Proposed Effective Date: July 1, 2018

Public Hearing:
Date: April 6, 2018
Time: 10:30 a.m.
Location: North Carolina Department of Commerce, Division of Employment Security, Room A-502, 700 Wade Avenue, Raleigh, NC 27605

Reason for Proposed Action: N.C. Session Law 2015-238 made changes to Chapter 96 of the North Carolina General Statutes. Part of the law, codified as N.C. Gen. Stat. 96-40, requires DES to take steps to address unemployment insurance (UI) program integrity, maximize the efficiency for the State’s UI program, and prevent, detect, and reduce UI fraud, improper payments, and overpayments. N.C. Session Law 2017-8, House Bill 5, Part IV, Section 4(a) became effective July 1, 2017, and made some changes to the law affecting employer contributions. The proposed repeal of 04 NCAC 24D .0701 is in response to the enactment of N.C. Session Law 2017-8, House Bill 5, Part IV, Section 4(a) that became effective July 1, 2017. This rule is being repealed because the General Assembly eliminated the need for this rule with the revisions to G.S. § 96-11.7 involving continuity of control. Rule 24A .0101 is proposed for amendment to clarify that amendments to 25 NCAC 01E .0901 are incorporated by reference into this Rule. Rule 24A .0102 is proposed for amendment to correct the fax number for employer address changes. Rule 24A .0104 is proposed for amendment to centralize addresses, phone numbers, and requirements for appeals and payments in an effort to reduce the frequency of rule-making and improve efficiency. Rule 24A .0106 is proposed for amendment to clarify deadlines in circumstances when a due date falls on a weekend or holiday. Rule 24A .0109 is proposed for amendment to eliminate designation of a limited power of attorney and reflect enactment of Ch. 32C of the General Statutes. Rule 24A .0201 is proposed for amendment to correctly reflect the manner in which to request release of confidential UI information. Rules 24A .0202 and .0203 and Rule 24B .0503 are proposed for amendment to correctly reflect the Chief Counsel’s position title. Rule 24A .0204 is proposed for amendment to accurately reflect the requirements for requests for release of information. Rules 24A .0205, 24A .0206 and .0207 are proposed for amendment to clarify the fees associated with requests for release of information to third parties. Rules 24B .0101 and 24B .0103 are proposed for amendment to accurately reflect the information required for filing claims and weekly certifications. Rules 24B .0401 and 24C .0103 are proposed for amendment to correct legal citations. Rules 24B .0901 and .0902 are proposed for adoption and amendment, respectively, to notify claimants of the content and manner in which DES will seek offset pursuant to its responsibilities under G.S. § 105A-8 and claimants’ right to request a hearing. Rule 24B .1001 is proposed for amendment to clarify the manner in which claimants may make payments to DES under TOP. Rules 24B .1002, 24C .0202, 24D .0105, 24D .0403, 24D .0801, 24D .1001, 24D .1002, 24D .1202 are proposed for amendment to improve the efficiency of the UI program. Rules 24C .0201 and 24C .0213 are proposed for amendment and adoption, respectively, to clarify the manner in which witnesses may participate in appeal hearings and maximize hearing efficiency. Rules 24C .0203, 24D .0106, 24D .0205, and 24F .0201 are proposed for amendment to accurately reflect the information required to file an appeal of an Appeals Decision, and establish consistency with Rule 24A .0104. Rules 24C .0208 and 24C .0211 are proposed for amendment to correct grammatical errors. Rules 24C .0214 and 24C .0215 are proposed for adoption to permit the requirements for withholding an appeal, and to provide notice of the procedures for filing an appeal of a determination after previously withdrawing an appeal to the same determination. Rules 24C .0302, 24F .0203, and 24F .0204 are proposed for amendment to establish consistency with Rule 24A .0103. Rule 24C .0303 and 24F .0311 are proposed for adoption to establish the requirements for out-of-state attorneys to represent clients in administrative hearings. Rule 24C .0401 is proposed for amendment to clarify the time and manner in which to serve subpoenas. Rule 24D .0102 is proposed for amendment to correctly reflect document names for compliance with SCUBI’s document identification system. Rules 24D .0401, 24D .0402, and 24D .0602 are proposed for amendment to improve efficiency and conform to changes made in Session Law 2017-8. Rule 24D .0901 is proposed for amendment to clarify the procedure for special tax investigations. Rule 24D .1101 is proposed for adoption to set...
forth the notice requirements of employer referrals to the TOP for outstanding debt. CHAPTER 66 - VETERINARY MEDICAL BOARD

21 NCAC 66 .0206 MINIMUM STANDARDS FOR CONTINUING EDUCATION

Each person holding a veterinary license, limited license, a faculty certificate, or a zoo veterinary certificate (collectively referred to herein as "veterinarian") or a veterinary technician registration issued by the Board shall comply with the standards in this Rule. The standards shall be a condition precedent to the renewal of a license certificate or registration, respectively. The standards are as follows:

(1) Continuing education credit hours shall relate to veterinary medicine.

(2) A veterinarian shall earn 20 continuing education credit hours for the calendar year license renewal period.

(3) A veterinary technician shall earn 12 continuing education credit hours for the two calendar year registration renewal period.

(4) A veterinarian or veterinary technician may request and be granted an extension of time, not to exceed six months, to satisfy the continuing education requirement if the veterinarian or veterinary technician provides evidence of a debilitating injury or illness or circumstance that prevents the veterinarian or veterinary technician from being able to obtain continuing education. If the veterinarian or veterinary technician submits evidence of failure to complete continuing education due to debilitating injury or illness or hardship, the Board shall consider the evidence submitted on a case-by-case basis. If the Board finds that the debilitating injury or illness or hardship was the basis for non-compliance with the continuing education requirement, the Board shall exempt that individual from completing the unearned portion of the continuing education for that renewal period.
(5) Continuing education credits hours may be earned from courses, programs, or materials presented or approved by the following providers:
   (a) the American Veterinary Medical Association (AVMA);
   (b) the American Animal Hospital Association (AAHA);
   (c) the North Carolina Veterinary Medical Association (NCVMA);
   (d) the American Association of Veterinary State Boards’ (AAVSB) Registry of Approved Continuing Education (RACE); and
   (e) academies, schools, or colleges of veterinary medicine.

These providers are designated herein as "approved continuing education credit providers."

The Board shall consider additional courses, presentations, or materials eligible for approval for continuing education credit hours, provided that the individual seeking the credit furnishes the Board information to establish that the content of the course, presentation, or material are of an educational level reflective of the audience (veterinarians or veterinary technicians). Board approval for continuing education credits for such additional courses, presentations, or materials shall be obtained prior to attendance or participation; however, the Board shall waive the requirement of prior approval if illness, injury, or natural disaster prevented the individual from obtaining the prior approval.

(6) Subject to the limitations in this Rule, continuing education credit hours may be earned by:
   (a) attendance at in-person courses or presentations;
   (b) completion of independent self-study courses;
   (c) non-interactive on-line presentations, courses or materials; or
   (d) completion of live interactive on-line presentations or courses.

(7) One continuing education credit hour, up to 100 percent of the CE requirement for renewal, may be earned for each hour of in-person attendance at courses presented or approved by approved continuing education credit providers. Up to 25 percent of the CE requirement for renewal may be obtained from independent self-study courses, videos, DVDs, CDs, prerecorded webinars, audio conferences, and non-interactive on-line presentations approved by approved continuing education credit providers. Up to 50 percent of the CE requirement for renewal may be obtained from live interactive on-line presentations or courses approved by approved continuing education credit providers. However, the number of credit hours earned from live interactive on-line presentations or courses shall be reduced by the number of credit hours earned from independent self-study courses or materials and non-interactive on-line presentations or courses. A live interactive on-line presentation or course shall:
   (a) include instant or asynchronous two-way communication;
   (b) provide access to both technical personnel and professional faculty, as well as interactivity among participants for the exchange of questions and answers via instant messaging or a moderated teleconference; and
   (c) document the level of participation by keeping a record of the participant's activity in asking or answering questions during the presentation and the score of any examination administered at the end of the presentation.

(8) Each veterinarian and veterinary technician shall keep a record for the three most recent renewal periods of the content of courses submitted to the Board for continuing education credit hours.

(9) A veterinarian licensed in the year of graduation from a veterinary medical college is not required to earn continuing education credit hours to be eligible for license renewal for the next renewal period.

(10) A veterinary technician registered in the year of graduation from a veterinary medical technology program is not required to earn continuing education credit hours to be eligible for registration renewal for the next renewal period.

(11) A veterinarian or veterinary technician serving in the armed forces of the United States and to whom an extension of time to file a tax return is granted pursuant to G.S. 105-249.2 is granted the same extension of time to comply with the continuing education requirement of this Rule.
