Necessity: As part of the annual rule review process, DENR seeks to repeal these rules because they are duplicative of the Administrative Procedures Act (15A NCAC 01B .0101; 15A NCAC 01B .0201-.0204), Department of Administration requirements (15A NCAC 01B .0301-.0303) or statutory requirements (NCAC 01B .0401-.0402). A reduction in the number of rules is in the public interest and consistent with the principles of Executive Order 70. The proposed rule changes have no fiscal impacts for state government or any other entity. The proposed effective date of this rule repeal is July 1, 2012. See proposed rule text in the Appendix.
