EXECUTIVE ORDER 87

NOTICE OF TERMINATION OF EXECUTIVE ORDER 85 AND AMENDMENT OF EXECUTIVE ORDER 86

WHEREAS, Executive Order No. 85, issued on January 20, 2016, declared a state of emergency in North Carolina due to the potential impacts of a winter storm; and

WHEREAS, Executive Order No. 86, issued on January 20, 2016, waived the maximum hours of service for drivers transporting supplies and equipment for utility restoration and essentials in commerce, and with the concurrence of the Council of State temporarily suspended size and weight restrictions on vehicles used for utility restoration and carrying essentials on the interstate and intrastate highways due to the potential impacts of a winter storm. In addition, the order also directed the Department of Public Safety to suspend weighing equipment used for movement of crops, transporting livestock and poultry and feed for livestock and poultry.

NOW, THEREFORE, by the power vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1.

Pursuant to N.C.G.S § 166A-19.20(c) the state of emergency that was declared by Executive Order No. 85 is hereby terminated immediately.

Section 2.

Executive Order No. 86 will remain in effect until February 5, 2016. The order is amended to repeal the following clause:

WHEREAS, WHEREAS, I have declared that a state of emergency as defined in N.C.G.S. §§ 166A-19.3(6) and 166A-19.3(19) exists in North Carolina due to the likely impact of these winter storms; and

Replacing it with the following clause:

WHEREAS; although I have terminated Executive Order No. 85, issued on January 20, 2016, there continues to be a state of emergency as defined in N.C.G.S. §§ 166A-19.3(6) and 166A-19.3(19) for the purposes of responding ongoing impacts from the storm in this state and the northeast region of the United States. The emergency area as defined in
N.C.G.S. §§ 166A-19.3(7) and N.C.G.S. 166A-19.20(b) is the state of North Carolina and the impacted states in the northeast United States; and

**Section 3.**

Section 10 of Executive Order No. 86 is rewritten to read as follows:

This order will not trigger the prohibitions against excessive pricing in the emergency area in North Carolina, notwithstanding the provisions of N.C.G.S. § 166A-19.23.

**Section 4.**

The remaining provisions in Executive Order No. 86 remain in effect until the order terminates on February 5, 2016.

**IN WITNESS WHEREOF,** I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this twenty-ninth day in the year of our Lord two thousand and sixteen, and of the Independence of the United States of America the two hundred and forty.

Re: Request for clarification regarding attendance at events hosted by the Connect NC Referendum Committee

Dear Steve:

You have requested guidance regarding the scope of my advisory opinion dated December 4, 2015 in which, I cited provisions in our law that limit a referendum committee’s ability to coordinate with candidates in the production of communications that expressly advocate for the bond proposal and provide evidence of support for candidates. Specifically, you ask whether “the Referendum Committee may invite candidates to promote the bonds at public events and in other ways that do not include direct expenditure of committee funds directly tied to the candidates’ promotion of the bonds.”

Candidates are free to associate with any group, irrespective of a group's filing status with our agency. Accordingly, candidates are free to attend and speak at events hosted by Connect NC, so long as the candidate or agent of the candidate is not coordinating with the Referendum Committee on how the appearance and/or remarks will be used in future expenditures by the Referendum Committee. As long as candidates are not coordinating with the Referendum Committee on communications that advocate passage of the Bond and include the names or statements of candidates showing support of the passage of the Bond, there are no issues with candidates attending events hosted by the Referendum Committee.

You have also asked if the Referendum Committee could interview candidates on the spot at their public events and use the video/audio of those interviews in communications without triggering a “coordinated expenditure” that would be a “contribution” to the candidates. It would be permissible for the Referendum Committee to interview candidates and use the footage for future

communications without triggering a “coordinated expenditure” as long as the candidate is not provided a script, given approval of a script or comments, advised or provided any details regarding how the content of the interview will be used in communications by the Referendum Committee.

The content of this advisory opinion is issued under my authority found in G.S. § 163-278.23.

If you have questions, please feel free to let me know.

I will keep my private life unsullied as an example to all, and will behave in a manner that does not bring discredit to me or to my agency.

I will maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will never engage in acts or corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession...law enforcement.

(a) The school shall not admit any individual as a trainee in a presentation of the Basic Law Enforcement Training Course who is not a citizen of the United States.

(b) The school shall not admit any individual younger than 20 years of age as a trainee in any non-academic basic criminal justice training course. Individuals under 20 years of age may be granted authorization for early enrollment as trainees in a presentation of the Basic Law Enforcement Training Course with prior written approval from the Director of the Standards Division. The Director shall approve early enrollment if the individual will be 20 years of age prior to the date of the State Comprehensive Examination for the course.

(c) The school shall give priority admission in certified criminal justice training courses to individuals holding full-time employment with criminal justice agencies.

(d) The school shall not admit any individual as a trainee in a presentation of the “Criminal Justice Instructor Training Course” who does not meet the education and experience requirements for instructor certification under Rule .0302 of this Subchapter within
The school shall not admit an individual, including partial or limited enrollees, as a trainee in a presentation of the Basic Law Enforcement Training Course unless the individual, within one year prior to admission to the Basic Law Enforcement Training Course, places into course DRE 098 or above at a North Carolina Community College as a result of taking the Reading and English component of the North Carolina Diagnostic Assessment and Placement test as approved by the State Board of Community Colleges on October 17, 2014, (http://www.nccommunitycolleges.edu/state-board-community-colleges/meetings/october-17-2014), or has taken the reading component of a nationally standardized test within one year prior to admission to Basic Law Enforcement Training and has scored at or above the tenth grade level or the equivalent. For the purposes of this Rule:

(1) Partial or limited enrollee does not include enrollees who hold, or have held within 12 months prior to the date of enrollment, general certification pursuant to 12 NCAC 09C .0304.

(2) A "nationally standardized test" means a test that:

(A) reports scores as national percentiles, stanines, or grade equivalents; and

(B) compares student test results to a national norm.

The school shall not admit any individual as a trainee in a presentation of the Basic Law Enforcement Training Course unless the individual has provided to the School Director a certified medical examination report, completed by a physician licensed to practice medicine in North Carolina, a physician's assistant, or a nurse practitioner, to determine the individual's fitness to perform the essential job functions of a criminal justice officer. The Director of the Standards Division shall grant an exception to this standard for a period of time not to exceed the commencement of the physical fitness topical area when failure to receive the medical examination report is not due to neglect on the part of the trainee.

The school shall not admit any individual as a trainee in a presentation of the Basic Law Enforcement Training Course unless the individual is a high school, college, or university graduate or has received a high school equivalency credential recognized by the issuing state. High school diplomas earned through correspondence enrollment are not recognized toward the educational requirements.

(1) a felony;

(2) a crime for which the punishment could have been imprisonment for more than two years;

(3) a crime or unlawful act defined as a Class B Misdemeanor within the five year period prior to the date of application for employment, unless the individual intends to seek certification through the North Carolina Sheriffs’ Education and Training Standards Commission;

(5) four or more crimes or unlawful acts defined as Class B Misdemeanors, except the trainee may be enrolled if the last conviction date occurred more than two years prior to the date of enrollment;

(6) a combination of four or more Class A Misdemeanors or Class B Misdemeanors regardless of the date of conviction, unless the individual intends to seek certification through the North Carolina Criminal Justice Education and Training Standards Commission.

Individuals charged with crimes specified in Paragraph (i) of this Rule may be admitted into the Basic Law Enforcement Training Course if such offenses were dismissed or the person was found not guilty, but completion of the Basic Law Enforcement Training Course does not ensure that certification as a law enforcement officer or justice officer through the North Carolina Criminal Justice Education and Training Standards Commission will be issued. Every individual who is admitted as a trainee in a presentation of the Basic Law Enforcement Training Course shall notify the School Director of all criminal offenses the trainee is arrested for or charged with, pleads no contest to, pleads guilty to, or is found guilty of, and of all Domestic Violence Orders (G.S. 50B) that are issued by a judicial official after a hearing that provides an opportunity for both parties to be present. The notifications required under this Paragraph shall be in writing and specify the nature of the offense, the court in which the case was handled, the date of the arrest or criminal charge, the date of issuance of the
Domestic Violence Order (G.S. 50B), and the final disposition
and the date thereof. The notifications required under this
Paragraph shall be received by the School Director within 30 days
of the date the case was disposed of in court. The requirements
of this Paragraph are applicable at all times during which the
trainee is enrolled in a Basic Law Enforcement Training Course.

21 NCAC 08F .0111 INELIGIBILITY DUE TO VIOLATION OF ACCOUNTANCY ACT

(a) A person may not be eligible to take the CPA examination or receive a North Carolina certificate of qualification as a CPA if the Board determines that the person has engaged in conduct that would constitute a violation of G.S. 93 or the Rules of Professional Ethics and Conduct as set forth in 21 NCAC 08N.

21 NCAC 08F .0401 WORK EXPERIENCE REQUIRED OF CANDIDATES FOR CPA CERTIFICATION

(a) G.S. 93-12(5)c sets forth work experience alternatives, one of which is required of candidates applying for CPA certification. In connection with those requirements, the following provisions apply:

1. the work experience shall be acquired prior to the date a candidate applies for certification; and
2. all experience that is required to be under the direct supervision of a CPA shall be under the direct supervision of a CPA on active status.

(b) The following provisions apply to all candidates seeking to meet the work experience requirement of G.S. 93-12(5)c.3 by working in the field of accounting:

1. One year of work experience is 52 weeks of full-time employment. The candidate is employed full-time when the candidate is expected by the employer to work for the employer at least 30 hours each week. Any other work is working part-time.
2. All weeks of actual full-time employment are added to all full-time equivalent weeks in order to calculate how much work experience a candidate has acquired. Dividing that number by 52 results in the years of work experience the candidate has acquired.
3. Full-time-equivalent weeks are determined by the number of actual part-time hours the candidate has worked. Actual part-time hours do not include hours paid for sick leave, vacation leave, attending continuing education...
courses, or other time not spent directly performing accounting services. For each calendar week during which the candidate worked actual part-time hours of 30 hours or more, the candidate receives one full-time-equivalent week. The actual part-time hours worked in the remaining calendar weeks are added together and divided by 30. The resulting number is the additional number of full-time-equivalent weeks to which the candidate is entitled.

(4) The candidate shall submit experience affidavits on a form provided by the Board from all of the relevant employers; provided that when such experience was not acquired while employed with a CPA firm, the candidate shall also submit details of the work experience and supervision on a form provided by the Board. Experience affidavits for part-time work shall contain a record of the actual part-time hours the candidate has worked for each week of part-time employment. Both the experience affidavit and the form for additional detail shall be certified by the employer’s office supervisor or an owner of the firm who is a certificate holder.

(c) Rule .0409 of this Section applies to teaching experience acquired pursuant to G.S. 93-12(5)c.2 and 4.

21 NCAC 08G .0401 CPE REQUIREMENTS FOR CPAS
(a) In order for a CPA to receive CPE credit for a course:

(1) the CPA shall attend or complete the course and receive a certificate of completion as set forth in Rule .0403(c)(13) of this Section;
(2) the course shall meet the requirements set out in Rule .0404(a) and (c) of this Section; and
(3) the course shall increase the professional competency of the CPA.

(b) A course that increases the professional competency of a CPA shall be a course in an area of accounting in which the CPA practices or is planning to practice in the future, in the area of professional ethics, or an area of the profession.

(c) Because of differences in the education and experience of CPAs, a course may contribute to the professional competence of one CPA but not another. Each CPA shall therefore exercise judgment in selecting courses for which CPE credit is claimed and choose only those that contribute to that CPA's professional competence.

(d) Active CPAs shall complete 40 CPE hours, computed in accordance with Rule .0409 of this Section by December 31 of each year, except as follows:

1. CPAs having certificate applications approved by the Board in April-June shall complete 30 CPE hours during the same calendar year;
2. CPAs having certificate applications approved by the Board in July-September shall complete 20 CPE hours during the same calendar year; or
3. CPAs having certificate applications approved by the Board in October-December shall complete 10 CPE hours during the same calendar year.

(e) There shall be no CPE requirements for inactive CPAs.

(f) Any CPE hours completed during the calendar year in which the certificate is approved may be used for that year’s requirement even if the hours were completed before the certificate was granted. When a CPA has completed more than the required number of hours of CPE in any one calendar year, the extra hours, not in excess of 20 hours, shall be carried forward and treated as hours earned in the following year. Ethics CPE hours may not be included in any carry forward hours. A CPA shall not claim CPE credit for courses taken in any year prior to the year of certification.

(g) Any CPE hours used to satisfy the requirements for change of status as set forth in 21 NCAC 08J .0105, for reissuance as set forth in 21 NCAC 08J .0106 or for application for a new certificate as set forth in Rule 08I .0104 of this Chapter may be used to satisfy the annual CPE requirement set forth in Paragraph (d) of this Rule.

(h) It shall be the CPA's responsibility to maintain records substantiating the CPE credits claimed for the current year and for each of the four calendar years prior to the current year.

(i) A non-resident licensee may satisfy the annual CPE requirements including this Rule in the jurisdiction in which he or she is licensed and currently works or resides. If there is no annual CPE requirement in the jurisdiction in which he or she is licensed and currently works or resides, he or she shall comply with Paragraph (d) of this Rule.

provide persons completing course requirements with written proof of completion indicating the participant's name, the name of the course, the date the course was held or completed, the sponsor's name and address, and the number of CPE hours calculated and recommended in accordance with Rule .0409 of this Section.

(d) Failure of a National Registry of CPE Sponsor to comply with the terms of this Rule shall be grounds for the Board to disqualify the sponsor as a CPE sponsor with this Board and to notify NASBA and the public of this action.

For the purpose of this Paragraph, "applicant" shall, in the case of a CPA firm, include CPA partners, CPA members, or CPA shareholders.

(d) Upon forfeiture of a certificate, the certificate holder is no longer a CPA and the Board shall send notice of such forfeiture to the certificate holder by certified mail to the most recent mailing address the Board has on file. 21 NCAC 08N .0305 RETENTION OF CLIENT RECORDS
(a) Return Upon Demand. A CPA shall return client records in his or her possession to the client after a demand is made for their return. The records shall be returned upon demand unless circumstances make some delay reasonable in order to retrieve a closed file or to extract the CPA’s work papers described in Paragraph (f) of this Rule. If the records cannot be returned upon demand, the CPA shall immediately notify the client of the date the records will be returned. Nothing in this Rule shall be interpreted to require a CPA to pay delivery costs when the records are returned to the client.
(b) Who May Demand Client Records. If the client is a partnership, records shall be returned upon request to any of its general partners. If the client is a limited partnership or a registered limited liability partnership, records shall be returned upon request to its general partner(s) and the managing partner, or his or her designated individual respectively. If the client is a corporation, records shall be returned upon request to its president. If the client is a limited liability company, records shall be returned upon request to the manager. Joint records shall be returned upon request to any party to the record.

(c) Return of Original Records. If the engagement is terminated prior to completion or the CPA's work product has neither been received nor paid for the by the client, the CPA shall be required to return only those records originally given to the CPA by the client.

(d) Retention to Force Payment. A CPA shall not retain a client's records in order to force payment of any kind.

(e) Work Papers Included in Client Records. Work papers are usually the CPA's property and need not be surrendered to the client. However, in some instances work papers may contain data that should be reflected in the client's books and records but for convenience have not been duplicated therein with the result that the client's records are incomplete. In such instances, the portion of the work papers containing such data constitutes part of the client's records, and copies shall be given to the client along with the rest of the client's records. Work papers considered part of the client's records include but are not limited to:

1. worksheets in lieu of original entry (such as listings and distributions of cash receipts or cash disbursements on columnar work paper);
2. worksheets in lieu of general ledger or subsidiary ledgers, such as accounts receivable, job cost and equipment ledgers, or similar types of depreciation records;
3. all adjusting and closing journal entries and supporting details not fully set forth in the journal entry; and
4. consolidating or combining journal entries and worksheets and supporting detail used in arriving at final figures incorporated in an end product such as financial statements or tax returns.

(f) Work Papers Belonging to the CPA. Work papers developed by the CPA incident to the performance of an engagement that do not result in changes to the client's records, or are not in themselves part of the records ordinarily maintained by such clients, are the CPA's work papers and are not the property of the client. For example, the CPA may make extensive analyses of inventory or other accounts as part of the selective audit procedures. These analyses are considered to be a part of the CPA's work papers, even if the analyses have been prepared by client personnel at the request of the CPA. Only to the extent these analyses result in changes to the client's records would the CPA be required to furnish the details from the work papers in support of the journal entries recording the changes, unless the journal entries themselves contain all necessary details.

(g) Reasonable fees for Copies. Nothing in this Rule shall be construed to require the CPA to furnish a client with copies of the client's records already in the client's possession. However, if the client asserts that such records have been lost, or are otherwise not in the client's possession, the CPA shall furnish copies of the records and may charge a reasonable fee.

(h) Retention of Work Product and Work Papers. A CPA shall ensure that the work product and the work papers created in the performance of an engagement for a client are retained for at least five years after the date of issuance of the work product unless the CPA is required by law to retain such records for a longer period.

21 NCAC 08N .0306 ADVERTISING OR OTHER FORMS OF SOLICITATION

(a) Deceptive Advertising. A CPA shall not seek to obtain clients by advertising or using other forms of solicitation in a manner that is deceptive.

(b) Specialty Designations. A CPA may advertise the nature of services provided to clients, but the CPA shall not advertise or indicate a specialty designation or other title unless the CPA has met the requirements of the granting organization for the separate title or specialty designation and the individual is currently on active status and in good standing with the granting organization for the separate title or specialty designation.

(c) The CPA firm shall offer to perform or perform professional services only in the exact name of the CPA firm as registered with the Board. The exact CPA firm name as registered with the Board shall be used on the following documents:

1. letterhead;
2. contracts;
3. engagement letters;
4. tax returns; and
5. all professional services reports.

(d) The CPA firm may advertise professional services using the exact name of the CPA firm, a portion of the CPA firm name, or initials or acronyms derived from the exact CPA firm name as registered with the Board.

(e) Any CPA or CPA firm offering to or performing professional services via the Internet shall include the following information on the Internet:

1. CPA business or CPA firm name as registered with the Board;
2. principal place of business;
3. business phone number; and

(f) The use of the phrase "certified public accountant(s)" or "CPA(s)" in the name of any business entity on letterhead, professional services reports, business cards, brochures, building signage, office signs, telephone directories, contracts, engagement letters, tax returns, Internet directories, or any other advertisements or forms or solicitation shall be prohibited except for registered CPA firms.

21 NCAC 08N .0307 CPA FIRM NAMES
(a) Deceptive Names Prohibited. A CPA or CPA firm shall not trade upon the CPA title through use of any name that would have the capacity or tendency to deceive. The name or initials of one or more members of a new CPA firm, as defined in 21 NCAC 08A .0301, shall be included in the CPA firm name. The name of former members and the initials of former members that are currently in the CPA firm name and the name of current members and the initials of current members may be included in a new CPA firm name. The name, the portion of the name, the initials of the name or the acronym derived from the name of a firm network that includes names that were not previous CPA members or are not current CPA members of the CPA firm may be included in the CPA firm name. The name or initials of a non-CPA member in a CPA firm name may be included in the CPA firm name if certified public accountant or CPA is not included in or with the CPA firm name.
(b) Style of Practice. It is misleading if a CPA firm practices under a name or style that would tend to imply the existence of a partnership or registered limited liability partnership or a professional corporation or professional limited liability company of more than one CPA shareholder or CPA member or an association when in fact there is no partnership nor is there more than one CPA shareholder or CPA member of a CPA firm. For example, no CPA firm having just one CPA member may have as a part of its name the words "associates," "group," "firm," or "company" or their abbreviations. It is also misleading if a CPA renders non-attest professional services through a non-CPA firm using a name that implies any non-licensees are CPAs.
(c) Any CPA firm that has continuously used an assumed name approved by the Board prior to April 1, 1999, may continue to use the assumed name. A CPA firm (or a successor firm by sale, merger, or operation of law) using the name, or a portion of a name, or the initials of the name, or the acronym derived from the name of a firm association or firm network that was approved by the Board prior to April 1, 1999 may continue to use that name so long as that use is not deceptive. A CPA firm (or a successor firm by sale, merger, or operation of law) may continue to use the surname of a retired or deceased partner or shareholder in the CPA firm's name so long as that use is not deceptive.
(d) Any CPA firm registered in another jurisdiction that provides notification of intent to practice pursuant to G.S. 93-10(c)(3) may practice under the name as registered with that jurisdiction.

25 NCAC 01H .0902  REQUIREMENTS FOR REDUCTION IN FORCE PRIORITY CONSIDERATION

Upon written notification of imminent separation through reduction in force (RIF), a career State employee shall receive priority consideration for positions at an equal or lower salary grade (or salary grade equivalency) for a period of 12 months pursuant to G.S. 126-7.1, unless the priority has been satisfied in accordance with the rules of this Section. The following conditions apply:

(1) For employees receiving notification of imminent separation from trainee or flat rate positions, the salary grade for which priority is to be afforded shall be determined as follows: For employees in flat rate positions, the salary grade shall be the grade that has as its maximum rate nearest to the flat rate salary of the eligible employee. For eligible employees in trainee status, the salary grade shall be the salary grade of the full class;

(2) For employees receiving notification of imminent separation through reduction in force while actively possessing priority consideration from a previous reduction in force shall retain the initial priority for the remainder of the 12-month priority period. A new priority consideration period shall then begin at the salary grade equivalency, or salary rate of the position held at the most recent notification of separation and shall expire 12 months from the most recent notification date;

(3) If after receiving formal notice of imminent reduction in force, an employee retires or applies for retirement prior to the separation date, an employee shall have no right to priority consideration;

(4) Employees notified of separation from permanent full-time positions shall have priority consideration for permanent full-time and permanent part-time positions. Employees notified of separation from permanent part-time positions shall have priority consideration for permanent part-time positions only;

(5) Employees who have priority consideration at the time of application for a vacant position, and who apply during the designated agency recruitment period, shall be continued as priority applicants until the selection process is complete;

(6) If an employee with priority consideration applies for a position but declines an interview or offer of the position, the employee loses priority if the position is at a salary grade (or salary grade equivalency), market rate, or salary rate equal to or greater than that held at the time of notification;

(7) If an employee with priority consideration is placed in another position prior to the separation due to reduction in force, the employee does not lose priority if the position is at a lower salary grade (or salary grade equivalency), market rate, or salary rate less than that held at the time of notification and if the position is at the same appointment status;

(8) An employee with priority consideration may accept a temporary position at any level and retain priority consideration;

(9) When priority has been granted for a lower salary grade (or salary grade equivalency) or lower market rate or lower salary rate than that held at the time of notification, the employee retains priority for higher salary grades (or salary grade equivalencies) or higher market rate up to and including that held at the time of the notification of separation;

(10) An employee with priority consideration may accept employment outside State government or in a State position not subject to the State Human Resources Act and retain the priority consideration through the 12-month priority period;

(11) Priority consideration for an eligible employee is terminated when:

(a) an employee accepts a permanent or time-limited position with the State at the same salary rate or higher rate than the salary rate at the time of notification of separation;

(b) an employee accepts a permanent or time-limited position with the State at an equal to or greater than the employee's salary grade (or salary grade equivalency) of the full-time or part-time position held at the time of notification, in accord with Item (4) of this Rule;

(c) an employee accepts a career banded position with the same or higher market rate than that held at the time of notification;

(d) an employee has received 12 months of priority consideration; or

(e) an employee applies for retirement or retires from State employment.
Priority consideration for employees notified of or separated through reduction in force shall not include priority to any exempt positions;

When an employee with priority consideration accepts a position at a lower salary rate or lower employee's salary grade (or salary grade equivalency) and is subsequently terminated by disciplinary action, any remaining priority consideration ceases; and

An employee with priority consideration shall serve a new probationary period when there is a break in service, as defined in 25 NCAC 01D .0114.

DECISION AND ORDER FOR
PERMANENT INJUNCTION AND
ATTORNEY’S FEES AND COSTS

THIS CAUSE was heard by the undersigned Administrative Law Judge following
the previously issued preliminary injunction. Matthew J. Gray appeared on behalf of
Petitioners. Respondents were represented by John P. Barkley.

The Verified Petition for Temporary Restraining Order and Preliminary Injunction
and the attachments thereto, the documents attached to the August 4, 2015 Notice of
Filing, including deposition transcripts of Thomas J. Boyce, Ann C. Lowry and Kim A.
Warren, Petitioner’s Memorandum of Law, and other legal authorities presented by the
parties have shown that Petitioners will suffer irreparable loss unless the requested
injunctive relief is issued, and that Petitioners are entitled to their attorney’s fees and
costs. As such, this Court finds as follows:

1. On March 3, 2015, the Respondents issued a non-expiring improvements
permit to the Petitioners.
2. On June 19, 2015, Petitioners submitted an application for a construction authorization for the property known as 345 Rays Drive, Apex, NC 27623, now known as 200 Rays Drive, Apex, NC 27623 (being one in the same property) bearing tax parcel identification number 17661, and containing 2.96 acres, as more particularly described in the February 9, 2015 survey attached to the improvements permit dated March 3, 2015 (the "Subject Property"). Petitioners paid Respondents a $235.00 fee to submit the construction authorization application.

3. On July 6, 2015, Kim Warren, Program Supervisor of the On-Site Wastewater Program with the Chatham County Health Department, verbally advised Petitioners' consultant, Mr. John D. Gray, that Respondent Chatham County Public Health Department denied Petitioners' application for a construction authorization. Ms. Warren advised that the sole basis for the denial was that the wastewater system fill pad had not been constructed. Petitioners pointed out to Respondents that construction of the fill pad before issuance of the construction authorization would be in direct violation of N.C.G.S. §130A-336(b). That statute provides that:

   ... No person shall commence or assist in the installation, construction, or repair of a wastewater system unless an improvement permit and an authorization for wastewater system construction have been obtained from the Department or the local health department.

   Nevertheless, Ms. Warren advised Petitioners that Tim Crissman, a regional specialist for the State, directed her to deny the construction authorization application.

4. On July 7, 2015, Petitioners, through their consultant Mr. Gray, spoke by phone with Ms. Anne Lowry, Environmental Health Director with the Chatham County
Health Department. Ms. Lowry confirmed that Mr. Crissman had directed the construction authorization be denied. Ms. Lowry also advised that the Chatham County Health Department would follow that direction.

5. On July 10, 2015, Petitioners filed a Verified Petition for Contested Case Hearing and Motion for Immediate Temporary Restraining Order and Injunctive Relief.

6. On July 14, 2015, the undersigned entered a Temporary Restraining Order ordering that Respondents refrain from (1) requiring Petitioners to construct a component part of a wastewater system, namely the fill pad, without a construction authorization, and (2) denying the Petitioners’ application for a construction authorization for the Subject Property.

7. On July 17, 2015, Respondents issued a construction authorization to the Petitioners that stated, “CA issued without fill pad in place due to order of Administrative Law Judge Lassiter on 7/14/15.”

8. During the August 5, 2015 Preliminary Injunction hearing, and in its filings, Petitioners sought injunctive relief that Respondents cease, desist and refrain from denying or revoking the construction authorization, and that Respondents re-issue the construction authorization removing the language “CA issued without fill pad in place due to order of Administrative Law Judge Lassiter on 7/14/15” and replacing that language with “CA issued as required by N.C. Gen. Stat. §130A-336(b).” Petitioners sought relief on the grounds that the applicable statutes are plain, definite and unambiguous; that the statutes required Respondents to issue the construction authorization; that the fill pad was a component part of the Wastewater System; that the condition imposed by the Respondents required construction of the Wastewater System
without a construction authorization in direct violation of N.C. Gen. Stat. §130A-336(b) and would therefore subject Petitioners to criminal prosecution pursuant to N.C. Gen. Stat. §130A-25(a); and as otherwise stated in their pleadings.

9. This Court entered a Preliminary Injunction on August 7, 2015, finding that the applicable statutes are plain, definite, and unambiguous, and thus, Respondents' argument is without merit. In State v. Davis, 364 N.C. 297, 302, 698 S.E.2d 65, 68 (2010), our Supreme Court stated:

10. N.C. Gen. Stat. §130A-336(b) states that:

... No person shall commence or assist in the installation, construction, or repair of a wastewater system unless an improvement permit and an authorization for wastewater system construction have been obtained from the Department or the local health department.

11. Merriam-Webster's Collegiate Dictionary (Tenth Edition 2002) defines the word "shall" as:

[Will have to; must; used to express a command or exhortation; used in laws, regulations, or directives to express what is mandatory...]

12. Through Session Law 2014-120, the Legislature clarified the definition of "Wastewater System." The Legislative intent for that clarification is stated in the very
heading of the Session Law: "AN ACT TO PROVIDE FURTHER REGULATORY
RELIEF TO THE CITIZENS OF NORTH CAROLINA ...."

13. N.C. Gen. Stat. §130A-334(15) now defines "Wastewater System" as, "... a system of wastewater collection, treatment, and disposal in single or multiple components, including a ground absorption system, privy, septic tank system, ..." N.C. Gen. Stat. §130A-1(b) now defines "Ground Absorption system" as "... a system of tanks, treatment units, nitrification fields, and appurtenances for wastewater collection, treatment, and subsurface disposal."

14. Under these definitions, a fill pad is part of a Wastewater System. Respondents conceded this during the Preliminary Injunction hearing, and in the prior case of Lewter v. Chatham County Health Dept., 12 EHR 06065. In that case, both Ann Lowry and Kim Warren testified that the fill pad was part of the wastewater system. (See Petitioners' August 4, 2015 Notice of Filing, Lowry Depo., p. 25, L1-14 and Warren Depo., p.39, L17-21, p.42, L5-25, p.44,L22 – p.45, L4 and p.47,L15-L23.) Respondents are bound by those admissions.

15. N.C. Gen. Stat. §130A-338 provides that, "Where construction, ... is proposed to be done upon a residence, ... no permit required for electrical, plumbing, heating, air conditioning or other construction, ... under any provision of general or special law shall be issued until an authorization for wastewater system construction has been issued under G.S. 130A-336 .... ."

16. In this case, Respondents knew, when it denied Petitioners' application, that Petitioners could not obtain a building permit without the issuance of the construction authorization. When Respondents denied Petitioners' application,
Respondents knew that the fill pad was a component part of a Wastewater System, and knew that construction of the fill pad before issuance of the construction authorization would be in direct violation of N.C.G.S. §130A-336(b). That statute provides that:

... No person shall commence or assist in the installation, construction, or repair of a wastewater system unless an improvement permit and an authorization for wastewater system construction have been obtained from the Department or the local health department.

17. Respondents failed to follow the statutory requirements of N.C. Gen. Stat. §130A-336(b) by failing to issue the construction authorization upon the application of Petitioners, and by denying the construction authorization upon the application of Petitioners.

18. When Respondents denied Petitioners' application, Respondents knew that installation of a wastewater system without a construction authorization would be a criminal misdemeanor. N.C. Gen. Stat. §130A-25(a) provides that "... a person who violates a provision of this Chapter ... shall be guilty of a misdemeanor."

19. Immediate and irreparable injury, loss and damage will result to the Petitioners if the State is not restrained from denying the application for a construction authorization, because (1) Petitioners will thus be forced to violate North Carolina law to obtain the construction authorization, and (2) revocation of the construction authorization will place Petitioners' building permit and construction loan at risk, all of which may lead to unnecessary and increased expense to Petitioners.

20. The granting of the requested Motion for Permanent Injunction is necessary to prevent irreparable harm.
21. Based on the findings above, Respondents failed to follow the North Carolina Statutes and their own regulations in denying Petitioners' application for a construction authorization. Respondents exceeded their authority, acted erroneously, failed to act as required by law or rule, and failed to use proper procedure. N.C.G.S. §150(B)-23(a).

22. The evidence demonstrates that Respondents' denial of the Petitioners' application for construction authorization was not based on any statutory or regulatory requirements. Petitioners' rights were substantially prejudiced, because the Respondents' actions subjected Petitioners to criminal liability and deprived them of their construction authorization to which they were legally entitled.

23. Under relevant North Carolina law, decisions are arbitrary and capricious if they are "patently in bad faith, or whimsical in the sense that they indicate a lack of fair and careful consideration or fail to indicate any course of reasoning and the exercise of judgment." Lewis v. N.C. Dep't of Human Res., 92 N.C.App. 737, 740, 375 S.E.2d 712, 714 (1989).

24. The evidence in this case demonstrates that Respondent's decision to deny the Petitioners' application for a construction authorization was arbitrary and capricious, because the decision indicates a clear lack of fair and careful consideration. The above findings document that Respondents attempted to force Petitioners to violate a criminal statute by attempting to force Petitioners to install a fill pad for the wastewater system while the Respondents knew that the fill pad was part of the wastewater system and that construction of any part of the wastewater system without a construction authorization would be a criminal misdemeanor. N.C.G.S. §130A-25(a). Respondents'
actions lacked any fair and careful consideration, were arbitrary and capricious, and violate N.C.G.S. §150B-23(a)(4). Based upon the foregoing, Petitioners are entitled to their attorneys’ fees and costs pursuant to N.C.G.S. §150B-33(b)(11).

25. Petitioners have incurred $9,044.41 in attorneys’ fees and costs. The rates charged by the Petitioners’ attorneys are usual and customary for this type of work. The attorney’s fees and costs incurred by the Petitioners are reasonable.

IT IS THEREFORE DECIDED AND ORDERED that:

1. Respondents shall permanently cease, desist and refrain from denying or revoking the construction authorization; and

2. Respondents acted arbitrarily and capriciously, and are assessed $9,044.41 for the reasonable attorneys’ fees and costs incurred by the Petitioners. Respondents shall make payment of the $9,044.41 in attorneys’ fees and costs within 30 calendar days of the entry of this Decision and Order.

PROPOSAL FOR DECISION

On November 3, 2015, Chief Administrative Law Judge Julian Mann III, heard this contested case in the Haywood County Courthouse, Waynesville, North Carolina. Pursuant to N.C.G.S. § 150B-40(e), Respondent requested the designation of an administrative law judge to preside at the hearing of a contested case under Article 3A, Chapter 150B of the North Carolina General Statutes.

APPEARANCES

Petitioner: Pro se

Respondent: Matthew L. Boyatt, Assistant Attorney General
N.C. Department of Justice
9001 Mail Service Center
Raleigh, North Carolina 27699-9001

ISSUE

Did Petitioner fail to make proper notice of criminal charges to the Respondent Commission?

FINDINGS OF FACT

1. Both parties are properly before the Chief Administrative Law Judge, in that jurisdiction and venue are proper, both parties received notice of hearing, and that the Petitioner received by mail the proposed Revocation of Justice Officer’s Certification letter, mailed by Respondent North Carolina Sheriffs’ Education and Training Standards Commission on January 5, 2015. (Respondent’s Exhibit 1)
2. The North Carolina Sheriffs’ Education and Training Standards Commission (hereinafter referred to as the “Respondent Commission” or “Sheriffs’ Commission”) has the authority granted under Chapter 17E of the North Carolina General Statutes and Title 12 of the North Carolina Administrative Code, Chapter 10B, to certify justice officers and to deny, revoke, or suspend such certification.

3. 12 NCAC 10B .0204(b)(2) provides the Sheriffs’ Commission shall revoke, deny, or suspend the certification of a justice officer when the Commission finds that the applicant for certification or certified officer fails to meet or maintain any of the employment or certification standards required by 12 NCAC 10B .0300.

4. 12 N.C.A.C. 10B .0301(a)(7) requires that every justice officer employed or certified in North Carolina shall within five (5) working days notify the Sheriffs’ Standards Division and the appointing department head, in writing, of all criminal offenses charged against the officer and shall also give notification, in writing, to the Sheriffs’ Standards Division and the appointing department head following the adjudication of these criminal charges.

5. Petitioner completed Basic Law Enforcement Training in 2010 and is currently certified as a justice officer through the Madison County Sheriff’s Office. Petitioner has been employed through the Madison County Sheriff’s Office since 2010 and is currently a reserve deputy with that agency. Petitioner received his certification from the Respondent Commission on August 13, 2011. (Respondent’s Exhibit 3)

6. Petitioner executed a Report of Appointment, Form F-4, which was submitted to the Respondent Commission on August 30, 2010. On that form, Petitioner was cautioned that he must report all new criminal charges to the Sheriffs’ Commission within five (5) working days. Petitioner signed an acknowledgement indicating that he understood the reporting requirements. (Respondent’s Exhibit 5)

7. Petitioner also completed a Form F-3 Personal History Statement, which was submitted to the Respondent Commission on August 22, 2010. Petitioner was advised on the Personal History Statement that he was under an obligation to update all information contained within the Statement. Petitioner signed the Personal History Statement before a notary, acknowledging his understanding of his duty to update information contained within the F-3 Personal History Statement. (Respondent’s Exhibit 6, p.16)

8. On December 8, 2012, Petitioner was charged with carrying a concealed weapon while consuming alcohol in Buncombe County, North Carolina, case number 12 CR 008845. (Respondent’s Exhibit 4) This criminal charge was subsequently dismissed on November 8, 2013.

9. Petitioner did not report to the Respondent Commission that he had been charged with the above-referenced criminal offense in 12 CR 008845 within five (5) working days of December 8, 2012. Petitioner initially reported this charge to his commanding officer within five (5) days of being charged, with the understanding that his chain of command at the Madison County Sheriff’s Office would report the charge to the Respondent Commission within the
required five (5) working day period. Petitioner does not dispute that his employer failed to report the criminal charge to the Respondent Commission.

10. Petitioner regrets his failure to follow up with his employer in order to ensure that the Respondent Commission received notification that Petitioner had been charged with the above-referenced offense within the required time set out in 12 N.C.A.C. 10B .0301(a)(7). Petitioner accepts responsibility and has not attempted to make excuses for his failure to ensure the Respondent Commission received proper notification.

11. Petitioner's failure to report his criminal charge within the time required arose out of Petitioner's reliance on his chain of command. Petitioner acknowledges that ultimately he is responsible for reporting criminal charges to the Respondent Commission under 12 NCAC 10B 0301(a)(7), and that he failed to do so pursuant to 12 N.C.A.C. 10B .0301(a)(7). Petitioner has indicated that, based on this experience, he will always follow up in the future to ensure all information is being updated in a timely manner, pursuant to the Commission's rules. Hence, it is exceedingly unlikely that Petitioner will violate a reporting requirement of the Sheriffs' Commission in the future.

12. Mitigating circumstances exist in this case to warrant a lesser sanction than revocation of certification, especially in light of Petitioner reporting the criminal charge in 12 CR 008845 to his employer immediately, with the expectation and understanding that his employer would provide the requisite written notification to the Respondent Commission.

13. Based on the evidence presented at the administrative hearing, Counsel to the Commission will recommend that Petitioner be allowed to maintain his certification.

CONCLUSIONS OF LAW

1. The parties are properly before the undersigned Chief Administrative Law Judge, and jurisdiction and venue are proper.

2. The Petitioner failed to make timely notification of his criminal charge in 12 CR 008845, which constitutes a violation of 12 NCAC 10B .0204(b)(2) and 12 NCAC 10B .0301(a)(7).

3. The Respondent's proposed revocation of Petitioner's justice officer certification is supported by substantial evidence. However, pursuant to 12 NCAC 10B .0205 (2), the Respondent Commission has the discretion to impose a lesser sanction, to include a verbal and/or written warning in lieu of suspension or revocation. The undersigned recommends such a written and/or verbal warning to Petitioner, given the evidence presented at the hearing and the mitigating circumstances existing in this case.
PROPOSAL FOR DECISION

NOW, THEREFORE, based upon the foregoing Findings of Fact and Conclusions of Law, the undersigned recommends the Respondent issue Petitioner a verbal and/or written warning for violating 12 NCAC 10B .0301(a)(7), based on the totality of the evidence presented at the administrative hearing.

NOTICE

The Agency making the final decision in this contested case is required to give each party an opportunity to file exceptions to this Proposal for Decision, to submit proposed findings of fact and to present oral and written arguments to the agency. N.C.G.S. § 150B-40(e). The agency that will make the final decision in this contested case is the North Carolina Sheriffs' Education and Training Standards Commission.

IT IS SO ORDERED.

This the 11th day of December, 2015.

Respondent: Matthew L. Boyatt, Assistant Attorney General

ISSUE

Whether Petitioner’s application for certification should be denied based on Petitioner testing positive for the controlled substance Butalbital following a pre-employment drug screen on or about May 4, 2015.

Pursuant to N.C.G.S. §150B-41, the parties do hereby stipulate to the following Findings of Fact and Conclusions of Law.
FINDINGS OF FACT

1. Both parties are properly before this Administrative Law Judge, in that jurisdiction and venue are proper, both parties received notice of hearing, and that the Petitioner received, by certified mail, the proposed Summary Denial of Justice Officer's Certification letter mailed by Respondent Sheriffs' Commission on June 15, 2015.

2. The North Carolina Sheriffs' Education and Training Standards Commission (hereinafter referred to as "The Sheriffs' Commission") has the authority granted under Chapter 17E of the North Carolina General Statutes and Title 12 of the North Carolina Administrative Code, Chapter 10B, to certify justice officers and to deny, revoke, or suspend such certification.

3. 12 NCAC 10B .0301(a)(6) (c) provides that every Justice Officer employed or certified in North Carolina shall have produced a negative result on a drug screen administered according to the following specifications:

   (C) The drugs whose use shall be tested for shall include at least cannabis, cocaine, phencyclidine (PCP), opiates and amphetamines or their metabolites.

4. Further, 12 NCAC 10B .0204(b) (5) provides that the Commission shall revoke, deny, or suspend a law enforcement officer's certification when the Commission finds that the applicant for certification or certified officer has produced a positive result on any drug screen reported to the Respondent Commission, or reported to any other commission, agency, or board established to certify a person as a justice officer, corrections officer, or criminal justice officer, unless the positive result is due to a medically indicated cause.

5. Pursuant to 12 N.C.A.C. 10B .0205, when Respondent suspends or denies the certification of a justice officer for a positive drug screen, the period of sanction shall be not less than five years; however, Respondent may either reduce or suspend the period of sanction under Paragraph 2 (g) of this Rule, or substitute a period of probation in lieu of suspension of certification following an administrative hearing, where extenuating circumstances brought out at the administrative hearing warrant such a reduction or suspension.

6. Petitioner is currently an applicant for certification through the Franklin County Sheriff's Office.

7. On Saturday, May 2, 2015, Petitioner traveled to the Epsom Fire Department to meet with his father in order to pick up a water pump for Petitioner's tractor. Petitioner had not been feeling well and was suffering from a headache and chest/sinus congestion. Petitioner met with his father at approximately 10:00 a.m. Petitioner's father noticed that Petitioner did not appear to be feeling well. Petitioner told his father that he was suffering from a severe headache and congestion.
8. Petitioner's father gave Petitioner one (1) pill on May 2, 2015, and advised Petitioner that the pill was headache medication and that it would alleviate Petitioner's symptoms. Petitioner took the medication provided by his father and did not give the matter much thought at the time. At the time Petitioner took this medication, Petitioner did not have a prescription for Butalbital or Flomicet. Petitioner later learned from his father that he had been provided the drug Flomicet, which contains Butalbital, a schedule III controlled substance.

9. Two (2) days later on May 4, 2015, Petitioner presented to Urgent Care in order to submit to a drug screen in furtherance of his application for certification through the Sheriffs' Commission. Petitioner willingly submitted his urine sample for analysis.

10. Immediately following his drug screen, Petitioner saw a physician at Urgent Care on May 4, 2015 due to Petitioner's persistent cough and congestion. Petitioner was diagnosed as suffering from an acute upper respiratory infection. Petitioner was prescribed Zithromax, Hycodan, and Proventil.

11. On May 13, 2015, Petitioner learned that he tested positive for the controlled substance Butalbital. It was at this time that Petitioner contacted his father to inquire as to exactly what medication his father provided to Petitioner on May 2, 2015. As indicated above, Petitioner learned that his father gave him the prescription medication Flomicet, which contains Butalbital, a schedule III controlled substance.

12. Petitioner's taking of medication without a valid prescription was limited to a one (1) time occurrence on May 2, 2015, when Petitioner took the prescription Flomicet pill provided by his father.

13. Having reflected on his actions, Petitioner regrets having taken the medication provided by his father without first seeking medical attention and receiving a prescription from a licensed medical provider. Having accepted responsibility for his actions, it does not appear as though Petitioner poses a risk of engaging in similar activity once he is certified as a justice officer.

14. William Dennis, M.D., is a licensed physician in Henderson, North Carolina, who is familiar with the facts of this case. Dr. Dennis has reviewed Petitioner's medical records, to include Petitioner's positive drug screen result dated May 13, 2015, in addition to the records related to Petitioner's medical examination at Urgent Care on May 4, 2015.

15. It is Dr. Dennis's opinion to a reasonable degree of medical certainty that Petitioner's drug screen is consistent with Petitioner having taken one (1) tablet of Flomicet. Dr. Dennis opined that the drug screen report and record in this case does not support the conclusion that Petitioner has a history of taking and abusing controlled substances.
16. Petitioner's use of the drug Butalbital without a valid prescription was limited
to his one-time use of Floricet on May 2, 2015. Petitioner admits that what he did was
wrong and that it was unlawful for him to take a prescription medication that had been
prescribed to another person.

17. Petitioner's certification is subject to denial pursuant to 12 NCAC 10B .0204
(b)(5) based on Petitioner having produced a positive drug screen through the Sheriffs' Commission on or about May 13, 2015. Petitioner's positive drug screen was not the
result of a medically indicated cause insofar as Petitioner had not consulted with a
physician and had not been prescribed Floricet and/or Butalbital prior to May 2, 2015.

18. The Respondent has the discretion to issue a lesser sanction than outright
denial of Petitioner's application for certification where extenuating circumstances
brought out at the administrative hearing warrant such a reduction or suspension. See
12 N.C.A.C. 10B .0205 (2)(g).

19. The record in this case establishes that at the time Petitioner used the
Floricet that had been prescribed to his father, Petitioner was suffering from significant
congestion and a persistent headache. On May 4, 2015, Petitioner underwent a medical
examination which resulted in a diagnosis of acute upper respiratory infection. Petitioner
was prescribed Zithromax, Hycofan, and Proventil. These circumstances weigh in favor
of issuing Petitioner certification.

20. Petitioner has the support of the law enforcement community, as evidenced
by the Sheriff of Franklin County appearing at the hearing of this matter in support of
Petitioner's application for certification.

CONCLUSIONS OF LAW

1. The parties are properly before the Office of Administrative Hearings.

2. 12 N.C.A.C. 10B .0301(6)(c) requires every justice officer employed in North
Carolina to produce negative drug screen results. The drug Butalbital is classified as a
barbiturate, a schedule III controlled substance.

3. 12 N.C.A.C. 10B .0204(b)(5) provides that the Sheriffs' Education and
Training Standards Commission shall revoke, deny, or suspend certification when the
Commission finds that the applicant or certified officer has produced a positive drug
screen reported to the Respondent Commission or to any other commission, agency, or
board established to certify a person as a justice officer.

4. Petitioner tested positive for Butalbital on or about May 13, 2015. Petitioner
did not possess a valid prescription for this controlled substance at the time he took the
medication on May 2, 2015. Petitioner's conduct was unlawful insofar as Petitioner took
medication that had been prescribed to his father. Petitioner is not in compliance with
rule 12 N.C.A.C. 10B .0301(6)(c) and 12 N.C.A.C. 10B .0204(b)(5), and Petitioner’s application for certification is therefore subject to denial.

5. Pursuant to 12 N.C.A.C. 10B .0205(2)(g), when Respondent denies the certification of a justice officer for a positive drug screen result, the period of sanction shall be not less than five (5) years.

6. However, Pursuant to 12 N.C.A.C. 10B .0205(2)(g), Respondent may either reduce or suspend the period of sanction under this rule or substitute a period of probation in lieu of revocation or denial of certification following an administrative hearing, where extenuating circumstances brought out at the administrative hearing warrant such a reduction.

PROPOSAL FOR DECISION

Based upon the foregoing FINDINGS OF FACT and CONCLUSIONS OF LAW, the undersigned recommends Respondent issue Petitioner’s justice officer’s certification. Extenuating circumstances brought out at the administrative hearing warrant the issuance of Petitioner’s certification. Petitioner’s use of the Flomoxet that had been prescribed to his father was limited to one-time use on May 2, 2015. At that time, Petitioner was suffering from a significant headache and chest/sinus congestion. Petitioner has admitted that his actions were unlawful. The Petitioner regrets having taken the medication. There is no indication that Petitioner will engage in such behavior in the future. Therefore, the undersigned recommends that Petitioner be certified through the Respondent Commission.

4. Respondent Board presented evidence that Petitioner had demonstrated intemperate habits and lacked good moral character through conviction in Forsyth County, North Carolina for misdemeanor Simple Assault.

5. Petitioner presented evidence sufficient to explain the factual basis for the charge, presented a credible character witness, and has rebutted the presumption.

5. By Notice of Hearing dated August 17, 2015, Respondent advised Petitioner that a hearing on the denial of his unarmed guard registration would be held at the Office of Administrative Hearings, 1711 New Hope Church Road, Raleigh, North Carolina 27609 on September 29, 2015.
