EXECUTIVE ORDER NO. 176

FURTHER EXTENSION OF THE PHASE 3 ORDER AND IMPLEMENTATION OF ADDITIONAL MEASURES NECESSARY TO PROTECT PUBLIC HEALTH

The COVID-19 Public Health Emergency

WHEREAS, on March 10, 2020, the undersigned issued Executive Order No. 116 which declared a State of Emergency to coordinate the State’s response and protective actions to address the Coronavirus Disease 2019 (“COVID-19”) public health emergency and provide for the health, safety, and welfare of residents and visitors located in North Carolina; and

WHEREAS, on March 11, 2020, the World Health Organization declared COVID-19 a global pandemic; and

WHEREAS, on March 13, 2020, the President of the United States issued an emergency declaration for all states, tribes, territories, and the District of Columbia, retroactive to March 1, 2020, and the President declared that the COVID-19 pandemic in the United States constitutes a national emergency; and

WHEREAS, on March 25, 2020, the President approved a Major Disaster Declaration, FEMA-4487-DR, for the State of North Carolina; and

WHEREAS, in responding to the COVID-19 pandemic, and for the purpose of protecting the health, safety, and welfare of the people of North Carolina, the undersigned has issued Executive Order Nos. 116-122, 124-125, 129-131, 133-136, 138-144, 146-153, 155-157, 161-165 and 169-173; and

WHEREAS, more than two hundred ninety-seven thousand (297,000) people in North Carolina have had COVID-19, and four thousand six-hundred and sixty (4,660) people in North Carolina have died from the disease; and

WHEREAS, on September 30, 2020, the undersigned issued Executive Order No. 169, which transitioned the state into Phase 3 of its COVID-19 response; and

WHEREAS, concerning trends in COVID-19 metrics following the issuance of Executive Order No. 169 led the undersigned to extend the measures of Executive Order No. 169 under Executive Order No. 170; and

WHEREAS, since the issuance of Executive Orders Nos. 169 and 170, COVID-19 continues to spread at an increased rate in North Carolina and nationally; and
WHEREAS, due to delays between exposure to the COVID-19 virus, the onset of symptoms, and hospitalizations, the increasing case counts in the state signal potential challenges to come for the state’s health care facilities; and

WHEREAS, to slow the spread of the COVID-19 virus, to protect the lives of North Carolinians, and to preserve hospital capacity and other healthcare resources across the state, it is necessary for the undersigned to continue certain public health restrictions and to bolster the same; and

Reduction of Indoor Mass Gathering Limit to Protect Public Health

WHEREAS, public health data, contract tracing reports, and outbreak investigations indicate that in-home and other informal social gatherings are contributing to the rise in cases across the state; and

WHEREAS, the state’s public health experts have advised that in familiar settings with friends and family, individuals may be more likely to forgo necessary precautions against transmission of COVID-19 such as maintaining social distance or wearing masks, which contributes to the spread of the virus; and

WHEREAS, the risk of transmitting and contracting COVID-19 is higher in indoor settings where individuals are in close physical contact for an extended period of time (more than 15 minutes), in which it is difficult to wear a Face Covering consistently, or that involve large numbers of people; and

WHEREAS, to reduce the prevalence of COVID-19 spread linked to social and in-home gatherings and all other settings not otherwise addressed by the undersigned’s COVID-19 executive orders in which large groups of individuals tend to gather, the undersigned finds it reasonable and necessary to reduce the Mass Gathering limit established by previous COVID-19 executive orders for indoor settings; and

WHEREAS, businesses and operations identified in Executive Order No. 169 and those gatherings exempted from the Mass Gathering limit thereunder may continue to operate according to the measures and capacity limits, if any, which are specified in Executive Order No. 169 and which are intended to control the spread of COVID-19 in those settings; and

Statutory Authority and Determinations

WHEREAS, Executive Order No. 116 invoked the Emergency Management Act, and authorizes the undersigned to exercise the powers and duties set forth therein to direct and aid in the response to, recovery from, and mitigation against emergencies; and

WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.10(b)(2), the undersigned may make, amend, or rescind necessary orders, rules, and regulations within the limits of the authority conferred upon the Governor in the Emergency Management Act; and

WHEREAS, N.C. Gen. Stat. § 166A-19.10(b)(3) authorizes and empowers the undersigned to delegate Gubernatorial vested authority under the Emergency Management Act and to provide for the sub-delegation of that authority; and

WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.12(3)(e), the Division of Emergency Management must coordinate with the State Health Director to revise the North Carolina Emergency Operations Plan as conditions change, including making revisions to set “the appropriate conditions for quarantine and isolation in order to prevent the further transmission of disease,” and following this coordination, the Emergency Management Director and the State Health Director have recommended that the Governor develop and order the plan and actions identified in this Executive Order; and
WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.23 in conjunction with N.C. Gen. Stat. §§ 75-37 and 75-38, the undersigned may issue a declaration that shall trigger the prohibitions against excessive pricing during states of disaster, states of emergency or abnormal market disruptions; and

WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.30(a)(1), the undersigned may utilize all available state resources as reasonably necessary to cope with an emergency, including the transfer and direction of personnel or functions of state agencies or units thereof for the purpose of performing or facilitating emergency services; and

WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.30(a)(2), the undersigned may take such action and give such directions to state and local law enforcement officers and agencies as may be reasonable and necessary for the purpose of securing compliance with the provisions of the Emergency Management Act and with the orders, rules, and regulations made thereunder; and

WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.30(c)(i), the undersigned has determined that local control of the emergency is insufficient to assure adequate protection for lives and property of North Carolinians because not all local authorities have enacted such appropriate ordinances or issued such appropriate declarations restricting the operation of businesses and limiting person-to-person contact, thus needed control cannot be imposed locally; and

WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.30(c)(ii), the undersigned has determined that local control of the emergency is insufficient to assure adequate protection for lives and property of North Carolinians because some but not all local authorities have taken implementing steps under such ordinances or declarations, if enacted or declared, in order to effectuate control over the emergency that has arisen; and

WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.30(c)(iii), the undersigned has determined that local control of the emergency is insufficient to assure adequate protection for lives and property of North Carolinians because the area in which the emergency exists spreads across local jurisdictional boundaries and the legal control measures of the jurisdictions are conflicting or uncoordinated to the extent that efforts to protect life and property are, or unquestionably will be, severely hampered; and

WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.30(c)(iv), the undersigned has determined that local control of the emergency is insufficient to assure adequate protection of lives and property of North Carolinians because the scale of the emergency is so great that it exceeds the capability of local authorities to cope with it; and

WHEREAS, N.C. Gen. Stat. § 166A-19.30(c) in conjunction with N.C. Gen. Stat. § 166A-19.31(b)(1) authorizes the undersigned to prohibit and restrict the movement of people in public places; and

WHEREAS, N.C. Gen. Stat. § 166A-19.30(c) in conjunction with N.C. Gen. Stat. § 166A-19.31(b)(2) authorizes the undersigned to prohibit and restrict the operation of offices, business establishments, and other places to and from which people may travel or at which they may congregate; and

WHEREAS, N.C. Gen. Stat. § 166A-19.30(c) in conjunction with N.C. Gen. Stat. § 166A-19.31(b)(3) authorizes the undersigned to restrict the possession, transportation, sale, purchase, and consumption of alcoholic beverages; and

WHEREAS, N.C. Gen. Stat. § 166A-19.30(c) in conjunction with N.C. Gen. Stat. § 166A-19.31(b)(3) authorizes the undersigned to prohibit and restrict other activities or conditions, the control of which may be reasonably necessary to maintain order and protect lives or property during a state of emergency; and
WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.30(c)(1), when the undersigned imposes the prohibitions and restrictions enumerated in N.C. Gen. Stat. § 166A-19.31(b), the undersigned may amend or rescind the prohibitions and restrictions imposed by local authorities.

NOW, THEREFORE, by the authority vested in me as Governor by the Constitution and the laws of the State of North Carolina, and for the reasons and pursuant to the authority set forth above and in Executive Orders Nos. 169 and 170, IT IS ORDERED:

Section 1. Extension and Amendment of the Phase 3 Order.

Executive Order No. 169, as amended by this Executive Order, and which includes, for avoidance of doubt, those provisions of Executive Order No. 163, as amended herein and which were incorporated into, and extended by, Executive Order No. 169, shall remain in effect until 5:00 pm on December 04, 2020. The effective date provision of Executive Order No. 169 is amended to have that order continue in effect through the above-listed time and date.

Section 2. Amendment to the Indoor Mass Gathering Limit.

Section 5.1 of Executive Order No. 169 is amended to read:

5.1. Prohibition. Mass Gatherings are prohibited. “Mass Gathering” means an event or convening which brings together more than ten (10) people indoors or more than fifty (50) people outdoors at the same time in a single confined indoor or outdoor space. This includes parades, fairs, or festivals. In publicly accessible indoor facilities, the Mass Gathering limit applies per room of the facility. When more than ten (10) people reside in the same household, residing together does not form a Mass Gathering.

At a park, beach, or trail, the outdoor Mass Gathering limit of fifty (50) people applies to each group of people that may gather together.

Section 3. Conforming Amendments for Amusement Parks; Museums and Aquariums.

1. Section 3.1(b)(2)(c) of Executive Order No. 169 is amended to read:

All other group activities, such as tours, receptions, or parties, are subject to the Mass Gathering limit for outdoor spaces, and twenty-five (25) individuals for indoor spaces.

2. The first sentence of Section 6(9)(b)(ii) of Executive Order No. 163 is amended to read:

Limit Guests in each room within a museum or aquarium such that they do not exceed twenty-five (25) individuals.

Section 4. Extension of Price Gouging Period.

Pursuant to N.C. Gen. Stat. § 166A-19.23, the undersigned extends the prohibition against excessive pricing, as provided in N.C. Gen. Stat. §§ 75-37 and 75-38, from the issuance of Executive Order No. 116 through 5:00 pm on December 04, 2020.

The undersigned further hereby encourages the North Carolina Attorney General to use all resources available to monitor reports of abusive trade practices towards consumers and make readily available opportunities to report to the public any price gouging and unfair or deceptive trade practices under Chapter 75 of the North Carolina General Statutes.

Section 5. No Private Right of Action.

This Executive Order is not intended to create, and does not create, any individual right, privilege, or benefit, whether substantive or procedural, enforceable at law or in equity by any party against the State of North Carolina, its agencies, departments, political subdivisions, or other entities, or any officers, employees, or agents thereof, or any emergency management worker (as defined in N.C. Gen. Stat. § 166A-19.60) or any other person.
Section 6. Savings Clause.

WHEREAS, in Executive Order Nos. 130 and 139, the undersigned, with the concurrence of the Council of State, determined that the Secretary of the Department of Health and Human Services required authority to modify or waive enforcement of certain legal constraints or regulations which restrict the immediate relief of human suffering; and

WHEREAS, certain provisions of Executive Order Nos. 130 and 139 were extended by Executive Order Nos. 144, 148, 152 and 165, but these provisions are set to expire unless the undersigned takes further action; and

Reason for Proposed Action: Pursuant to GS 150B-21.3A, Periodic Review and Expiration of Existing Rules, all rules are reviewed at least every 10 years, or they shall expire. As a result of the periodic review of Subchapters 10A NCAC 13F, Licensing of Adult Care Homes of Seven or More Beds, and 10A NCAC 13G, Licensing of Family Care Homes, 4 proposed readoption rules were part of the 97 total rules determined as “Necessary With Substantive Public Interest,” requiring readoption. With input from stakeholders, substantive changes are proposed to three rules for readoption, one rule is proposed without substantive changes for readoption, and one rule is proposed for amendment for the regulation of licensed Adult Care Homes and Family Care Homes in N.C. An additional intent of the proposed rules is to make the rules of these two types of assisted living residences comparable, if not the same, for regulatory efficiency since they both house the same type of residents as permitted by law.

These proposed rules update and clarify the qualifications by statutory reference of adult care home and family care home staff who pass medications that include medication aides and their direct supervisors, and by the deletion of unnecessary requirements. The rules update the qualifications of the family care home Supervisor-In-Charge by the deletion of unnecessary requirements and the addition of a minimum age requirement. The proposed rules clarify the procedure for the adult care home and family care home Tuberculosis test and update the method for accessing referenced rules in those rules.

The proposed rules more accurately reflect the comprehensive criteria defined by the American College of Surgeons (ASC) for hospital trauma center designation and reflect a more accurate, efficient process for state trauma system annual membership and updates.

The proposed rules more accurately define the Chemical Addiction or Abuse Recovery Program as well as enhance the efficiency of the process for determining an individual to return to restricted practice.

The proposed rules update and clarify the enforcement action taken against an EMS educational institution’s designation in cases of significant failure to comply with education rules, add behavioral violations of EMS personnel resulting in investigation by the OEMS and potential appearance before the Emergency Medical Services Disciplinary Committee, and add a requirement for EMS notification for any violation.

CHAPTER 06 – BOARD OF BARBER EXAMINERS

Notice is hereby given in accordance with G.S. 150B-21.2 that the Board of Barber Examiners intends to amend the rules cited as 21 NCAC 06F .0120 and .0124.

Link to agency website pursuant to G.S. 150B-19.1(c): https://www.ncbarbers.com/news.html

Proposed Effective Date: April 1, 2021

Public Hearing:
Date: December 31, 2020
Time: 10:00 a.m.
Location: By videoconference at https://bit.ly/3nxdVgf or by teleconference at (984) 204-1487, conference ID 908 130 464#

Reason for Proposed Action: The two amendments would allow schools to offer certain portions of the barber curriculum through online classes. The Governor declared a state of emergency on March 10, 2020. All massage and bodywork therapy schools and programs closed their facilities due to the outbreak. To allow students to continue to receive education, the Board proposes to eliminate rules that would prevent schools from being able to offer online classes during a state of emergency. Also, continuing education providers were required to cease from providing in-classroom continuing education courses. To allow massage and bodywork therapists to continue taking continuing education courses to renew their license, the Board proposes to waive the in-classroom requirement and allow all hours to be completed by distance learning where there is a risk of harm to licensed therapists.

SUBCHAPTER 58A – REAL ESTATE BROKERS

SECTION .0100 - GENERAL BROKERAGE

21 NCAC 58A .0104 AGENCY AGREEMENTS AND DISCLOSURE

(a) Every agreement for brokerage services in a real estate transaction and every agreement for services connected with the management of a property owners association shall be in writing and signed by the parties thereto. Every agreement for brokerage services between a broker and an owner of the property to be the subject of a transaction shall be in writing and signed by the parties at the time of its formation. Every agreement for brokerage services between a broker and a buyer or tenant shall be express and shall be in writing and signed by the parties thereto not later than the time one of the parties makes an offer to purchase, sell, rent, lease, or exchange real estate to another. However, every agreement between a broker and a buyer or tenant that seeks to bind the buyer or tenant for a period of time or to restrict the buyer's or tenant's right to work with other agents or without an agent shall be in writing and signed by the parties thereto from its formation. A broker shall not continue to represent a buyer or tenant without a written, signed agreement when such agreement is required by this Rule. Every written agreement for brokerage services of any kind in a real estate transaction shall be for a definite period of time, shall include the broker's license number, and shall provide for its termination without prior notice at the expiration of that period, except that an agency agreement between a landlord and broker to procure tenants or receive rents for the landlord's property may allow for automatic renewal so long as the landlord may terminate with notice at the end of any contract period and any subsequent renewals. Every written agreement for brokerage services that includes a penalty for early termination shall set forth such a provision in a clear and conspicuous manner that shall distinguish it from other provisions of the agreement. For the purposes of this Rule, an agreement between brokers to cooperate or share compensation shall not be considered an agreement for brokerage services and, except as required by Rule .1807 of this Subchapter, need not be memorialized in writing.

(b) A broker shall conduct brokerage activities in a manner that is neither determined nor predicated by bias or ideology as to race, color, religion, national origin, sex, familial status, or disability. Every listing agreement, written buyer agency agreement, or other written agreement for brokerage services in a real estate transaction shall contain the following provision: "The broker shall conduct all brokerage activities in regard to this agreement without respect to the race, color, religion, sex, national origin, handicap, or familial status of any party or prospective party." The provision shall be set forth in a clear and conspicuous manner that shall distinguish it from other provisions of the agreement. For the purposes of this Rule, the term, "familial status" shall be defined as it is in G.S. 41A-3(1b).

(c) In every real estate sales transaction, a broker shall, at first substantial contact with a prospective buyer or seller, provide the prospective buyer or seller with a copy of the publication "Working with Real Estate Agents," set forth the broker's name and license number thereon, review the publication with the buyer or seller, and determine whether the agent will act as the agent of the buyer or seller in the transaction. If the first substantial contact with a prospective buyer or seller occurs by telephone or other electronic means of communication where it is not practical to provide the "Working with Real Estate Agents" publication, the broker shall at the earliest opportunity thereafter, but in no event later than three days from the date of first substantial contact, mail or otherwise transmit a copy of the publication to the prospective buyer or seller and review it with him or her at the earliest practicable opportunity thereafter. For the purposes of this Rule, "first substantial contact" shall include contacts between a broker and a consumer where the consumer or broker begins to act as though an agency relationship exists and the consumer begins to disclose to the broker personal or confidential information. The "Working with Real Estate Agents" publication may be obtained on the Commission's website at www.ncrec.gov or upon request to the Commission.

(d) A real estate broker representing one party in a transaction shall not undertake to represent another party in the transaction without the written authority of each party. The written authority shall be obtained upon the formation of the relationship except when a buyer or tenant is represented by a broker without a written agreement in conformity with the requirements of Paragraph (a) of this Rule. Under such circumstances, the written authority for dual agency shall be reduced to writing not later than the time that one of the parties represented by the broker makes an offer to purchase, sell, rent, lease, or exchange real estate to another party.

(e) In every real estate sales transaction, a broker working directly with a prospective buyer as a seller's agent or subagent shall disclose in writing to the prospective buyer at the first substantial contact with the prospective buyer that the broker represents the interests of the seller. The written disclosure shall include the broker's license number. If the first substantial contact occurs by telephone or by means of other electronic communication where it is not practical to provide written disclosure, the broker shall immediately disclose by similar means whom he or she represents and shall immediately mail or otherwise transmit a copy of the written disclosure to the buyer. (f) In every real estate sales transaction, a broker representing a buyer shall, at the initial contact with the seller or seller's agent, disclose to the seller or seller's agent that the broker represents the buyer's interests. In addition, in every real estate sales transaction other than auctions, the broker shall, no later than the time of delivery of an offer to the seller or seller's agent, provide the seller or seller's agent with a written confirmation disclosing that he or she represents the interests of the buyer. The written confirmation may be made in the buyer's offer to purchase and shall include the broker's license number.

(g) The provisions of Paragraphs (c), (d) and (e) of this Rule do not apply to real estate brokers representing sellers in auction sales transactions.

(h) A broker representing a buyer in an auction sale transaction shall, no later than the time of execution of a written agreement memorializing the buyer's contract to purchase, provide the seller or seller's agent with a written confirmation disclosing that he or she represents the interests of the buyer. The written confirmation may be made in the written agreement.

(i) A firm that represents more than one party in the same real estate transaction is a dual agent and, through the brokers associated with the firm, shall disclose its dual agency to the parties.

(j) When a firm represents both the buyer and seller in the same real estate transaction, the firm may, with the prior express approval of its buyer and seller clients, designate one or more individual brokers associated with the firm to represent only the interests of the seller and one or more other individual brokers associated with the firm to represent only the interests of the buyer in the transaction. The authority for designated agency shall be reduced to writing not later than the time that the parties are required to reduce their dual agency agreement to writing in accordance with Paragraph (d) of this Rule. An individual broker shall not be so designated and shall not undertake to represent only the interests of one party if the broker has actually received confidential information concerning the other party in connection with the transaction. A broker-in-charge shall not act as a designated broker for a party in a real estate sales transaction when a provisional broker under his or her supervision will act as a designated broker for another party with a competing interest.

(k) When a firm acting as a dual agent designates an individual broker to represent the seller, the broker so designated shall represent only the interest of the seller and shall not, without the seller's permission, disclose to the buyer or a broker designated to represent the buyer:

1. that the seller may agree to a price, terms, or any conditions of sale other than those established by the seller;
2. the seller's motivation for engaging in the transaction unless disclosure is otherwise required by statute or rule; and
3. any information about the seller that the seller has identified as confidential unless disclosure of the information is otherwise required by statute or rule.

(l) When a firm acting as a dual agent designates an individual broker to represent the buyer, the broker so designated shall represent only the interest of the buyer and shall not, without the buyer's permission, disclose to the seller or a broker designated to represent the seller:

1. that the buyer may agree to a price, terms, or any conditions of sale other than those established by the seller;
2. the buyer's motivation for engaging in the transaction unless disclosure is otherwise required by statute or rule; and
3. any information about the buyer that the buyer has identified as confidential unless disclosure of the information is otherwise required by statute or rule.

(m) A broker designated to represent a buyer or seller in accordance with Paragraph (j) of this Rule shall disclose the identity of all of the brokers so designated to both the buyer and the seller. The disclosure shall take place no later than the presentation of the first offer to purchase or sell.

(n) When an individual broker represents both the buyer and seller in the same real estate sales transaction pursuant to a written agreement authorizing dual agency, the parties may provide in the written agreement that the broker shall not disclose the following information about one party to the other without permission from the party about whom the information pertains:

1. that a party may agree to a price, terms, or any conditions of sale other than those offered;
2. the motivation of a party for engaging in the transaction, unless disclosure is otherwise required by statute or rule; and
3. any information about a party that the party has identified as confidential, unless disclosure is otherwise required by statute or rule.

(o) A broker who is selling property in which the broker has an ownership interest shall not undertake to represent a buyer of that property except that a broker who is selling commercial real estate as defined in Rule .1802 of this Subchapter in which the broker has less than 25 percent ownership interest may represent a buyer of that property if the buyer consents to the representation after full written disclosure of the broker's ownership interest. A firm listing a property owned by a broker affiliated with the firm may represent a buyer of that property so long as any individual broker representing the buyer on behalf of the firm does not have an ownership interest in the property and the buyer consents to the representation after full written disclosure of the broker's ownership interest.

(p) A broker or firm with an existing listing agreement for a property shall not enter into a contract to purchase that property unless, prior to entering into the contract, the listing broker or firm first discloses in writing to their seller-client that the listing broker or firm may have a conflict of interest in the transaction and that the seller-client may want to seek independent counsel of an attorney or another licensed broker. Prior to the listing broker entering into a contract to purchase the listed property, the listing broker and firm shall either terminate the listing agreement or transfer the listing to another broker affiliated with the firm. Prior to the listing firm entering into a contract to purchase the listed property, the listing broker and firm shall disclose to the seller-client in writing that the seller-client has the right to terminate the
listing and the listing broker and firm shall terminate the listing upon the request of the seller-client.

The form shall bear the seal of the North Carolina Real Estate Commission and shall read as follows:

[N.C. REAL ESTATE COMMISSION SEAL]

STATE OF NORTH CAROLINA

RESIDENTIAL PROPERTY AND OWNERS’ Association DISCLOSURE STATEMENT

Instructions to Property Owners

1. The Residential Property Disclosure Act (G.S. 47E)("Disclosure Act") requires owners of residential real estate (single-family homes, individual condominiums, townhouses, and the like, and buildings with up to four dwelling units) to furnish buyers a Residential Property and Owners' Association Disclosure Statement ("Disclosure Statement"). This form is the only one approved for this purpose. A disclosure statement must be furnished in connection with the sale, exchange, option, and sale under a lease with option to purchase where the tenant does not occupy or intend to occupy the dwelling. A disclosure statement is not required for some transactions, including the first sale of a dwelling which has never been inhabited and transactions of residential property made pursuant to a lease with option to purchase where the lessee occupies or intends to occupy the dwelling. For a complete list of exemptions, see G.S. 47E-2.
2. You must respond to each of the questions on the following pages of this form by filling in the requested information or by placing a check (✓) in the appropriate box. In responding to questions, you are only obligated to disclose information about which you have actual knowledge.

a. If you check "Yes" for any question, you must explain your answer and either describe any problem or attach a report from an attorney, engineer, contractor, pest control operator or other expert or public agency describing it. If you attach a report, you will not be liable for any inaccurate or incomplete information contained in it so long as you were not grossly negligent in obtaining or transmitting the information.

b. If you check "No," you are stating that you have no actual knowledge of any problem. If you check "No" and you know there is a problem, you may be liable for making an intentional misstatement.

c. If you check "No Representation," you are choosing not to disclose the conditions or characteristics of the property, even if you have actual knowledge of them or should have known of them.

d. If you check "Yes" or "No" and something happens to the property to make your Disclosure Statement incorrect or inaccurate (for example, the roof begins to leak), you must promptly give the buyer a corrected Disclosure Statement or correct the problem.

3. If you are assisted in the sale of your property by a licensed real estate broker, you are still responsible for completing and delivering the Disclosure Statement to the buyers; and the broker must disclose any material facts about your property which he or she knows or reasonably should know, regardless of your responses on the Statement.

4. You must give the completed Disclosure Statement to the buyer no later than the time the buyer makes an offer to purchase your property. If you do not, the buyer can, under certain conditions, cancel any resulting contract (See "Note to Buyers" below). You should give the buyer a copy of the Disclosure Statement containing your signature and keep a copy signed by the buyer for your records.

Note to Buyers

If the owner does not give you a Residential Property and Owners' Association Disclosure Statement by the time you make your offer to purchase the property, you may under certain conditions cancel any resulting contract without penalty to you as the buyer. To cancel the contract, you must personally deliver or mail written notice of your decision to cancel to the owner or the owner's agent within three calendar days following your receipt of the Disclosure Statement, or three calendar days following the date of the contract, whichever occurs first. However, in no event does the Disclosure Act permit you to cancel a contract after settlement of the transaction or (in the case of a sale or exchange) after you have occupied the property, whichever occurs first.

5. In the space below, type or print in ink the address of the property (sufficient to identify it) and your name. Then sign and date.

TITLE 21 – OCCUPATIONAL LICENSING BOARDS AND COMMISSIONS

CHAPTER 30 – BOARD OF MASSAGE AND BODYWORK THERAPY

Rule-making Agency: Board of Massage and Bodywork Therapy

Rule Citation: 21 NCAC 30 .0704

Effective Date: November 25, 2020

Findings Reviewed and Approved by the Codifier: November 17, 2020

Reason for Action: A serious and unforeseen threat to the public health, safety or welfare has arisen with the coronavirus outbreak in North Carolina. The Governor declared a state of emergency on March 10, 2020. Continuing education providers were required to cease from providing in-classroom continuing education courses. To allow massage and bodywork therapists to continue taking continuing education courses to renew their license, the Board is waiving the in-classroom requirement and allow all hours to be completed by distance learning.

SECTION .0700 - CONTINUING EDUCATION

21 NCAC 30 .0704 WAIVER OF REQUIREMENTS DURING DISASTER OR EMERGENCY

(a) If the governor declares a state of emergency, the Board may allow all continuing education hours required by G.S. 90-630.5 and Rule .0701(b) of this Chapter to be obtained by distance learning. In making this determination, the Board shall consider the risk of harm to licensed massage and bodywork therapists attending in-classroom continuing education courses.

(b) The exceptions in this Rule shall only apply during the effective period of the state of emergency.

History Note: Authority G.S. 90-626(9); 150B-19(6); S.L. 2020-97; Emergency Adoption Eff. June 30, 2020; Emergency Adoption Expired Eff. September 13, 2020; Emergency Adoption Eff. November 25, 2020 to expire pursuant to S.L. 2020-97, s. 3.20.
Note from the Codifier: The rules published in this Section of the NC Register are temporary rules reviewed and approved by the Rules Review Commission (RRC) and have been delivered to the Codifier of Rules for entry into the North Carolina Administrative Code. A temporary rule expires on the 270th day from publication in the Register unless the agency submits the permanent rule to the Rules Review Commission by the 270th day. This section of the Register may also include, from time to time, a listing of temporary rules that have expired. See G.S. 150B-21.1 and 26 NCAC 02C .0500 for adoption and filing requirements.

TITLE 10A - DEPARTMENT OF HEALTH AND HUMAN SERVICES

Rule-making Agency: Commission for Public Health

Rule Citation: 10A NCAC 41A .0107 and .0212

Effective Date: December 1, 2020

Date Approved by the Rules Review Commission: November 19, 2020

Reason for Action: COVID-19, a novel coronavirus, was identified as the cause of an emerging infectious disease outbreak in December 2019 in Wuhan, Hubei Province, China. This novel coronavirus causes respiratory illness ranging in severity from mild illness to death. As of November 3, 2020, over 46,800,000 confirmed cases and 1,200,000 deaths had been reported from 219 countries, including the United States. The first U.S. case was reported in a traveler returning from Wuhan on January 21, 2020 in Washington State. As of November 3, over 9,200,000 cases and 230,000 deaths had been reported in the U.S., and over 280,000 cases and 4,000 deaths had been reported in North Carolina. The North Carolina Division of Public Health is working closely with the Centers for Disease Control and Prevention (CDC) to monitor and respond to this pandemic in North Carolina.

10A NCAC 41A .0107 – Due to the widespread community transmission of this serious, infectious disease, testing is occurring in non-traditional environments, such as community-based testing sites. For this reason, reporting requirements need to be extended to other types of healthcare providers potentially involved in testing, such as nurses, pharmacists, and dentists. It is also imperative that public health officials receive not only positive test results, but also negative test results, to better understand the prevalence of the disease in North Carolina. To address this, the legislature enacted S.L. 2020-4 Sec. 4.10(a)(1) and the State Health Director issued a Temporary Order, pursuant to her authority under G.S. 130A-14.1, requiring healthcare providers and laboratories to report all COVID-19 diagnostic test results, both positive and negative, effective July 7, 2020. This temporary rule is needed to continue these reporting requirements while a permanent rule is pursued. Adoption of this temporary rule is required due to the serious and unforeseen threat to public health posed by this infectious disease.

10A NCAC 41A .0212 – On June 18, 2020, the NC Commission for Public Health received a petition for rulemaking from the North Carolina Board of Funeral Service, requesting that the Commission consider amending rule 10A NCAC 41A .0212 to set out the proper precautions to prevent infection during the handling and transportation of the bodies of persons infected with COVID-19 and require notification of those precautions. Pursuant to G.S. 150B-20, the Commission fully considered and granted the petition at its meeting on August 5, 2020. However, the Commission did not approve the proposed rule language submitted with the petition and directed agency staff to revise the proposed rule language for consideration at a special meeting on September 15, 2020. Notice of this decision was provided in writing to the North Carolina Board of Funeral Service on August 5, 2020. On September 15, 2020, the Commission adopted an amendment to the rule under emergency procedures and approved proceeding with rulemaking under temporary procedures.

It is imperative that this rule be quickly amended to address the need identified by the North Carolina Board of Funeral Service for communicable disease control measures to mitigate the risk of disease transmission during the handling and transportation of the bodies of persons infected with COVID-19. Adoption of this temporary rule is required due to the serious and unforeseen threat to public health posed by this infectious disease.

Upon the call of the Chair, the Commission objected to both rules in accordance with G.S. 150B-21.9 and 150B-21.12(c) by roll-call vote, ayes 6, noes 0 as follows: Voting in the affirmative: Bobby Bryan, Anna Baird Choi, Margaret Currin, Garth Dunklin, Randy Overton, and Paul Powell – 6 Voting in the negative: None.
