GENERAL

The North Carolina Register shall be published twice a month and contains the following information submitted for publication by a state agency:

2. text of proposed rules;
3. text of permanent rules approved by the Rules Review Commission;
4. emergency rules
5. Executive Orders of the Governor;
6. final decision letters from the U.S. Attorney General concerning changes in laws affecting voting in a jurisdiction subject of Section 5 of the Voting Rights Act of 1965, as required by G.S. 120-30.9H; and
7. other information the Codifier of Rules determines to be helpful to the public.

COMPUTING TIME: In computing time in the schedule, the day of publication of the North Carolina Register is not included. The last day of the period so computed is included, unless it is a Saturday, Sunday, or State holiday, in which event the period runs until the preceding day which is not a Saturday, Sunday, or State holiday.

FILING DEADLINES

ISSUE DATE: The Register is published on the first and fifteen of each month if the first or fifteenth of the month is not a Saturday, Sunday, or State holiday for employees mandated by the State Personnel Commission. If the first or fifteenth of any month is a Saturday, Sunday, or a holiday for State employees, the North Carolina Register issue for that day will be published on the day of that month after the first or fifteenth that is not a Saturday, Sunday, or holiday for State employees.

LAST DAY FOR FILING: The last day for filing for any issue is 15 days before the issue date excluding Saturdays, Sundays, and holidays for State employees.

DEADLINE TO SUBMIT TO THE RULES REVIEW COMMISSION: The Commission shall review a rule submitted to it on or before the twentieth of a month by the last day of the next month.

FIRST LEGISLATIVE DAY OF THE NEXT REGULAR SESSION OF THE GENERAL ASSEMBLY: This date is the first legislative day of the next regular session of the General Assembly following approval of the rule by the Rules Review Commission. See G.S. 150B-21.3, Effective date.
TITLE 04 – DEPARTMENT OF COMMERCE

Notice is hereby given in accordance with G.S. 150B-21.2 that the Department of Commerce, Division of Employment Security intends to adopt the rule cited as 04 NCAC 24A .0110 and amend the rules cited as 04 NCAC 24A .0102-.0105, .0109; 24B .0402; and 24C .0204.

Reason for Proposed Action:  NC Session Law 2015-238 made changes to Chapter 96 of the North Carolina General Statutes. Part of the law, codified as G.S. 96-40, addresses unemployment insurance (UI) program integrity, and requires DES to prioritize enhancements, and maximize the efficiency of the State's UI program. The law requires DES to share information with certain other entities in order to prevent, detect, and reduce UI fraud, improper payments, and overpayments. The General Assembly specifically directed that DES participate in the Southeast Consortium Unemployment Insurance Benefits Initiative (SCUBI), a multi-state consortia consisting of North and South Carolina, and Georgia. The consortia has been working together to modernize their UI systems for better efficiency and cost-effectiveness. Another program, the State Information Data Exchange System (SIDES), is a web-based system that was developed between the United States Department of Labor and state UI agencies to streamline processes. DES and its customers are already using SIDES, and expect to begin using SCUBI this summer. As a result, DES must amend Rules 24A .0103, 24A .0104, 24A .0105, 24B .0402 and 24C .0204 to comply with the mandate for better effectiveness and efficiency. Rules 24A .0109 and 24A .0110 are proposed to clarify the authority granted by, and limitations on use of powers of attorney when conducting business with DES.

Procedure for Subjecting a Proposed Rule to Legislative Review: If an objection is not resolved prior to the adoption of the rule, a person may also submit written objections to the Rules Review Commission after the adoption of the Rule. If the Rules Review Commission receives written and signed objections after the adoption of the Rule in accordance with G.S. 150B-21.3(b2) from 10 or more persons clearly requesting review by the legislature and the Rules Review Commission approves the rule, the rule will become effective as provided in G.S. 150B-21.3(b1). The Commission will receive written objections until 5:00 p.m. on the day following the day the Commission approves the rule. The Commission will receive those objections by mail, delivery service, hand delivery, or facsimile transmission. If you have any further questions concerning the submission of objections to the Commission, please call a Commission staff attorney at 919-431-3000.

TITLE 14B – DEPARTMENT OF PUBLIC SAFETY

Notice is hereby given in accordance with G.S. 150B-21.2 that the Department of Public Safety-Boxing Authority intends to amend the rules cited as 14B NCAC 10.0501 and .0801.

Link to agency website pursuant to G.S. 150B-19.1(c): https://www.ncdps.gov/administrative-rules

Proposed Effective Date: September 1, 2017

Public Hearing:
Date: June 1, 2017
Time: 2:00 p.m.
Location: ABC Commission Hearing Room, 400 East Tryon Road, Raleigh, NC 27610

Reason for Proposed Action: The Boxing Authority proposes to amend two current rules governing weigh-ins for contestants competing in boxing and mixed martial arts events to increase contestant safety. Currently, boxing contestants are required to participate in a weigh-in to establish whether the contestant’s weight falls within the permissible limits for his/her weight class) to no earlier than 6 p.m. the day before an event. Currently, mixed martial arts contestants are required to participate in two separate weigh-ins; one on the day before an event and a second weigh-in on the day of the event within eight hours of the starting time of the event. The proposed amendment to 14B NCAC 10.0501 will allow for an earlier weigh-in time for boxing event contestants of noon or later the day before a scheduled event. The proposed amendment to 14B NCAC 10.0801 will eliminate the current requirements that mixed martial art contestants weigh-in at a second day weigh-in, thus allowing them more time to rehydrate prior to competing in an event. These rule changes are consistent with the nation-wide trend encouraging earlier weigh-in times in order to allow participants more time to hydrate properly before contests.

(a) North Carolina residents committing hunting, fishing, or trapping violations in another WVC member state, who upon release on personal recognition from the issuing state, failed to resolve the violation, shall have their hunting, fishing, or trapping privileges suspended in North Carolina.

(b) If the Wildlife Resources Commission receives notice of an unresolved violation, a Notice of Suspension shall be prepared and sent to the violator:

(1) the notice shall have a delayed effective date of at least 14 business days, to allow the violator to contact the court in the issuing state and resolve the case;

(2) the notice shall be delivered personally or by letter sent by certified mail, return receipt requested, to the last known address of the licensee or permit holder;

(3) the notice of suspension shall inform the violator of the facts supporting the suspension and procedures to be followed in resolving the matter with the court in the issuing state; and

(4) the notice shall provide the procedure for appealing the suspension.

(c) Any suspensions received by the Wildlife Resources Commission shall remain in effect until such time as the North Carolina resident resolves the violation in the issuing state.

(d) When a North Carolina resident resolves a violation with the court in the issuing state, it is the responsibility of the resident to present documents to the Wildlife Resources Commission that acknowledge compliance. Upon receipt of documentation set forth in Paragraph (e) of this Rule, an acknowledgement of compliance shall be issued directly to that person by the Wildlife Resources Commission.

(e) The following shall be sufficient evidence of compliance in response to a notice of suspension for non-compliance:

15A NCAC 10A .1405 RECIPROCAL RECOGNITION OF SUSPENSIONS

(a) When the Wildlife Resources Commission receives notice of suspension of a North Carolina resident's hunting, fishing, or trapping privileges or licenses by a WVC member state that are the result of a conviction or an accumulation of convictions of wildlife violations in one or more states that participate in the WVC, the agency shall determine whether the violation, or accumulation of violations, leading to the suspension could have led to the suspension of rights, privileges, or licenses under G.S. 113. If it is determined that the resident's privileges or licenses would have been suspended under G.S. 113, the resident's licenses, rights, and privileges to hunt, fish, or trap in North Carolina shall be suspended pursuant to Article 22B of G.S. 113 for the same period as imposed by the WVC member state where the violation occurred.

(b) North Carolina shall communicate suspension information to other member states, using the WVC database. Information may include the following:

(1) name;
(2) date of birth;
(3) last known address;

(6) effective dates of the suspension and term of the suspension.

15A NCAC 10B .0113 BIG GAME KILL REPORTS

(a) Upon killing a bear, deer, or wild turkey and before moving the animal from the site of kill, the successful hunter shall validate the Big Game Harvest Report Card furnished with the big game hunting license by cutting or punching out the validation box that correctly identifies the big game animal harvested. In lieu of the Big Game Harvest Report Card, antlerless deer may be recorded as outlined on the Bonus Antlerless Deer Harvest Report Card acquired from the Wildlife Resources Commission or a Wildlife Service Agent. Deer harvested under the Deer Management Assistance Program (DMAP) program, not validated with either a Big Game Harvest Report Card or Bonus Antlerless Deer Harvest Report Card, shall be validated by affixing a Commission-issued DMAP tag to the deer as required by G.S. 113-291.2(e).

(b) Before any harvested bear, deer, or wild turkey is skinned, dressed, or dismembered for consumption and within 24 hours of the kill, the animal shall be registered through the Electronic Big Game Reporting System. The hunter may field dress the animal at the site of kill or before registering it by bleeding and removing the digestive, respiratory, and circulatory organs. However, the hunter may not further process the carcass in a manner that obscures its species identity, age, or sex before registering the animal. When the kill occurs in a remote area that prevents the animal from being transported as an entire carcass, the animal may be skinned and quartered before being registered. When a hunter harvests a big game animal in a remote area and plans to remain in the remote area for longer than a day, the 24-hour time limit to register the kill is extended until the hunter leaves the area. Upon leaving the remote area, the hunter shall register the kill within 24 hours.

(c) When a hunter registers a kill, the Electronic Big Game Reporting System shall issue an authorization number to the big game hunter. The hunter shall record the authorization number obtained through the Electronic Big Game Reporting System in the space provided immediately adjacent to the validation box that has been cut or punched out on the Big Game Harvest Report Card or the Bonus Antlerless Deer Harvest Report Card. Any hunter validating a deer harvest with a Commission-issued DMAP tag shall record and maintain the issued authorization number to serve as proof of registration. The authorization number shall thereafter constitute authorization for the continued possession of the carcass. Possession of a harvested bear, deer, or wild turkey without the validated Big Game Harvest Report Card or Bonus Antlerless Deer Harvest Report Card where applicable, including the authorization number obtained through the Electronic Big Game Reporting System, is unlawful.

(d) Persons who kill a big game animal and leave it unattended shall identify the carcass with their name, their hunting license number, and the date of kill. Once an unattended animal is registered, the animal need only be identified with the authorization number received by registering the kill. It is unlawful for a person to possess a Big Game Harvest Report Card or Bonus Antlerless Deer Harvest Report Card on which the species validation box has been cut or punched out, but on which the authorization number received by registering the kill has not
been recorded, or to possess a used or affixed Commission-issued DMAP tag without a valid authorization number, unless the animal is in the person’s possession or is identified as described in this Paragraph and not more than 24 hours have passed since the harvest.

(e) Persons who are by law exempt from the big game hunting license by G.S. 113-276 shall obtain a Big Game Harvest Report Card or Bonus Antlerless Deer Harvest Report Card for License Exempt Hunters from a Wildlife Service Agent, or possess a valid Commission-issued DMAP tag. Upon harvesting a bear, deer, or wild turkey, the exempt person shall validate and register the kill as provided by this Rule.

(f) Persons who use special tags issued pursuant to G.S. 113-291.2(e) to validate the harvest of a deer shall follow the tagging and reporting requirements set forth by statute and shall not take any action under this Rule.

15A NCAC 10B.0119 WILDLIFE COLLECTORS
(a) Collection Licenses. The Executive Director may license qualified individuals to take or collect any species of wildlife resources except that endangered, threatened, and special concern species may not be taken or collected except under a special permit issued by the Executive Director for research purposes, unless there is an open season for the species. If an open season exists for the species, then the appropriate hunting, fishing, or trapping license serves as the authorization for take. This Rule shall not prohibit an individual from killing an endangered, threatened, or special concern species in defense of his own life or the lives of others without a permit. Individuals who annually collect fewer than five reptiles or fewer than 25 amphibians that are not on the endangered, threatened, or special concern lists shall be exempted from this license requirement, except snapping turtles (Chelydra serpentina) less than 11 inches (curved carapace length) shall not be collected at all. The license shall be issued upon payment of a fee in accordance with G.S. 113-272.4, except that licenses shall be issued to representatives of educational or scientific institutions or of governmental agencies without charge. The license shall be used in lieu of any other hunting or trapping license required by law and shall authorize possession and transportation of the wildlife incidental to the authorized taking, except that it shall not authorize the taking, possession, or transportation of any species of wildlife in violation of the Endangered Species Act, the Migratory Bird Treaty Act, the Bald and Golden Eagle Protection Act or any other federal act to prohibit or restrict the possession and transportation of wildlife resources.

(b) Limits on collection. Individuals shall collect no more than 10 turtles from the family Chelydridae (snapping turtles) per day and no more than 100 per calendar and these turtles shall have a curved carapace length greater than 11 inches. Individuals shall collect no more than 10 turtles from the family Kinosternidae (mud and musk turtles) per day and no more than 100 per calendar year.

(c) Qualifications of Licensees. In addition to representatives of educational and scientific institutions and governmental agencies, the collection license may be issued to any individual for any purpose when it is not deemed inimical to the efficient conservation of the species to be collected or to some other wildlife species that may be dependent thereon.

(d) Methods of Taking. The manner of taking wildlife resources under a collection license may be specified by the Executive Director pursuant to G.S. 113-272.4(d) and need not be restricted to the usual methods of hunting or trapping.

(e) Term of License. The Executive Director may, pursuant to G.S. 113-272.4(c), impose time limits and other restrictions on the duration of any collection license, but unless so restricted the license shall be valid from January 1 through December 31 of the applicable year.

(f) Report of Collecting Activity. Each individual licensed under this Rule shall submit a report to the Wildlife Resources Commission within 15 days following the date of expiration of the license. The report shall show the numbers of each species taken under the license and the use or disposition thereof. The Executive Director may require additional information for statistical purposes such as the dates and places of the taking and the sex, size, weight, condition, and approximate age of each specimen taken.

(g) Other Requirements and Restrictions. The Executive Director may, pursuant to G.S. 113-272.4(d), impose such other requirements and restrictions on persons licensed under this Rule as he may deem to be necessary to the efficient administration of the wildlife conservation statutes and rules.

A nonresident North Carolina broker who wishes to renew his or her license on active status may satisfy the continuing education requirement by any one of the following means:

1. A nonresident broker may, at the time of license renewal, hold a real estate license in another state and certify on a form prescribed by the Commission that the broker holds such license. If at any time after renewal there is a change in the status of the out-of-state license, the nonresident broker shall notify the Commission within 10 days and request that his or her North Carolina license be placed on inactive status, or provide evidence to the Commission that he or she has satisfied either Subparagraph (a)(2) or (a)(3) of this Rule or the requirements of Rule .1702 of this Section.

4. A nonresident broker may obtain eight hours equivalent credit for a course or courses not approved by the Commission or for related educational activities as provided in Rule .1708 of this Section. The maximum amount of other improper conduct shall be subject to disciplinary action pursuant to G.S. 93A-6.

(b) When requesting to change an inactive license to active status, or when applying for reinstatement of a license expired for not more than six months, a nonresident broker may satisfy the continuing education requirements described in Rules .0505 and .1703 of this Subchapter by complying with any of the options described in Paragraph (a) of this Rule, except that the requirements in Subparagraphs (a)(2) and (a)(3) of this Rule restricting the taking of courses to one year preceding license expiration shall not be applicable.

(c) No carry-over credit to a subsequent license period shall be awarded for a course taken in another state that has not been approved by the North Carolina Real Estate Commission as an elective course pursuant to 21 NCAC 58H .0406.

(d) A nonresident broker who has renewed his or her license on active status pursuant to Paragraph (a) of this Rule shall notify the Commission within 10 days if he or she subsequently affiliates with an office with a North Carolina business or mailing address, or becomes a resident of this State, and within 30 days provide evidence to the Commission that he or she has satisfied the requirements of either Subparagraphs (a)(2) or (a)(3) of this Rule or the requirements of Rule .1702 of this Section.
