 2012, Petitioner was provided with notification that a pre-disciplinary conference would be conducted on June 13, 2012 at 10:00 a.m. Along with this notification, Petitioner was provided with a copy of the Report of Investigation and supporting documents. (R. Ex. 14) Petitioner also was provided with a Charge Sheet, which indicated the actions for which discipline was being considered. (R. Ex. 18)

83. Prior to Petitioner’s dismissal, he was provided with a pre-disciplinary conference. (T. p. 15) At the pre-disciplinary conference, Petitioner was provided with an opportunity to present any information he wanted considered by Colonel Gilchrist before the decision regarding discipline was made. Petitioner’s pre-disciplinary conference was recorded and transcribed. The transcription was entered into evidence as Respondent’s Exhibit 15. At the pre-disciplinary conference, Petitioner provided documentation that he wanted considered by Colonel Gilchrist. Those documents were introduced into evidence as Respondent’s Exhibit 16. (T. p. 15)

84. Colonel Gilchrist received, reviewed, and considered the documents provided by Petitioner at his pre-disciplinary conference prior to rendering a final decision regarding discipline. (T. p. 211)

85. Colonel Gilchrist considered many factors in determining that dismissal was the appropriate discipline in this case. Those factors include, but are not limited to, Petitioner’s good employment history, that all troopers with substantiated violation of truthfulness have been dismissed, that Petitioner’s explanations to the Internal Affairs investigators were contradictory and not credible, that Petitioner was not truthful during the investigation into this matter, the importance and necessity of truthfulness in a law enforcement position, and the impact Petitioner’s actions would have on his ability to effectively perform his job duties.

86. In weighing and balancing the relevant factors, the aggravating factors, particularly the importance of truthfulness and how it affects a law enforcement officer’s ability to effectively perform his job requirements, outweighed Petitioner’s good work history.
87. After reviewing and considering all the documents in Petitioner’s investigation file, the
documents presented at Petitioner pre-disciplinary hearing, and Petitioner’s performance
appraisals, Colonel Gilchrist considered lesser forms of discipline but determined that
dismissal was the appropriate level of discipline. (T. p. 212)

88. The Highway Patrol spends a significant amount of time, energy, and money to train
Troopers and to ensure that they employ trustworthy individuals who can perform with a
minimal amount of supervision. (T. p. 213) Given the nature of a Trooper’s job, it is
required that Troopers be trustworthy and dependable. Troopers are informed about the
importance of truthfulness throughout their careers, starting from when they are cadets in
Basic Law Enforcement Training. (T. p. 215) Troopers often work alone and frequently
have to testify in court. Truthfulness and credibility are essential requirements of the job.
(T. p. 216)

89. On June 18, 2012, Petitioner appealed his dismissal to the Secretary of the Department of
Public Safety, Reuben Young. (T. p. 16; R. Ex. 19)

90. On July 23, 2012, Secretary Young upheld the dismissal of Petitioner from the Patrol. (R.
Ex. 20; T. p. 16)

91. N.C.G.S. § 126-35(a) provides that “[n]o career State employee subject to the State
Personnel Act shall be discharged, suspended, or demoted for disciplinary reasons, except
for just cause.” Although the statute does not define “just cause,” the words are to be
accorded their ordinary meaning. Amanini v. Dep’t of Human Resources, 114 N.C. App.
668, 443 S.E.2d 114 (1994) (defining “just cause” as, among other things, good or
adequate reason).

92. While just cause is not susceptible of precise definition, our courts have held that it is “a
flexible concept, embodying notions of equity and fairness, that can only be determined
upon an examination of the facts and circumstances of each individual case.” NC DENR

93. In Warren v. N.C. Dep’t of Crime Control & Public Safety, N.C. Highway Patrol, ___ N.C.
App. ___, 726 S.E.2d 920(2012), the Court of Appeals established a three-part test to
determine whether just cause exists for discipline in personnel cases. First, it must be
determined whether the employee engaged in the conduct the employer alleged. Id. at ___,
726 S.E.2d at 14. Second, it must be determined whether the employee's conduct falls
within one of the categories of unacceptable personal conduct provided by the
Administrative Code. Id. Third, if the employee's conduct qualifies as a type of
unacceptable personal conduct, it must be determined whether the conduct amounted to
just cause for the disciplinary action taken. Id.

94. The definition of unacceptable personal conduct includes: conduct for which no
reasonable person should expect to receive prior warning; the willful violation of known
or written work rules; or conduct unbecoming a State employee that is detrimental to
State service. 25 N.C.A.C. 1J.0614.
95. The State Personnel Manual advises that an employing agency should consider a number of factors when deciding the appropriate type of discipline to render. State Personnel Manual, Section 7, page 11. Among the factors are: 1) Whether the supervisor should recommend disciplinary action based on the facts; 2) Whether more investigation is needed to make a recommendation; 3) The type and degree of disciplinary action to be taken; 4) The employee's work history; 5) Disciplinary actions received by other employees within the agency/work unit for comparable performance or behavior; and 6) other relevant factors. Id.

96. A Career State Employee can be disciplined for a single act of unacceptable personal conduct up to and including dismissal. 25 N.C.A.C. 11.0608.

CONCLUSIONS OF LAW

1. All parties properly are before the Office of Administrative Hearings. To the extent that the Findings of Fact contain Conclusions of Law or that the Conclusions of Law are Findings of Fact, they should be so considered without regard to the given labels.

2. Petitioner was a career State employee at the time of his dismissal and, therefore, entitled to the protections of the North Carolina State Personnel Act (N.C. Gen. Stat. § 126-1 et seq.), and specifically the just cause provision of N.C.G.S. §126-35.

3. Under N.C.G.S. § 126-35(d), in an appeal of a disciplinary action, the employer bears the burden of proving that "just cause" existed for the disciplinary action.

4. Respondent met its burden in proving that Petitioner was untruthful to Sergeant Cavanaugh when Petitioner said that he never had won a .08 DWI case in Duplin County. This untruthfulness was a willful violation of Respondent's written policy and, therefore, constitutes unacceptable personal conduct under the North Carolina Administrative Code.

5. Respondent has met its burden in proving that Petitioner was untruthful to Sergeant Cavanaugh and First Sergeant Thurston when he told them that he did not arrest Donnie Scholar for DWI because he did not think it was a good stop. This untruthfulness was a willful violation of Respondent's written policy and, therefore, constitutes unacceptable personal conduct under the North Carolina Administrative Code.

6. Respondent has met its burden in proving that Petitioner was untruthful when he told Internal Affairs investigators that he did not perform enough tests or have enough of a visual to form an opinion satisfactory to himself as to whether Donnie Scholar was impaired on October 7, 2011. This untruthfulness was a willful violation of Respondent's written policy and, therefore, constitutes unacceptable personal conduct under the North Carolina Administrative Code.

7. Respondent has met its burden in proving that Petitioner engaged in neglect of duty by failing to arrest Donnie Scholar for DWI when he had ample probable cause to do so.
The undersigned finds that this violation amounts to unsatisfactory job performance as defined by the North Carolina Administrative Code.

8. Respondent has met its burden in proving that Petitioner engaged in neglect of duty by failing to gather the evidence necessary to properly support a charge for operating a motor vehicle while consuming an alcoholic beverage in violation of NCGS 18B-401. The undersigned finds that this violation amounts to unsatisfactory job performance as defined by the North Carolina Administrative Code.

9. Respondent failed to meet its burden by proving: (1) That Petitioner was untruthful to Deputy Smith when he said that he never would get a conviction for a .08 DWI case in Duplin County; (2) that Petitioner was untruthful to Sergeant Brock when he said that he did not arrest Donnie Scholar because he would have had to charge him with habitual DWI; (3) that Petitioner was untruthful to Internal Affairs when he said that, while en route to the location of the stop, he checked the intersection for tire impressions and there were none there; and (4) that Petitioner was untruthful to Internal Affairs investigators when he said he did not stop down the road and have a conversation with Deputy Smith, that he did not receive a 10-85 call from the Communications Center, that Deputy Smith did not take the 10-85 call for him, and that he left the scene and went to another call.

10. Respondent has met its burden in proving that Petitioner engaged in unsatisfactory performance of duties when Petitioner failed to charge Donnie Scholar with DWI, despite ample evidence of the violation, and informing law enforcement personnel that the reason he did not arrest Donnie Scholar was because it would have been a waste of time because he never would win a .08 DWI case in Duplin County. The undersigned finds that this violation amounts to unsatisfactory job performance as defined by the North Carolina Administrative Code.

11. Petitioner engaged in the willful violation of Respondent’s known work rule on truthfulness by not being truthful and complete in his oral communications with Sergeants Brock and Cavanaugh and by being untruthful to Internal Affairs investigators when he original told them that he did not perform enough tests to determine if Donnie Scholar was impaired.

12. Respondent considered all relevant and appropriate factors in determining that dismissal was appropriate in the present case.

13. Col. Gilchrist was not arbitrary and capricious in dismissing Petitioner, and he exercised appropriate discretion in making that determination.

14. Respondent had just cause to discipline Petitioner in the form of dismissal.

15. All procedural requirements for terminating Petitioner were followed under the provisions of the North Carolina General Statutes, the North Carolina Administrative Code, the North Carolina State Personnel Manual, the rules and policies of the North

FINAL DECISION

Based on the foregoing Findings of Fact and Conclusions of Law, I find that Respondent’s decision to dismiss Petitioner from its employment for unacceptable personal conduct and unsatisfactory performance of duties is supported by a preponderance of the evidence and is AFFIRMED.

It is ordered that Petitioner is not entitled to recover reasonable attorney’s fees and costs associated with the filing and prosecution of this contested case.

NOTICE

Under the provisions of North Carolina General Statute 150B-45, any party wishing to appeal the final decision of the Administrative Law Judge must file a Petition for Judicial Review in the Superior Court of Wake County or in the Superior Court of the county in which the party resides. The appealing party must file the petition within 30 days after being served with a written copy of the Administrative Law Judge’s Final Decision. NC CRIMINAL JUSTICE EDUCATION
AND TRAINING STANDARDS
COMMISSION
RESPONDENT.

PROPOSAL FOR DECISION

On May 30, 2013, this contested case was heard before J. Randall May, Administrative Law Judge, in the High Point Courthouse, Guilford County, North Carolina. Without objection, Respondent requested, pursuant to N.C.G.S. § 150B-40(e), designation of an administrative law judge to preside at the hearing of a contested case under Article 3A, Chapter 150B of the North Carolina General Statutes.

APPEARANCES

Petitioner: William L. Hill, Attorney at Law
Respondent: Lauren Talley Earnhardt, Assistant Attorney General

ISSUES

Given the totality of the circumstances, does substantial evidence exist to deny Petitioner’s application for certification as a law enforcement officer?

EXHIBITS ADMITTED

1. Deposition of Steven Walton.
2. Statement of Non-Tobacco Use Form signed by Petitioner.
3. Probable Cause Committee Memorandum and Attachments.
4. Denial of Certification Letter.
5. Letters from Diane Konopka to Sheriff B. J. Barnes regarding Probable Cause Hearing.

STIPULATIONS

1. Petitioner Scott Neudecker was appointed as a Deputy with the Guilford County Sheriff’s Office and was certified as such with the North Carolina Sheriffs Education and Training Standards Commission.

2. On December 13, 2011, the North Carolina Sheriffs Education and Training Standards Commission notified Guilford County Sheriff B. J. Barnes that the Probable Cause Committee of the Sheriffs Standards Commission had met and found that no probable cause existed to believe that Petitioner was disqualified for certification.

3. On or about December 7, 2012, Petitioner was notified that his application for certification as a law enforcement officer was denied by the North Carolina Department of Justice, Criminal Justice Standards Division, because the Commission’s Probable Cause Committee found that probable cause existed to believe that Petitioner committed the felony offense of attempt to obtain property by false pretense.

4. Petitioner timely requested an Administrative Hearing, and the Commission thereafter requested the assignment of an Administrative Law Judge to hear the contested case.

5. The Office of Administrative Hearings has jurisdiction over the subject matter and over both parties in this case, and venue is proper.

6. When the Commission revokes or denies the certification of a criminal justice officer, the period of the sanction shall be permanent for a felony offense. 12 N.C.A.C. 09A .0205.

7. At the Hearing in this matter, Petitioner and Respondent may present such evidence as may be admissible and relevant to the issues in the contested case. 26 N.C.A.C. 03 .0122(1).

8. Additionally, the parties stipulate to the following circumstances relevant to the denial of Petitioner’s application for certification as a law enforcement officer:

   a. Petitioner began his employment at the Guilford County Sheriff’s Office in 2011.

   b. On July 19, 2011, Petitioner signed a Statement of Non-Tobacco Use form. The form states that the individual signing the form is not currently using tobacco products of any form, has not used any tobacco products within 90 days of making the selection, and will not use tobacco products during 2011.

   c. Petitioner was using tobacco products at the time he signed the Statement of Non-Tobacco Use form.
d. On August 1, 2011, Petitioner’s employment with the Guilford County Sheriff’s Office was terminated.

e. On December 13, 2011, the North Carolina Sheriffs Education and Training Standards Commission notified Guilford County Sheriff B. J. Barnes that the Probable Cause Committee of the Sheriffs Standards Commission had met and found that no probable cause existed to believe that Petitioner was disqualified for certification.

f. On December 7, 2012, the North Carolina Department of Justice, Criminal Justice Standards Division, notified Petitioner that his application for certification as a law enforcement officer was denied as the Probable Cause Committee found that probable cause existed to believe that Petitioner committed the felony offense of attempt to obtain property by false pretense.

g. Petitioner has not been charged with, or convicted of, the felony offense of attempt to obtain property by false pretense, nor has Petitioner been charged with or committed any other criminal offense.

h. Based upon the foregoing stipulations, the admitted documentary evidence, the testimony of witnesses, including the determination of witness credibility, the undersigned makes the following:

**FINDINGS OF FACT**

1. Petitioner was appointed on December 17, 2007 as a full time deputy with the Guilford County Sheriffs Office. He separated from this position on January 28, 2008. On July 19, 2010, he was certified with the Guilford County Sheriffs office.

2. On July 19, 2011, Petitioner, along with two other Guilford County Sheriffs Deputies, Daniel Hendrix and Stephen Walton, attended an information session for new County employees. The three Deputies were given a Statement of Non-Tobacco Use form by Sonja Thomas, an employee with the Human Resources Department of Guilford County. The Statement of Non-Tobacco Use form offered a ten dollar bi-weekly discount off of the employees’ 2011 Guilford County health insurance plan premium if the employee was not currently using tobacco products of any form; had not used any tobacco products within 90 days of making the selection; and if the employee agreed to not use tobacco products during 2011. Petitioner and Deputies Walton and Hendricks all signed the Statement of Non-Tobacco Use forms on July 19, 2011.

3. Ms. Thomas testified there was some discussion around the form during the July 19, 2011 class. She was asked by one of the new hires whether Guilford County tests for tobacco use. Ms. Thomas answered that Guilford County does not currently test for tobacco use but could start testing at any time. She was also asked by a new hire if you quit using tobacco products, can you sign the form at a later date. Ms. Thomas explained that if a new hire quits using tobacco, and does not use it for 90 days preceding the open enrollment period in October,
he or she can then sign the “Non-Tobacco Use Form” during the October 2011 open enrollment period, and will get the reduced health premium starting the following year. It was this parole evidence that apparently led to the confusion as to the execution of the form.

4. When Ms. Thomas finished her portion of the presentation, none of the new hires had signed the “Non-Tobacco Use Form”. Another co-worker continued teaching the new hires about Guilford County Policy and gathered all completed forms. Later in the day, Ms. Thomas realized Petitioner had signed his “Non-Tobacco Use Form”. Based on the questions during the presentation, Ms. Thomas brought this to the attention of her manager, who then notified the Guilford County Sheriff’s office.

5. An internal investigation by the Sheriff’s Office was initiated when Guilford County Human Resource employees Sonja Thomas and Brenda Keplinger informed the Sheriff’s Office that they believed the Deputies were currently using tobacco products and were not in compliance with the Statement of Non-Tobacco Use form. Following the investigation, Petitioner’s employment with the Guilford County Sheriff’s Office was terminated on August 12, 2011.

6. The North Carolina Sheriffs Education and Training Standards Commission reviewed the report of separation regarding Petitioner and found that no probable cause existed to believe that Petitioner was disqualified for certification with the Sheriffs’ Standards Commission. The Sheriffs’ Commission did so in December 2011.

7. Respondent received a Report of Appointment/Application for Certification Law Enforcement Officer Form F-5A, from Gibsonville Police Department, on behalf of Petitioner seeking certification as a patrol officer on July 25, 2012.

8. Upon receipt of the Report for Appointment from Gibsonville Police Department, Richard Squires (hereinafter Squires), an investigator for Respondent testified he investigated why Petitioner was dismissed from Guilford County Sheriff’s office. Squires learned Petitioner was terminated from employment with Guilford County after he, during a County human resources orientation, signed a form stating he was not using tobacco products in order to receive reduced medical insurance premiums when, in fact, he was currently using tobacco. Guilford County had a policy to provide non-tobacco users a ten (10) dollar discount from their health insurance premium, taken off each pay check, twice a month.

9. In December 2012, The North Carolina Department of Justice, Criminal Justice Standards Division denied Petitioner’s application for certification as a law enforcement officer as the Probable Cause Committee for same found that probable cause existed to believe that Petitioner committed the felony offense of attempt to obtain property by false pretense in violation of N.C. Gen. Stat. § 14-100 and North Carolina Common Law.

10. Sonja Thomas of the Guilford County Human Resources Office testified at the Hearing on May 30, 2013 explaining the Tobacco Use policy, that there was confusion among the three Deputies regarding the language of the policy, and that it was her first time teaching this orientation class.
11. Captain Kenneth Whitesell, a Captain and veteran with the Guilford County Sheriff’s Office, testified in support of Petitioner. He testified to Petitioner’s excellent character and that Petitioner, Hendricks, and Walton had all completed their Basic Law Enforcement Training and field training as volunteers. Whitesell testified that no monetary gain was made by Petitioner and further that it would take 30 years for Petitioner, Hendricks, or Walton to give back the money from serving as volunteer(s) in total discounts, if they received any tobacco waiver, which they did not. Whitesell further testified he would gladly serve as alongside Petitioner and re-hire him if he could.

12. Daniel Hendricks, who has been certified and is currently a Sheriff’s Deputy with the Randolph County Sheriff’s Office, testified that it was his understanding if the deputies stopped using tobacco during the time period prior to the policy coming into effect, that their signing the form was permissible, meaning if they quit within 90 days. Hendricks testified that he had decided to use his employment with the Guilford County Sheriff’s Office as a reason to quit using tobacco. Hendricks further testified that he routinely answered calls with Asheboro and other agencies licensed by Criminal Justice making the different commission outcomes confusing.

13. Deputy Hendricks, Petitioner, and Ms. Thomas presented as credible witnesses.

14. As previously indicated, Squires, an Investigator with the Criminal Justice Standards Division, testified at the hearing regarding his investigation.

15. The deposition of Stephen Walton, who was unavailable to testify at the hearing due to military service, was offered as an exhibit. Walton’s deposition provided testimony that he, like Hendricks and Petitioner, were under the impression it was acceptable to sign the form if he intended to quit using tobacco products. Walton was using nicotine patches upon his return from active duty in Afghanistan.

16. Petitioner testified at the hearing that he, likewise, felt it was permissible to sign the form if he intended to quit within 90 days. Further he had been assigned to the bailiff’s office where tobacco was prohibited so he had to quit using tobacco.

17. None of the three received any monetary benefit, nor had the 90 day period preceding open enrollment commenced, upon their execution of the form.

BASED ON the foregoing Stipulations and Findings of Fact, the undersigned makes the following:

CONCLUSIONS OF LAW

1. The Office of Administrative Hearings has personal and subject matter jurisdiction over this contested case.
2. The North Carolina Criminal Justice Education and Training Standards Commission has the authority granted under Title 12 of the North Carolina Administrative Code, Chapter 9B to certify law enforcement officers and to deny, revoke or suspend such certification.

3. Pursuant to 12 N.C.A.C. 9A .0204(b), the Commission may suspend, revoke or deny the certification of a criminal justice officer when the Commission finds that the applicant for certification has failed to meet or maintain one or more of the minimum employment standards required by 12 N.C.A.C. 9B .0101 and 12 N.C.A.C. 9B .0111 for the category of officer certification.

4. Pursuant to 12 N.C.A.C. 9B .0111(1), an applicant for certification as a law enforcement officer may not have committed or been convicted of a felony.

5. Pursuant to 12 N.C.A.C. 9A .0103(4), commission of an offense means a finding by the North Carolina Criminal Justice Education Training and Standards Commission or an administrative body that the person performed the acts necessary to satisfy the elements of a specified criminal offense.

6. Pursuant to N.C. Gen. Stat. § 14-100, the criminal offense of attempt to obtain property by false pretense constitutes a felony.

7. Pursuant to N.C. Gen. Stat. § 14-100(a), the criminal offense of obtaining property by false pretenses is defined as "when any person knowingly and designedly (emphasis added) by means of any kind of false pretense whatsoever, whether the false pretense is of a past or subsisting fact or of a future fulfillment of event, obtain or attempt to obtain from any person within the state any money, goods, property, services, chose in action or other thing of value with intent to cheat or defraud any person of such money, goods, property, services, chose in action or other thing of value."

8. Our courts have consistently held in statutory crimes, such as Obtaining Property by False Pretense, more is required than a reasonable belief to prove knowledge. In its attempt to define knowledge our Supreme Court has ruled that, "Knowledge connotes a more certain and definite mental attitude than reasonable belief..." State v. Miller, 212 N.C. 361,363 (1937).

9. In the case sub judice, it is suggested that the Commission should consider two primary components, inter alia, which are discussed as follows:

a. First, is the act of the former Guilford County deputy and the sanction rendered. It is imperative that consideration be given to the totality of the facts in this case to determine whether a preponderance of substantial evidence exists to believe Petitioner had sufficient knowledge of the consequences of his act, and that he had the specific intent to attempt to defraud the alleged victim. There is no doubt that Petitioner should not have signed the form, and there is no attempt to excuse that conduct; however, other than the act itself, there is little to show his intent at the time. After hearing Ms. Thomas’ testimony, which was credible, and that of
the witnesses for Petitioner, which was also credible, it has been shown that there was confusion as to the timing of the execution of the form and the understanding of the 90 day period. Basically there was an insufficient showing that there was a specific intent to attempt to obtain property by false pretense by knowledge and design, and that Petitioner has successfully refuted this allegation by the greater weight of the evidence.

b. The second component is basically a question of the lack of good moral conduct, or simply put, character. Consideration of this trait, and the question of what is acceptable, is universal. Without knowing what evidence was heard by the two commissions, it is impossible to offer an opinion as to why they differed; however, once our governing bodies have heard similar evidence, they should have a singleness of mind, heart, and purpose to determine the meddle of candidates.

PROPOSAL FOR DECISION

The undersigned concludes that based upon the Findings of Fact and Conclusions of Law, there is insufficient evidence to rule that probable cause exists to believe that Petitioner committed the felony offense of the attempt to obtain property by false pretense (N.C. Gen. Stat. § 14-100). If the Commission accepts this proposal, it will moot the further inquiry of good moral character.

Further, it is the recommendation of the undersigned that Respondent should certify Petitioner as a law enforcement officer.

NOTICE AND ORDER

The North Carolina Criminal Justice Education Training and Standards Commission is the agency that will make the Final Decision in this contested case. As the final decision-maker, that agency is required to give each party an opportunity to file exceptions to this proposal for decision, to submit proposed findings of fact, and to present oral and written arguments to the agency pursuant to N.C. Gen. Stat. § 150B-40(e).

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, 6714 Mail Service Center, Raleigh, N.C. 27699-6714.

v.
NORTH CAROLINA SHERIFFS’ EDUCATION AND TRAINING STANDARDS COMMISSION,
Respondent.

PROPOSAL FOR DECISION

On August 21, 2013, Administrative Law Judge Beecher R. Gray heard this case in Winton, North Carolina. This case was heard after Respondent requested, under N.C.G.S. § 150B-40(e), the designation of an administrative law judge to preside at the hearing of a contested case under Article 3A, Chapter 150B of the North Carolina General Statutes.

APPEARANCES

Petitioner: Pro Se
Respondent: Matthew L. Boyatt, Assistant Attorney General

ISSUES

Has Petitioner committed or been convicted of any combination of four (4) or more crimes or unlawful acts defined as either Class A or Class B misdemeanors pursuant to the Commissions’ Rules, such that Petitioner’s application for certification is subject to denial?

Did Petitioner knowingly make a material misrepresentation of any information required for certification as a justice officer to the North Carolina Sheriffs’ Education and Training Standards Commission?

FINDINGS OF FACT

1. Both parties received notice of hearing by certified mail more than 15 days prior to the hearing, and each party stipulated on the record that notice was proper. Petitioner received by U.S. Postal Service Mail the proposed Denial of Justice Officer’s Certification letter, mailed by Respondent Sheriffs’ Commission on January 2, 2013.
2. The North Carolina Sheriffs' Education and Training Standards Commission (hereinafter referred to as the "Commission" or "Sheriffs' Commission") has authority granted under Chapter 17E of the North Carolina General Statutes and Title 12 of the North Carolina Administrative Code, Chapter 10B, to certify justice officers and to deny, revoke, or suspend such certification.

3. Petitioner is an applicant for justice officer certification through the Bertie County Sheriff's Office.

4. 12 NCAC 10B.0204(d)(5) states the Sheriffs' Commission may deny the certification of a justice officer when the Commission finds that the applicant has committed or been convicted of:

   (5) any combination of four or more crimes or unlawful acts defined in 12 NCAC 10B .0103 (10)(a) as a Class A misdemeanor or defined in 12 NCAC 10B .0103 (10)(b) as a Class B misdemeanor regardless of the date of commission or conviction.

5. Further, 12 NCAC 10B.0204(c)(1) and (2) states that the Sheriffs' Commission may deny the certification of a justice officer when the Commission finds that the applicant has:

   (1) knowingly made a material misrepresentation of any information required for certification or accreditation from the Commission or the North Carolina Criminal Justice Education and Training Standards Commission; or

   (2) knowingly and designedly by any means of false pretense, deception, fraud, misrepresentation, or cheating whatsoever, obtained or attempted to obtain credit, training or certification from the Commission or the North Carolina Criminal Justice Education and Training Standards Commission.

Worthless Check Convictions

6. Petitioner was appointed as a telecommunication officer through the Bertie County Sheriff's Office on January 3, 2012.

7. Petitioner testified at the administrative hearing and does not dispute that she has been convicted of eight (8) misdemeanor worthless check offenses, as set out in greater detail below.

8. On February 19, 1990, Petitioner was convicted of misdemeanor worthless check in violation of North Carolina General Statute § 14-107 in Hertford County, North Carolina; Case No. 1990 CR 000603. (R. Ex. 2)
9. On October 2, 1997, Petitioner was convicted of misdemeanor worthless check in violation of North Carolina General Statute § 14-107 (d)(1) in Bertie County, North Carolina; Case No. 1997 CR 002672. (R. Ex. 2)

10. On August 13, 2001, Petitioner was convicted of misdemeanor worthless check in violation of North Carolina General Statute § 14-107 (d)(1) in Hertford County, North Carolina; Case No. 2001 CR 002452. (R. Ex. 2)

11. On March 12, 2001, Petitioner was convicted of misdemeanor worthless check in violation of North Carolina General Statute § 14-107 (d)(1) in Gates County, North Carolina; Case No. 2000 CR 50233. (R. Ex. 2)

12. On February 12, 2001, Petitioner was convicted of misdemeanor worthless check in violation of North Carolina General Statute § 14-107 (d)(1) in Hertford County, North Carolina; Case No. 2001 CR 050025. (R. Ex. 2)

13. On May 22, 2006, Petitioner was convicted of misdemeanor worthless check in violation of North Carolina General Statute § 14-107 (d)(1) in Hertford County, North Carolina; Case No. 2006 CR 050213. (R. Ex. 2)

14. On September 5, 2007, Petitioner was convicted of misdemeanor worthless check in violation of North Carolina General Statute § 14-107 (d)(1) in Nash County, North Carolina; Case No. 2007 CR 051498. (R. Ex. 2)

15. On January 20, 2010, Petitioner was convicted of misdemeanor worthless check in violation of North Carolina General Statute § 14-107 (d)(1) in Bertie County, North Carolina; Case No. 2009 CR 51333. (R. Ex. 2)

16. Under 12 NCAC 10B .0103 (10)(a), Petitioner’s first three (3) worthless check convictions constitute Class A misdemeanors convictions under the Commission’s Rules. However, under North Carolina General Statute § 14-104 (d)(1), and more specifically 12 NCAC 10B .0103 (10)(b), a fourth (4th) and all subsequent convictions for misdemeanor worthless check under N.C.G.S. § 14-107 constitute Class B misdemeanors as set forth in the Class B Misdemeanor Manual adopted by the Commission.

17. Therefore, Petitioner’s remaining five (5) worthless check convictions constitute five (5) separate Class B misdemeanor convictions under the Commission’s Rules.

18. Based on the evidence presented at the administrative hearing, including Petitioner’s sworn testimony and the exhibits introduced into the record, the Undersigned finds that Petitioner has been convicted of the following three (3) Class A misdemeanors: 1) misdemeanor worthless check, Case No. 1990 CR 000603; 2) misdemeanor worthless check, Case No. 1997 CR 002672; and 3) misdemeanor worthless check, Case No. 2001 CR 050025.
The Undersigned further finds that Petitioner has been convicted of the following five (5) Class B misdemeanors: 1) misdemeanor worthless check, Case No. 2000 CR 50233; 2) misdemeanor worthless check, Case No. 2001 CR 002452; 3) misdemeanor worthless check, Case No. 2006 CR 050213; 4) misdemeanor worthless check, Case No. 2007 CR 051498; and 5) misdemeanor worthless check, Case No. 2009 CR 51333.

19. Petitioner testified at the administrative hearing regarding her worthless check offenses. Petitioner does not dispute the above-referenced convictions appearing on her criminal record. Many of the above-referenced worthless check convictions occurred while Petitioner was raising her six (6) children. At that time, Petitioner was getting little to no support from her ex-husband and therefore was struggling financially. Petitioner’s children are now grown and Petitioner is not subject to the same financial stress that she was when raising her children. Further, Petitioner no longer maintains a checkbook in order to avoid the possibility of writing a check without the necessary funds. Petitioner instead uses a debit card.

Material Misrepresentation

20. Petitioner completed a Personal History Statement (Form F-3), on or about July 9, 2010, as part of her original employment application with the Bertie County Sheriff’s Office, and in order to obtain certification as a justice officer through the Sheriffs’ Commission. See R. Ex. 3.

21. Question No. 39 of the Sheriffs’ Commission Form F-3 asked the applicant to disclose whether or not she had ever used illegal drugs, to include marijuana, and if so, to describe the circumstances. The instructions for this question advised Petitioner that “use” included “one time use and experimentation.” When Petitioner completed Question No. 39, she answered “No,” indicating that she had never used marijuana or any other illegal drugs.

22. Petitioner subsequently completed another Personal History Statement (Form F-3) on or about November 21, 2011, as part of her re-employment application with the Bertie County Sheriff’s Office, and in order to obtain certification as a justice officer through the Sheriffs’ Commission. See R. Ex. 4.

23. Question No. 39 of the second F-3 form Petitioner completed asked Petitioner to disclose whether or not she had ever used illegal drugs, to include marijuana, and if so, to describe the circumstances. The instructions for this question advised Petitioner that “use” included “one time use and experimentation.” When Petitioner completed Question No. 39 for the second time, Petitioner answered “Yes,” indicating that she had used marijuana. Petitioner explained on the F-3 Form that she “experimented” with marijuana in high school.

24. Petitioner testified at the administrative hearing regarding the discrepancy in her two (2) F-3 Personal History Statements. Petitioner stated that while she was in high school, she attended a party where she was given some brownies laced with marijuana. The brownies
were given to Petitioner and others at the party as a joke. At the time Petitioner ate the brownies, she was unaware they contained marijuana. After feeling the effects of the brownies, Petitioner later came to learn that people who attended the party were given marijuana brownies.

25. Petitioner does not believe that she experimented with marijuana because she was an unknown participant and did not intend to consume any illegal substances while at the above-referenced party. Petitioner disclosed the marijuana in her second F-3 Personal History Statement out of an abundance of caution. Petitioner realizes now that she should have listed her exposure to marijuana in her first F-3 Personal History Statement. In addition, Petitioner understands that she should have been more descriptive in the F-3 Form in terms of explaining all of the circumstances surrounding her exposure to marijuana. However, Petitioner’s omission was not intentional and was not made in order to deceive the Commission or her employer, the Bertie County Sheriff’s Office.

CONCLUSIONS OF LAW

1. The parties properly are before the undersigned Administrative Law Judge and jurisdiction and venue are proper.

2. 12 NCAC 10B .0204(c)(1) and (2) states that the Sheriffs’ Commission may deny the certification of a justice officer when the Commission finds that the applicant has:

   (1) knowingly made a material misrepresentation of any information required for certification or accreditation from the Commission or the North Carolina Criminal Justice Education and Training Standards Commission; or

   (2) knowingly and designedly by any means of false pretense, deception, defraud, misrepresentation, or cheating whatsoever, obtained or attempted to obtain credit, training or certification from the Commission or the North Carolina Criminal Justice Education and Training Standards Commission.

3. For the reasons set out above, Petitioner did not make a knowing misrepresentation of information required for certification by omitting her exposure to marijuana in her 2010 F-3 Personal History Statement. In addition, Petitioner has not attempted to obtain certification from the Commission through any means of false pretense or cheating. Petitioner’s failure to disclose her exposure to marijuana in her 2010 Personal History Statement was an oversight by Petitioner.

4. Under 12 NCAC 10B .0204(d)(5), the Commission may revoke, suspend, or deny the certification of a justice officer when the Commission finds that the applicant for certification or certified officer has committed or been convicted of:
(5) Any combination of four or more crimes or unlawful acts defined in 12 NCAC 10B .0103(10)(a) as a Class A misdemeanor or defined in 12 NCAC 10B .0103(10)(b) as a Class B misdemeanor regardless of the date of commission or conviction.

5. Under 12 NCAC 10B .0103(2), “convicted” or “conviction” means and includes, for purposes of that Chapter, the entry of (a) a plea of guilty; (b) a verdict or finding of guilt by a jury, judge, magistrate, or other duly constituted, established, and recognized adjudicating body, tribunal, or official, either civilian or military; or (c) a plea of no contest, nolo contendere, or the equivalent.

6. Under 12 NCAC 10B .0205(3)(d), when the Commission denies the certification of a justice officer, the period of sanction shall be for an indefinite period, but continuing so long as the stated deficiency, infraction, or impairment continues to exist, where the cause of sanction is commission or conviction of offenses as specified in 12 NCAC 10B .0204(d)(5).

7. 12 NCAC 10B .0103 (10)(a), provides that Petitioner’s first three (3) worthless check convictions constitute Class A misdemeanor convictions pursuant to the Commission’s Rules.

8. North Carolina General Statute § 14-104 (d)(1), and more specifically 12 NCAC 10B .0103 (10)(b), provides that a fourth (4th) and all subsequent convictions for misdemeanor worthless check under N.C.G.S. § 14-107 constitute Class B misdemeanor convictions as set forth in the Class B Misdemeanor Manual adopted by the Commission. Therefore, Petitioner’s remaining five (5) worthless check convictions constitute five (5) separate Class B misdemeanor convictions.

9. Petitioner has been convicted of a combination of 4 or more offenses classified as either Class A or Class B misdemeanors. In total, Petitioner has eight (8) misdemeanor convictions on her record: three (3) class A misdemeanor convictions and five (5) class B misdemeanor convictions. All of these convictions were worthless check offenses in violation of N.C.G.S. 14-107 (d)(1). Petitioner’s application for certification is therefore subject to denial pursuant to 12 NCAC 10B .0204(d)(5).

10. Under 12 NCAC 10B .0205, the Respondent may, in its discretion, reduce or suspend the period of sanction imposed for Petitioner’s record of a combination of four or more Class A or Class B misdemeanor convictions when extenuating circumstances brought out at the administrative hearing warrant such a reduction or suspension.

**PROPOSAL FOR DECISION**

Based upon the foregoing FINDINGS OF FACT and CONCLUSIONS OF LAW, the undersigned recommends that Respondent issue Petitioner’s justice officer certification notwithstanding Petitioner’s three (3) Class A and five (5) Class B misdemeanor worthless check convictions. The majority of these convictions occurred while Petitioner was a single parent.

not issue additional worthless checks. The undersigned therefore recommends that the
Commission issue Petitioner’s justice officer certification.
